

Grid Clinic on May 2

A one-day football clinic will close out Penn State's spring practice drills, May 2.

E. B. McCoy, dean of the School of Physical Education and Athletics, said the clinic will be open to high school coaches, players, and officials. There will be no registration fee.

Two sessions have been planned, the first from 9:30 a.m. until noon. A scrimmage between the Blues and the Whites will mark the afternoon session, starting at 2 p.m.

"We'll hold a 'skull' session between halves and again at the end of the scrimmage," Lion Coach Rip Engle said. "There'll be every opportunity for coaches to discuss what they see in the scrimmage."

Assisting Engle at the one-day clinic will be his entire staff, plus the team trainer, Charles "Chuck" Medlar, and accredited officials. The clinic will be an annual affair hereafter.

Michigan Tops Lion Trackmen In Indoor Final

By DICK McDOWELL

Chick Werner's indoor track squad closed its eight-meet season Saturday, finishing second to powerful University of Michigan in a triangular meet with the Wolverines and Ohio State at Ann Arbor, Mich.

The Wernermen collected 35 team points while the mighty Wolverines, Big Ten favorites this season, amassed a total of 81 points, taking first place in nine of 12 events run. Ohio State was third with 23.

Leading the Lion's 16-man squad were Ollie Sax and Don Austin. Sax whipped Michigan's Jack Carroll in the 440 yard run, and Austin, with a bursting finish, captured the 880. The Lions also took four second places, one third, and four fourth places.

Austin Drives at Tape
Sax's win was his third this year, and his first in the quarter mile. The sophomore swiftie broke on top at the start and led all the way, although he had to fight off Carroll, a Canadian Olympic performer last summer. Sax's time was 49.6.

Austin, who has only been running for a few months, took the lead at the half-way mark of the 880 and held it going into the stretch. Michigan's Bob Christianson overhauled him near the finish line. However, Austin drove into the lead as the two hit the tape. His time for the half mile was 1:56.3.

Rosey Grier, Werner's giant shot put specialist, finished second to Michigan's Carl Neilson. Neilson, another 1952 Olympic performer, put the shot 53-1/2, while Grier's best was 50-10/16.

Hollen Runs Second
The Lions' other second place finisher was Bill Youkers. Youkers finished second in the 65 yard high hurdles behind Michigan's speedy Bob Van Brunner. Youkers also finished third in the 65 yard low hurdles. On the high hurdles, the Smethport swiftie was clocked at 8.3 seconds, and on the low hurdles, 7.8. Gary Seybert finished fourth for the Lions in both events.

Red Hollen ran a 9:24.3 two mile for the Nittanians, but it wasn't quite fast enough. The durable red-head finished second behind the Wolverines' Frank Lynch, who was clocked at 9:24 even.

IC4A champs Jim Herb and Dan Lorch took back seats in their events. In the pole vault, Lorch finished second to Big Ten champion Frank Welbourne. Welbourne topped the bar at 13-4, while Lorch was hitting 13. Herb finished third in the high jump, leaping 6-2.

Werner's mile relay team, in the final event of the meet, finished second to the Michigan foursome. With Ron Younkings, Dave Leath-

em, Skip Slocum, and Sax passing the baton, the Lions were clocked at 3:35.3.

In the mile run, Bob Gehman was timed at 4:24.5, good enough however, for only a fourth place finish. Other fourth place finishers for the Lions were Bob Roessler in the 880 (1:57.5) and Leathem in the 440 (52.2).

Cavaliers Jolt Lion Hopes For First Boxing Victory

Virginia University rudely dispelled Penn State boxing hopes for victory number one with a 4 1/2-3 1/2 verdict over the Lions Saturday in Charlottesville, Va. It was State's fifth straight loss.

Although not exactly favorites to beat the Cavaliers, State figured a good chance on

16 Handball Games Won In IM Play

Sixteen more matches have been decided in the intramural handball competition—six independent sets and ten fraternity.

Independent action is not based on the single elimination basis. There are two leagues in the independent setup, with five men in each. Members of each league play all the men in their league. The league winners will compete in the championship match.

In the independent action the first three-game set of the year was played. All other intramural matches prior to this one had been decided in two games. Doyle was the winner of this full-length duel, nipping Miller, 21-10 8-21, and 21-19.

Kline, Stetler Win

Nemesh halted Doyle, 21-4 and 21-6, while Wheeler tripped Green, 21-1 and 21-13. In other independent battles Sepkowski dumped Sorokach 21-12 and 21-6; Miller stopped Green, 21-4 and 21-3; and Thorn-ton won by forfeit from Schweider.

