

NCAA Enters Semi-finals

Lions, Sooners Deadlock With 3 Team Points Each

By SAM PROCOPIO

With Penn State and Oklahoma, defending champions, each entering four men into the semi-finals last night in Rec Hall, and both scoring three team points for falls, they showed that the record field of 167 entries from 57 colleges would have to battle the two winningest colleges in the country for national and individual honors.

The semi-finals and finals will be held at 2 and 8 p.m. today.

Coach Charlie Speidel's four matmen entered into the semi-finals are Dick and Joe Lemyre, 130 and 167-pounders, Don Frey, 147-pounder, and Hud Samson, 191-pounder.

Joe Lemyre defeated Carl Wood of Oklahoma, 9-2, while Samson decisively Mel Waldon, of Iowa State, 6-1.

Hours Set For Easter Vacation

Students have already started the annual Spring exodus from the campus, but there will be no vacation for most employees of the College.

Classes end 11:50 a.m. Wednesday, and are resumed 1:10 p.m. April 8.

Men and women's living units will close 5 p.m. Wednesday and will reopen noon April 7. Lunch on Wednesday will be the last meal served in the College dining halls before vacation, and breakfast April 8, the first meal served after spring recess ends.

Part-time employment is available for students staying in State College over the vacation. Students must register with the Student Employment Service office, 112 Old Main, to be eligible for part-time jobs, according to Jack Huber, director.

The Student Dry Cleaning Agency in the Pollock Union Building and Hamilton Hall will close 8 p.m. Tuesday and reopen 7:30 a.m. April 9. Clothing may be left over vacation to be cleaned or laundered.

College offices will keep regular hours during the recess. These are 8 a.m. to noon, and 1:30 to 5 p.m. on weekdays. Saturdays the offices are open 8 a.m. to noon.

Pattee Library will be open from 7:50 a.m. to 5 p.m. Wednesday; 9 a.m. to 5 p.m. Thursday and Friday; and 9 a.m. to noon Saturday. The library will be closed April 5. April 6 and 7 hours are 9 a.m. to 5 p.m. On April 8, when classes are resumed, the library will observe regular 9 a.m. to 10 p.m. hours.

Glenn Clarifies Excuse Issue

Provisions have not been made to give official excuses to students confined to bed in their living units by College health officials when the Infirmary is overcrowded, Dr. Herbert R. Glenn, director of the College Health Service, announced yesterday.

Glenn made this statement after an announcement was made Thursday at a junior class meeting stating excuses were available to these special cases. The statement was made without authority, Glenn said, and to his knowledge, the Senate has not acted on the situation. Action, he added, will probably be taken at the April 9 Senate meeting.

The statement was made by junior class president Richard Lemyre. He could not be contacted last night for the source of his information. Other class officers had no additional information.

Sunday Edition To Be Published

Results of the National Collegiate Athletic Association tournaments being held this weekend will be published in a special four-page issue of the Daily Collegian tomorrow morning.

The edition will include outcomes of the wrestling and gymnastics NCAA meets as well as local and Associated Press news. Important notices may be printed if received in the Gazette box at the Collegian office before 2 p.m. today. Papers will be distributed at regular points with the exception of the Student Union desk in Old Main.

Starting the Lions off in the quarter finals was Bill Cramp, 115-pounder, who was pinned by Bob Christensen, Northwestern, in 5:01. With practically little wrestling in the initial period, Christensen gained an early reversal in the second period. Securing a figure four hold, the Northwestern matman then put the pressure on State's 115-pounder for a fall.

Dick Lemyre, Penn State's 130-pound crowd pleaser, had the fans holding on when he appeared caught in his own trap. As usual, however, "Dandy Dick" gained control of Jim Howard, Ithaca, a Four-I champion. In the second period there was a change of reversals, with Lemyre getting the first. Howard escaped. In the closing seconds of the bout, Howard reversed Lemyre but then like a champion, Lemyre reversed Howard for a 6-5 triumph.

Tabbed as the "137-pound championship match," Len DeAugustino, Lock Haven, decisioned Jerry Maurey, 4-2. The fast and always moving DeAugustino was taken down by Maurey late in the first period, but after wrestling from the referee's position the Lock Haven standout escaped. He escaped again in the next period to tie Maurey in the scoring department. However, DeAugustino's riding time in the second period was telling.

Chapel Choir Will Give Two Easter Services

The Chapel Choir will observe the Easter season with two worship services in Schwab Auditorium tomorrow. The first is scheduled for 10:55 a.m., the regular Chapel hour. The program will be repeated at a Vesper service at 3 p.m.

