They will discuss the duties involved in camp jobs, living and working conditions, general salary range, educational and social benefits, and how and where to apply.

Following the talks, a question period will be held. The seminar is open to the public.

Eleven hundred camp jobs at 200 camps in 14 states are listed at the camp and resort division of the Student Employment Office in 112 Old Main. Camp salaries range from \$150 to \$300 plus room and board for an eight week season.
