Appointed officers installed were Nancy Lusk, senior adviser; Martha Rojohn, publicity chairman and Mildred McCowan, club president chairman.

No Vote Taken

Senate discussed the proposed Interschool Council Board fee consolidation plan, and in general opposed it. Members said they believed fees would not be standardized as a result of the consolidation, and there is little real need for the additional 25 cent per semester fee asked for the student councils.

Although discussion was generally against the suggested Recreation Hall seating plan, the group did not instruct Joan Hutchon, president, to vote for or against the proposal. Miss Hutchon explained that additional information may be presented to All-College Cabinet tonight.
