ROBERT LICHT, president of Sigma Phi Epsilon, presents a loving cup to Nancy Moncton, eighth semester arts and letters major, who was crowned Queen of Hearts at SPE's annual pledge dance Saturday night. Miss Moncton is a member of Delta Delta Delta.

Clothing Collected In ATO's Drive

As their annual Help Week project, Alpha Tau Omega recently collected a total of 300 pounds of used clothing for the Women's Club sale held each Thursday in the rummage room in the old Frazier street school building.

The collected used clothing will be sold at low cost, and the proceeds will go to the Welfare Fund and similar projects. Members of the fraternity collected over 50 boxes of clothing Feb. 11, in spite of ice and heavy sleet. To date they have collected roughly 70 boxes.

ATO began this year's Help Week project Feb. 8. The Centre Daily Times and the Daily Collegian ran articles about Help Week, and WMAJ broadcasted publicity for the project.

Help Week, sponsored by the fraternity every year at the beginning of the second semester, was originated by the ATO chapter at the University of Indiana three years ago.

Its basic purpose was to put the pledge initiation to use as a community service project and to supplant the former Hell Week hazing. Both pledges and fraternity brothers assist in Help Week. Eighty chapters now sponsor Help Week programs.

The project has received publicity on "We The People" and in the Reader's Digest.

Last year fraternity brothers worked at the Bellefonte County Home, painting the kitchen and serving room and rearranging the stockroom and storeroom. The fraternity plans to expand the

Help Week project next year, extending actual work to three days, house President Thomas Barrett said.

Used clothing is still being accepted by the fraternity for the rummage sale.

Trabue to Head Education Group

Dr. Marion R. Trabue, dean of the School of Education, has been named president of the American Association of Colleges for Teacher Education, which claims "it is the right and obligation of legally empowered local boards of education and trustees" to deal with probes of schools and school personnel.

The group labeled as "unfit for teaching responsibilities" any person who is proved to be a member of the Communist party. Representatives from 263 colleges and universities attended the meeting and drew up a resolution outlining the major functions of education institutions.

Rushee Transcripts Requested by Wandel

Women who are informally rushing sororities are requested to bring transcripts to the Dean of Women's office, Ellen Wandel, Panhellenic Council president, announced yesterday.

Miss Wandel said bids from sororities are being held in the office until fall semester grades come in. Rushees may get the bids nearly a week sooner by bringing in transcripts.

Bridge Players To Compete In Tournament

Bridge players entering the 1953 National Intercollegiate Bridge Tournament will compete tomorrow at the TUB to determine the four who will enter the national contest, according to Dr. Henry G. Barone, associate professor of mathematics and director of the tourney at the College.

The College will be one of 110 colleges and universities competing. Both men and women may participate.

National competition will be conducted through the mail. The winning students at the TUB tomorrow will play hands that have been prepared and mailed to them. Dr. Geoffrey Mott-Smith, a leading authority on contract bridge, will score hands after they have been returned.

Campus, regional, and national winners will be announced in March after Mott-Smith has determined them. The national winners, both the East-West and North-South teams, will be awarded cups to be held for one year. Each of the four individual winners will be awarded a smaller permanent cup.

Each college competing in the tournament will be presented a plaque bearing the names of the four individual winners from that campus. In addition, each of these winners will receive a certificate.

House to Discuss New Hat Society

Membership proposals for the constitution of the new senior women's hat society will be presented to dormitory units this week, Barbara Werts, president of the Women's Student Government Association House of Representatives, announced.

One proposal states that the membership of the society will include only senior women who have not previously been recognized by a hat society. The alternative limits the selection of former hatwomen to half the number of women tapped.

Dormitory units will be asked to vote this week on the proposal preferred. The women's opinions will be considered by Hat Society Council in the drafting of the new constitution.

West Dorm Dance

Lynn Christy and his orchestra will play at a dance from 9 to midnight tonight in the West Dorm lounge. No admission fee will be charged.
