### Dining Hall Offenders Reported

The names of the participants in a Wednesday evening dining hall protest have been turned in to the Dean of Men's office for disciplinary measures, Mildred A. Baker, director of College Food Service, said yesterday.

The action resulted from a protest in the Nittany-Pollock dining hall by 135 residents of the Pollock Dorms. The men, who disapproved of having only one serving line, came late to the evening meal and consequently delayed the closing of the building by several minutes.

P. W. Hart, assistant food supervisor of the Nittany dining hall, said the men were objecting to the closing of one of the two serving lines due to the recent transfer of many students out of the Pollock area.

He termed the display "unsuccessful" since the closing time was delayed by only ten minutes. A small percentage of the 450 men are served in that line, he said.

The men based their protest on the belief that the one line was not fast enough to take care of the need at lunch time when a long walk to and from classrooms is necessary.

Hart stated that the one line was satisfactory and met with College policy. He cited for example that while the one Pollock line handles the 450 men, there are two for the 1000 men in Nittany, thus keeping the same ratio.

#### Yoder To Conduct

Nine of these numbers will be included in the student concert. The public concert will be repeated at 8 p.m. tomorrow in Schwab.

Paul Yoder, arranger and composer of music for the band, will be guest conductor for the All-State Band. Host director for the band festival is Franklin B. Hege, acting head of the Music department of the State College area joint schools.

For the approximately 75 directors here for the festival, the Concert Blue Band will present a music workshop at 3:15 p.m. today in 117 Carnegie. The band will play the 12 selections chosen for next year's festival to acquaint the directors with each, and James W. Dunlop, associate professor of music education, will comment on the musical techniques used. The session is not open to the public.

### Eight to Judge Talent Entries

Eight members of the Penn State Club have been named to the auditions committee to judge entries for the All-College Talent Show to be presented Feb. 20 in Schwab Auditorium.

Peter Lansbury, chairman, appointed George Cowdright, Walter Kowalik, Peter Betley, Jack Hughes, Richard Lyon, Wilmer Kressman, John Matkosky, and Alvin Goodman.

Students interested in participating in the talent show may sign up before noon tomorrow at the Student Union desk in Old Main.

Times will be given for auditions, which will be held from 1 to 5 p.m. tomorrow and Sunday in the Little Theater, basement of Old Main. All kinds of acts, as well as a master of ceremonies, will be selected.

### Six Students Withdraw

Six students have withdrawn from the College, according to the Feb. 6 Faculty Bulletin.

Four withdrew for personal reasons, and two were called into military service. The total includes two students attending the Mont Alto forestry center.

GUEST CONDUCTOR Paul Yoder, arranger and composer of band music, directs the 185 high school musicians comprising the Western All-State Band as they practice for a concert in Schwab Auditorium tonight.

### Penn Professor Calls Loyalty Law Harmful

A law professor at the University of Pennsylvania has called the state loyalty law more harmful to loyal citizens than to dangerous subversives.

The professor, Clark Byse, wrote in the Pennsylvania Law Review that the loyalty act "contributes little or nothing to security, harms innocent persons of conscience, and creates an atmosphere of resentment, fear, and mistrust."

Byse listed the dismissal of teachers as one of the few "tangible results" of the legislation, referring apparently to dismissals such as that of Wendell S. MacRae, who was removed from his position at Penn State last year. MacRae was eventually reinstated after months of unemployment through the work of faculty committees and other investigating bodies.

#### Other Results

Byse wrote that three teachers, a social worker, three doctors, and a nurse were dismissed in the state because of the law.

Other tangible results of the law, Byse wrote, were a feeling of resentment on the part of many teachers and other employees and the resignation of an employee of the Philadelphia City Planning Commission. This employee signed the oath, then left his post in protest against the oath law.

#### Gives Reasons

Byse summarized these actions as evidence that "a forced loyalty oath does not contribute in any way to making public employees loyal," and added, "Loyalty can be earned, but it cannot be coerced."

Byse gave three reasons for the original passage of the law, which was presented to the state by Sen. Albert R. Pechan. The reasons are:

1. There was a faulty estimate of the subversive problem; it was merely assumed there were Communists in public employ.
2. The law was a reaction to a typically American hatred of the Communist methods; the law demonstrated this hatred.
3. "Laws are passed by the people's elected representatives and voting against 'loyalty' legislation can be misrepresented."

As an alternative to the law, Byse suggests that loyalty problems are "real, complex, and vital" and that the solution "calls for sustained thought and study."

Pechan, reached for comment in his Ford City dental office, had

### 20-cent Hike Still Must Get Trustee OK

By CHUCK OBERTANCE

Final approval of a 20-cent per semester hike in student fees to support a campus radio station was unanimously passed last night by All-College Cabinet. The fee, slated to go into effect next fall, was passed after defeat of a motion to table it.

The 20-cent assessment will be presented to the College Board of Trustees for final approval when they meet this month.

First approval of the fee was given by cabinet Jan. 15. Matters concerning student fees must be discussed and then passed by a two-thirds majority of two consecutive cabinet meetings.

#### College May Match Students

Originally the fee was to have been 15 cents per student, supplying one half the necessary \$6000 for radio station operation. It was indicated the College would provide the remaining \$3000. However, an amendment increasing the fee five cents to aid in station expansion was passed at the last meeting. With the 20 cent fee, students would provide a total of \$4000.

College officials have indicated that if funds were available, the College would match student contributions. The College will also supply room and facilities for a transmitter, studios, and heat and lighting.

#### Favor Town Expansion

Whether to earmark the \$1000 to be raised as a result of the five cent increase specifically for expansion of the station facilities or development of receiver units in the downtown units was discussed. Emory Richardson, chairman of the President's radio committee, suggested the money be used to get more equipment for the studio and to facilitate transmission. He added that the fund should be used for a reserve over the \$3000 operating budget since the budget was so closely set. What was left over, he said, would be used for downtown development. However, the motion passed stated the money obtained from the five cent increase should be used primarily for expansion of radio facilities in the downtown area. What money left would then be used for station expansion.

#### RILW Report Made

Cabinet voted down a motion by Mineral Industries Student Council president David Fleming to table the assessment until cabinet could give it more consideration. Assistant Professor of Speech David R. Mackey urged cabinet to take immediate action because of time needed to apply for a Federal Communications Commission building permit, to run necessary tests, and to apply to the FCC for license. The delay, he said, might do considerable harm and hurt morale which has been built up over the station. William Griffith, chairman of the Religion in Life Week program, made a committee report and asked cabinet for \$200. He explained plans to have RILW discussion topics on present day

### 'Major Barbara' In 4th Weekend

Players' production of "Major Barbara," social comedy by George Bernard Shaw, will go into its fourth weekend of a six week run at 8 tonight at Center Stage.

Tickets, priced at \$1, are available for tonight and tomorrow night's performances at the Student Union desk in Old Main or at the door of the theater, Hamilton avenue west of Allen street.

### -2 Replaces W For Absentees

Changes in Regulations for Undergraduate Students, section M, abolish the grade of W for students not attending a course after the first four weeks of a semester and provide that such students be given a -2.

Rule M-4-c now stipulates that a student who registers for a course and ceases to attend class without officially dropping the course be given a grade of -2 and be liable to discipline.

Under present regulations a course may be dropped during the first four weeks of a semester. Courses may be added only during the first two weeks.