Also, George Ceiga, College organist and assistant professor of music, will play "Lift Up Your Hearts, O Ye Gates" (Flor Peeters), "Alleluia" (Dubois), and the prelude, "Christ Lay in Death's Dark Prison" (Bach).

The faculty of the School of Physical Education and Athletics will meet at 7 p.m. Monday in 228 Sparks.

Atomic Reactor Will Provide New Courses

The new nuclear reactor to be constructed at the College in conjunction with the Atomic Energy Commission will provide elective courses to engineers in fields now offered, Eric A. Walker, dean of the School of Engineering, stated in the March issue of the Penn State Engineer.

A new course in nuclear engineering will not be offered, Dean Walker said, but research will be sponsored. There still remains a great deal of research to be done in this field, he added, especially in the design of nuclear shields and the discovery of materials which have advantageous properties in the presence of nuclear radiation.

Engineers will be needed, he said, to design atomic devices when the government releases this source of energy for public use.

The nuclear reactor at the College, he added, will be a source of isotopes for the many fields of research, and will provide a valuable tool for studying the effects of the nuclear stream on other elements.

Prexy Plans to Make South American Tour

President Milton S. Eisenhower will soon tour South America as the personal emissary of his brother, President Dwight D. Eisenhower, according to a report from the United Press yesterday.

Dr. Eisenhower could not be reached for a comment on the proposed trip yesterday. President Dwight Eisenhower told his press conference last week he believed it better to send emissaries than to try to visit the other American republics personally.

Candidates must have an All-College average of 1.0 and must be in an even semester, fourth or sixth. Candidates for All-College offices must have two remaining undergraduate semesters, according to the election code.

Lion Party last week nominated Robert Carruthers for the All-College presidential candidacy—the only nomination made by Lion Party for an All-College office.

Name 2 for Senior Posts
State Party has nominated Richard Lemyre for All-College president, William Shifflett for All-College vice president, and Temple Reynolds for All-College secretary-treasurer.

Lion Party has nominated two for senior class posts. They are Richard Crafton for president, and Fury Feraco for vice president. State Party has nominated six for senior class posts. They are Henry Windsor for president; Warren Haffner, Charles Gibbs, and Walter Back for vice president; and Marilyn Porter and Carolyn Pelczar for secretary-treasurer.

State Nominates Six
Nominees of the Lion Party for junior class posts are Joseph Barnett for president and Ross Clark for vice president.

Nominees of the State Party for junior class offices are George F. Wright and Barry Kay for president; Benjamin Sinclair for vice president; and Muriel Henderson, Joan Shierson, and Marie Wagner for secretary-treasurer. Nomination speeches will be made at both meetings.

By an agreement between both parties, nominations for All-College president, secretary-treasurer, senior class vice president, and junior class president and secretary-treasurer should be limited to fraternity men. Nominations for All-College vice president, senior class president and secretary-treasurer, and junior class vice president should be limited to independents.

DICK LEMYRE SQUINTS as he prepares to reverse Ithaca's James Howard. Dick kept the Lions' hopes alive as he squeaked out a 6-5 decision over his 130-pound opponent. Dick

had to come from behind in a match that had Rec Hall fans on the edge of their seats. This match took place in the quarterfinals last night.

Lion, State Parties to Select Final Candidates Tomorrow

Lion and State Party final nominations and voting for candidates to run in the spring elections, April 22 and 23, will be held at 7 p.m. tomorrow.

The State Party will meet in 121 Sparks and the Lion Party in 10 Sparks. Nominations will be held for All-College and senior and junior class offices.

Parties Require Matric Cards For Meetings

Students must present matriculation cards to be admitted to the State and Lion Party clique meetings tomorrow night, according to Ronald Thorpe, elections committee chairman.

To be admitted, students must have attended at least one previous meeting. The meetings tomorrow night will be one of the two necessary to vote on the final party nominations.

Thorpe said that four tables will be set up outside 10 and 121 Sparks to check the names of students against a list compiled of those who have attended previous meetings. Each of the four tables will have a different alphabetical section to facilitate name checking.

Students will receive a ballot and clique card at the tables. The cards will be checked at the door.

The side doors to the rooms will be locked. No one will be permitted to leave the rooms until the meetings are ended except clique officers, he said.

Thorpe said the elections committee members will arrive at Sparks between 6 and 6:30 p.m. The clique meetings start at 7 p.m.

The elections committee will meet Monday to consider party candidates, their transcripts, and party platforms.
