### Seniors May See New Lion Suit In Use by Spring

A new \$500 Lion suit has been ordered from Chenko Studio, New York costumers, Harold R. Gilbert, graduate manager of athletics, announced yesterday.

If the new suit is received before the close of the winter sports season, the Lion, may perform at a basketball game or wrestling match so seniors who contributed to the new suit may see it, Gilbert said.

In a letter to Gilbert, Chenko guaranteed that the new suit would be a better, stronger job. In order to produce a true Nittany Lion, Chenko read in the New York Library about mountain lions and visited the lions' cages at a New York zoo.

Contributions amounting to \$599.26 were collected for the suit this fall in a fund drive initiated by Alex Gregal, who portrayed the Lion this fall. In October All-College Cabinet established a permanent fund from which money for a new suit may be taken whenever needed.

### State Party Will Abandon Steering Group

State Party is abandoning its steering committee, according to Myron Enelow, clique chairman. Enelow said the party is establishing a student representative council to take the place of the dropped steering committee. The council will represent "all areas and every dorm."

Members of the council will be comprised of area political heads and political heads of each dormitory or similar unit. The new political heads will compare roughly with the present setup of local chairmen for publicity and distribution.

Enelow said the change was being made to provide students with a greater opportunity to run the party. He said the students are capable of running the party and are being given the opportunity in compliance with their wishes.
