VOL. 53, No. 88

STATE COLLEGE, PA., THURSDAY MORNING, FEBRUARY 19, 1953

FIVE CENTS

Student Fees Due Today, Tomorrow

Student fees for the spring semester will be collected from 9 a.m. to 4 p.m. today and tomorrow in the basement of Willard Hall. Payment of fees will complete spring semester registration.

David C. Hogan, bursar, has announced that each student's fees will be posted by matriculation number in the basement of Willard Hall directly opposite the cashiers' windows. Hogan suggests that students check the exact amount of their fees and then write their checks before getting into one of the seven alphabetical lines. By doing this, students will save time for themselves and the administration, Hogan said. All checks are to be made payable to the Pennsylvania State College.

Debate Teams To Participate In Tournament

Four debate teams will leave the College this morning to participate in the Pennsylvania State Tournament being held today through Saturday at Lehigh University.

Nancy Silverman and Susan Holtzinger will comprise an affirmative women's squad. On the negative women's team are Sally Lowry and Mary Jane Kelley.

The men's squad will be represented by Ivan Sinclair and Nick Stamateris debating affirmatively and Richard Kirschner and Thomas K. White upholding the negative.

Both the men's and women's squads will debate the national intercollegiate topic, Resolved: That the Congress of the United States should enact a fair employment practices law.

Miss Kelly and David Swanson, winner of the men's intrasquad oratory trials, will enter the state contest in oration.

Miss Holtzinger and Sinclair will participate in the state extemporaneous speaking contests.

About 30 colleges from all over the state will compete in the annual tournament.

Carter to Talk At Next Forum

Pulitzer Prize winner Hodding Carter will speak at the next Community Forum program, 8 p.m. Monday in Schwab Auditorium.

Known as "the South's fighting editor," Carter will discuss the topic, "A Southerner Looks at the Race Problem."

Carter gained fame as a newspaper editor on the Louisiana Hammond Courier and the Mississippi Delta Democrat-Times. He has authored four books and numerous articles for the Saturday Evening Post and Reader's Digest.

Single reserved seat tickets, priced at \$1.20, will be on sale Monday until lecture time at the Student Union desk in Old Main.

Book Refunds Total \$6000 in Three Days

More than \$1900 was returned to students yesterday by the Used Book Agency at the TUB. Since Monday, almost \$6000 has been remitted.

Students may pick up money or unsold books until Friday. After this date, unsold books will become the property of the agency, Howard Giles, chairman, reported. Students must bring their book receipts with them.

Two Trustees Appointed

Appointments by Governor John S. Fine of Edgar C. Weichel, Scranton, and W. K. Ulerich, Clearfield, to the College Board of Trustees have been unanimously confirmed by the Pennsylvania Senate.

TODAY'S WEATHER

CLOUDY AND WARMER

Printed sheets giving an estimated summary of undergraduate fees have been posted in all dormitory living units. From these sheets students should be able to get a fairly accurate estimate of their fees before they get to Willard Hall, Hogan said.

Unlike registration, there is no specific time for students to pay their fees. Fees may be paid anytime between 9 a.m. and 4 p.m. today and tomorrow.

World War II veterans whose remaining entitlement is insufficient to carry them beyond the semester's mid-point will be required to pay their entire semester's fees. Those veterans who have not been certified by the Veteran's Administration will also be required to pay all fees. Hogan also reminded Korean veterans that they will be required to pay fees.

Out-of-state students will be required to add \$110 to the regular amount of their fees to cover non-resident tuition charges. Campus Chest pledges will also be added to each student's fees. Hogan emphasized that the amount of fees listed on the boards is the final amount, and all extra fees are included.

ME Seminar Today

A Mineral economics seminar will be held at 4 p.m. today in 225 Mineral Industries. Elbert F. Osborn, associate dean of the School of Mineral Industries, will speak on "Applications of Geochemical Data to Steel Plant Problems."

Address, Concert Ends RILW Program Tonight

An address by Rabbi Samuel Cook, director of the National Federation of Temple Youth, and a Hebrew-English musical program by the Chapel and Hillel choirs, will climax the Religion-In-Life Week program at 8 tonight in Schwab auditorium.

Rabbi Cook, a graduate of Haverford College, was ordained at the Hebrew Union College in Cincinnati. He has served as national vice president of Young Judea, B'Nai B'rith Hillel director at the University of Alabama, and director of religious education and assistant Rabbi of the Congregation Keneseth Israel, Philadelphia.

A member of Phi Beta Kappa, the Rabbi has traveled extensively in Europe and Israel.

The musical program, under the direction of Mrs. Willa C. Taylor, will be unusual in that it includes both Jewish and Christian elements.

The call to worship will be given by Rabbi Benjamin Kahn and the Hillel Choir, followed by "Bless Ye the Lord" by Luther Harshbarger, chaplain, and the Chapel Choir.

The Hillel Choir will also sing "Sh'ma Yisroel," "Halichah L'Keysariah (Wanderer's Prayer)," and "R'U Hevenu."

The Chapel Choir will be heard in three anthems: "O Be Joyful" (Gretchaninoff), "The Last Words of David" (Thompson), and "Turn Back, O Man" (Holst).

Committee to Seek Election Date OK

Approval by All-College Cabinet of April 22 and 23 for spring elections will be sought by the All-College elections committee, according to Ronald Thorpe, chairman.

The committee will also seek approval of dates for party clique meetings, preliminary clique nominations, final nominations, and the campaign period.

Wind Delays Construction Of Altoona TV

Altoona television station WFGB-TV probably will not go on the air Sunday morning as planned because the transmitting tower has not been erected, Jack Snyder, station manager, said yesterday.