In flight 1 of the fraternity handball competition Huber Kline, Beta Theta Pi, swamped Russell Provenzano, Delta Sigma Phi, 21-2 and 21-3. Raymond Stetler, Sigma Chi, nudged Elmer Fuller, Tau Phi Delta, 21-14 and 21-16. Peter Huey, Phi Delta Theta, whipped Kirby Stanat, Delta Tau Delta, twice by the score of 21-6.

Flight 6 Competition

John Charlton, Sigma Pi, upended Thomas Ceraso, Delta Chi, 21-17 and 21-18. In further flight 5 action, Cy Dubinsky, Delta Upsilon, tripped William Wismer, Sigma Alpha Epsilon, 21-3 and 21-18. Phi Epsilon Pi's Morton Avrich won from Phi Sigma Delta's Michael Meckley, 21-0 and 21-4. David Simon, Kappa Delta Rho, defeated Robert Buchwald, Pi Kappa Phi, 21-14 and 21-14.

In flight 6 competition only two contests have been recorded so far. Stanley Dore, Alpha Tau Omega, was decisoned by Tau Phi Delta's Joseph Strasser, 21-2 and 21-1. Fred Ernest, Delta Tau Delta, slipped past Ronald Leshner, Phi Sigma Kappa, 21-9 and 21-2.

Fraternity handball is conducted on a single elimination basis, that is, as soon as a player loses a set of games, he is eliminated from further competition.

Track Managership

Candidates for assistant managership of track are asked to report to Chick Werner or Norm Gordon after 4 p.m. today at Rec Hall.

comparative records against Syracuse. The EIBA champs just edged State, but walloped the Cavaliers.

Thus, the Lion mittmen have one more opportunity for victory before the Eastern championships March 13-14 in Syracuse. Their chance finds Army's rough slug-gers the opposition Saturday in Rec Hall.

Once again the story of the Nittany loss lay in the inability of the newcomers—except Bill Andresevic—to cope with the superior experience of the Virginians.

As a result veterans Adam Kois, Tony Flore, and Sammy Marino again bore the brunt to gain the Nittany points along with Andre-sevic.

Kois (176) continued to show his supremacy of the Eastern roost by scoring his third straight victory against EIBA competition and his fourth win of the year. Kois, unbeaten and only drawn once, had one of his toughest matches before licking Bill Roberts, 29-28.

Flore continued unbeaten with his easiest victory of the season—a forfeit win in the 139 pound class when his opponent showed up with a badly banged nose before the fight.

Coach Eddie Sulkowski reported heavyweight Andresevic to have "looked very good" as he stopped Glover Garner in 23 seconds of the first round. Shortly after the bell the Nittany heavy slugged Garner down and as soon as his foe got up thumped him again. It was the first Penn State TKO triumph of the season.

Two penalty points scored against Marino cost the Nittany captain the decision over Virginia Bill Banerdt. As it was, Marino got off with a 29-29 draw and a one-half point in the team scoring.

Otherwise inexperience gave Virginia all the shouting. In the 147 class, Grice Whitely halted Nittany Steve Melmeck in 43 seconds of the second round. Virginia's unbeaten 156 pounder and contender for the EIBA title stopped Lion Hank Arnold at 1:13 of the second round. Sulkowski said Hank looked good until he tried to swap punches with the heavy-hitting Potter who hung up his sixth win.

Virginia's Sonny Nichols (165) spoiled Dick Ahern's varsity debut with a 1:50, first-period victory. The Cavaliers picked up their fourth victory at the expense of Nittany Sam Butler who lost to Bob Rush, 30-25.

Sports Briefs

Indiana 1st in AP

NEW YORK, March 2 (AP)—Indiana's Big 10 champions replaced Seton Hall as the Nation's No. 1 basketball team this week in the Associated Press poll of sports writers and broadcasters.

After shadowing the Pirates in second place for six straight weeks the Hoosiers finally made it to the top on the strength of their conference championship plus the first loss of the year for Seton Hall.

The South Orange, N.J., club, riding a 27 games winning streak until it fell, 71-65, to the lightly regarded University of Dayton last night, skidded down to third place—one point beneath LaSalle.

Bevo 'Came, Saw ...'

NEW YORK, March 2 (AP)—After seeing his first game of professional basketball, Clarence Bevo Francis, the high-scoring freshman from little Rio Grande College, figures he'll be able to play with the big boys when he leaves college.

Bevo turned at the weekly luncheon of the Metropolitan Basketball Writers Association today and had this to say:

"The big difference I noticed between pro and college basketball was the roughness. I think in three more years I'll have enough experience to hold my own with the pros. I'll need more weight, though. I weigh 195 and I believe weight counts the way the pros play under the basket."
