

Parties Will Climax 'Greek Week' Whirl

The mad whirl of another Big Weekend will come to an end tonight as houseparties climax the second annual Greek Week. Parties are open unless otherwise stated.

A space ship will be the conventional mode of travel to reach the "Inter-planetary Ball" at Alpha Chi Rho.

Seated around a realistic campfire, hobo mannequins will be on hand to greet the guests who arrive at the "Hobo Hop" at Alpha Chi Sigma.

"Spring Time Fantasy" is the theme for the semi-formal dance at Alpha Gamma Rho. The party is closed.

For those who haven't had a chance to visit the beach in sunny Florida, a beach party complete with cabannas, sand, and the ocean will set the mood at Alpha Epsilon Pi.

Decorations convenient to the setting of "Slaughter on Tenth Avenue" will be used to carry out the theme at Alpha Phi Delta.

"Wanted" pictures of the brothers of Alpha Tau Omega will be posted to depict the "Gangster" theme. Visitors may visit the court room and try the electric chair for size when the party opens at 11.

The monsoon season will be carried out in true style at Alpha Zeta's "April Showers" party. Appropriate decorations will complete the motif.

Acacia will hold its annual formal "Sweetheart Dance." During the evening a Sweetheart will be chosen by the chaperones. She and two runnersup will be presented engraved loving cups.

Party goers will enter the "Island of Desire" party at Alpha Sigma Phi via a gangplank. On the lawn a beach scene with palm trees will set the stage for the festivities inside.

Dragons and a Buddha Doll will be used to depict the "Opium Den" theme at Beta Sigma Rho. Beta Theta Pi will hold its annual "Beta Hacienda," a formal dinner dance. Large sombreros will be used to carry out the Spanish fantasy. The party will be open at 8.

Chi Phi will also hold its annual formal dinner-dance. The party will be open at 8 p.m.

Dudes will be off duty at Delta Chi's "Ranch Dance." A 28-foot cowboy complete with bow legs will be erected over the door, and guests will enter through his bow legs. The party is closed.

All dreams will come true for the night at the "Suppressed Desires" party at Phi Epsilon Pi, where guests will dress in the costume illustrating their unaccomplished desires in life. Abstract paintings will be used as decorations.

Grass skirts made by the brothers will be worn by their dates at Phi Gamma Delta's annual "Fiji Island Dance." Tom-toms and grass huts will complete the South Sea island fantasy.

Murals depicting life on a French water front will be used to carry out the theme at Phi Kappa Psi. Guests will enter the "French Water Front" party by way of a gangplank constructed over the door sill. The party is closed.

A joint "Bacchanal" party will be held by Phi Kappa Sigma and Sigma Alpha Epsilon at the former's house. To carry out the Greek customs, guests will wear togas and eat dinner seated on the floor.

Phi Kappa Tau will hold a "Milkman's Matinee" complete with a make-believe cow who will make herself at home in the liv-

ing room. The party will include a jazz concert.

All gangsters and their molls who attend Phi Sigma Delta's "Gangster" party are asked to check their guns and other deadly weapons at the door. To carry out the theme, guests will find a Hall of Shame, a Den of Iniquity, and a Poolroom Deluxe.

The "Dream Girl" of Phi Kappa Alpha will be chosen at the annual formal dinner-dance at the Nittany Lion Inn. She will be presented with an engraved loving cup.

James Spangler, president of Pi Kappa Phi, will crown the rose queen elected by the brothers at their "Rose Ball." She will be presented with a crown of roses and a cup. The formal affair will be closed until 11.

In keeping with the theme, the guests will dress like inmates at Sigma Alpha Mu's "Sigma Alcatraz." A cell door will be erected outside the house, which party-hoppers may enter when the party opens at 9.

The distorted face of a monster from the "House of Horrors" at Sigma Chi will be erected over the door. Guests will enter the door through the mouth of the creature. Inside, a Frankenstein's head and other weird creatures will be enveloped in gaseous vapor.

Lil' Abner and all his relations from Dogpatch will be found at Sigma Pi's "Dogpatch Party."

A French dictionary will come in handy at Sigma Phi Epsilon's "French Apache" party, where French slogans will be posted on the walls. The living room will be transformed into a French cafe for the evening. The party will be open at 10.