The tower, to be located on a mountain north of the city, has not been erected because of strong winds on the mountain, Snyder said. The tower may be erected today if weather permits, he said. The job will require one full day to complete.

Tests for the station may be started tomorrow night or Saturday. Regular telecasts then will be started next week, Snyder said. Preliminary equipment tests are now being conducted.

Cable customers in the borough have been assured the new station will be received as soon as available on channel two. When under full operation, the station will operate on channel ten.

Cabinet Canceled

There will be no All-College Cabinet meeting tonight, according to John Laubach, president. The meeting was canceled to conform with a request by the Religion-in-Life Week committee that no student organization meetings be held this week.

Rabbi Samuel Cook To speak tonight

gle, and the Church" will conclude the Hamilton Hall lounge discussion periods today. A. Burns Chalmers of the American Friends Service Committee, the Rev. Harmon Gehr of Philadelphia, and Prof. Mark Ebersole of Elmira College will lead the talk from 4 to 5 p.m. in Hamilton Hall lounge.

Dormitory and fraternity fire-side discussions will continue from 5 to 7:30 tonight. Leading

(Continued on page eight)

Tentative plans call for clique meetings on March 15, 22, and 29. The committee will ask for preliminary clique nominations March 22 and final clique nominations March 29. Candidates names and party platforms will be requested to be presented to the elections committee March 30.

Thorpe said last night several changes in the fall semester election code will be sent to cabinet next Thursday. He did not reveal what those changes are.

The elections committee will also ask that the campaign period, 8 a.m. April 9 to 8 a.m. April 22, be approved by All-College Cabinet.

The All-College posts which will be filled by spring elections are president, vice president, and secretary-treasurer. Last year the State Party won the presidency with John Laubach and the vice presidency with James Plyler. Secretary-treasurer Richard Rostmeyer was the only Lion Party candidate to win one of the top three posts.

The election was unusual in two respects. First, a record-breaking 44.3 per cent of the eligible voters turned out to cast their ballots and, second, the election represented the first split in an All-College election since 1948.

Senior and junior class offices will also be open for election in the spring. Last year the State Party took all senior class offices with Theodore Kimmel winning the presidency, William O'Malley winning the vice presidency, and Margaret Hepler taking the secretary-treasurer post. Both the senior and junior class elections attracted more than 50 per cent of the eligible voters to the polls.

Lion Party was more fortunate in the junior class elections when they filled two of the three offices. The only State Party man to win a junior class post in last spring's elections is President Richard Lemery. Vice-president Robert Carruthers and Secretary-treasurer Peggy Crooks represented the Lion Party.

Other positions filled during spring elections last year were Athletic Association president and secretary-treasurer. Two wrestlers, Joseph Lemyre and Donald Frey, took the offices of president and secretary-treasurer.

Men to File Draft Forms

Eligible students who intend to take the Selective Service college qualification test in 1953 should file applications at once for the April 23 test, Selective Service national headquarters has advised.

Applications and bulletins of information may be obtained from any Selective Service local board or in the Office of the Dean of Men, 109 Old Main.

Applications for the test must be mailed not later than March 9 to the Selective Service examining section of the Educational Testing Service. Applicants will be advised when and where to report for the examination, which will be administered at the College as well as in many cities throughout the United States.

Results will be reported to each student's Selective Service board for use in considering his deferment as a student.

Walsh to Talk Tonight

Father Richard Walsh, Newman Club chaplain, will speak at 7:30 tonight at Phi Kappa. The informal talk will be open to all men from town and campus and a discussion period will follow.

Ticket Agency Awaits Final Endorsement

Delta Nu Alpha, professional transportation honorary, is still waiting for final approval from the Greyhound Bus Lines in regards to their setting up a ticket agency, John Delaney, head of the agency committee, has announced.

Delaney said the proposed agency, which will be located in a room off the West Dorm lobby, will handle tickets for the Edward's Lakes to Sea Lines and the Greyhound Bus Lines, but that neither company has definitely committed itself yet. The conditions offered by both companies were that each would join the venture if the other would.

If the agency were established it would handle both regular and round-trip tickets for regular busses and also arrange for chartered bus service. The business would not only be a convenience to students, but would provide members of the fraternity with experience in traffic sales and handling. Commission from the sales would go into the group's treasury.

Talent Show Tickets on Sale

General admission tickets for the 13th annual All-College Talent Show will be on sale until 5 p.m. tomorrow at the Student Union desk in Old Main, David Hyman, talent show business manager, announced.

Tickets are 85 cents per person. The talent show, sponsored by the Penn State Club, will begin at 8 p.m. tomorrow in Schwab Auditorium.

Dick Marsh and his band will provide music before and after the talent show and during the intermission. John Matkowsky will be the emcee, and ten acts, including singers, dancers, novelty acts, comedy routines, and instrumental groups, will be competing for the first, second, and third prizes, \$25, \$15, and \$10 respectively.

Seats will not be reserved.

Gannon to Speak Today

"Bandwidth Compression of Radar Video Signals" will be the topic of a speech by J. B. Gannon, Jr. at the Electrical Engineering Seminar at 4:10 p.m. today in 110 Electrical Engineering.

Student Excuses To Be Discussed

The Senate committee on student affairs will consider non-Infirmary illness excuses at its meeting this afternoon.

At present class excuses for illness are granted only when the student has been confined to the Infirmary.

Recently, when a large number of gripe cases overflowed the Infirmary, many students were sent to their rooms and told to remain in bed for a few days. Under the present undergraduate regulations, these students were not issued excuses but were told to tell instructors that they had been ill.
