## College Announces Exam Week Hours

By MIKE FEINSILBER

Exam week and summer session hours have been announced by departments and services of the College.

Classes end at 11:50 a.m. today, and final exams begin at 1:30 p.m. Finals will continue to June 3. No final exams will be given Memorial Day, May 30.

Dormitory contracts require students to vacate dormitories within 24 hours of their last final exam. Graduating seniors may remain in dorms until 5 p.m. June 4, Commencement day.

## Senior Caps, Gowns Available June 2

Graduating seniors may pick up caps and gowns June 2, 3 and 4 at the Athletic Store.

They will each receive three tickets to graduation exercises at the same time at the Athletic Store. Seniors graduating in military uniform will get tickets from their Reserve Officers' Training Corps department.

Caps and gowns should be returned to the Athletic Store immediately after graduation exercises in the boxes in which they are issued.

During final exam week, dining hall hours will be changed. Breakfast will be served from 7:20 a.m. to 8:15. Lunch will be served women 12:10 to 12:30 p.m., and to men 11:30 a.m. to 12:45 p.m. Dinner will be served women at 5:45 p.m. and to men from 5 to 6:15 p.m. Dining hall hours will follow the regular schedule.

**Blue Band Concert**  
The last meal served in the dormitories will be lunch on June 4.

The Penn State Concert Blue Band will present its final concert of the season at 3 p.m. tomorrow on the steps of Pattee Library.

This is the final Daily Collegian of this semester. Publication will be resumed Sept. 13.

During the summer the Student Employment Office will be open to furnish summer session students with part-time employment.

The College Placement Service will be open all summer for the service of alumni and graduating seniors.

**TUB to be Open**  
Both the College Infirmary and the Dispensary will be open during the summer.

The Temporary Union Building will be open. Several social events will take place in the TUB during summer sessions.

Student Union desks in Old Main and the West Dormitories will be staffed for the assistance of summer sessions students.

Applications for tickets for the Penn State-University of Pennsylvania football game on Oct. 3 will be available at the ticket office in Old Main from Wednesday to June 4. ## Ex-Law Dean to Present Commencement Speech June 4 on Beaver Field

Dr. Clarence E. Manion, former dean of the College of Law at the University of Notre Dame, will deliver the address at College commencement exercises scheduled for 10:30 a.m. June 4 on Beaver Field.

In case of rain, exercises will be transferred into Recreation Hall and divided into two sections; one at 10:30 a.m. and the other at 2 p.m.

If commencement is held on Beaver Field, candidates for degrees will assemble at 9:45 a.m. in columns of twos at indicated spots about the library. The procession will begin at 10 a.m. There will be no recessional except for the President's party and faculty.

**Rain Will Change Program**

Seats will not be reserved, except for graduates, and no tickets are required for admission because of the large capacity of the stadium. Candidates for commissions in the Armed Forces will graduate in a body and candidates for advanced degrees will graduate with the school in which they are doing their work.

If rain forces ceremonies inside, graduates will be split into two groups with the Schools of Education, Home Economics, Liberal Arts, and Physical Education graduating at 10:30 a.m. and the Schools of Agriculture, Chemistry and Physics, Engineering and Mineral Industries at 2 p.m. Complete details for both alternative exercises have been distributed or are available to all degree candidates.

**Tickets Needed If Inside**  
Announcement of the indoor exercises will be made early on the morning of commencement over radio station WMAJ.

Tickets will be required for all guests if ceremonies are held inside. Three tickets will be given to each degree candidate. Students, except those receiving commissions in the Armed Forces, will receive them when they pick up caps and gowns. Others may pick up tickets at ROTC branch offices.

Dr. Manion, the speaker, joined the Notre Dame faculty in 1919 and remained at the institution until 1952, being named dean of the College of Law in 1941.

## Mathias, Eskey Named Co-Editors of Inking

## Cabinet Limits NSA Delegation To One Student

All-College Cabinet voted Thursday night to limit the College's delegation to the regional convention of the National Student Association to one student, and to continue membership in the NSA for one year on a trial basis.

Robert Smoot, NSA coordinator, said in presenting the report for former All-College Vice President James Plyler that the by-laws of the national organization require membership in the regional organization in order to be a member of the national. He said the region could not be swayed from its views by the votes of College's delegates.

Smoot said the reduction in the delegation will help cut expenses. Joe Somers, president of the Association of Independent Men, said he believed the proposal, while cutting costs, would also cut experience. Cabinet pays \$150 dues to the national and \$68 to the regional, Smoot said.

Cabinet also passed a recommendation by William O'Malley, chairman of the Senior Prom committee, that chairmen of the Senior Ball committee receive two complimentary tickets instead of the one they now receive. O'Malley said he felt chairmen should receive more recognition for their work at the prom than members of cabinet, who also receive one complimentary ticket each. The recommendation would bring the complimentary ticket total to 47 and the committee's total to 11, O'Malley said.

O'Malley also recommended the Senior Ball advertising committee chairman be a member of the Spring Week advertising committee.

O'Malley reported the prom showed a profit of approximately \$1,071.29. Included in the expenses was \$2000 for Sammy Kaye's orchestra.

Reports were made by George Bower, freshman class president, and Robert Homan, sophomore class president, who reported on the class activities and dances.

## GMC, UAW Agree On Contract Change

DETROIT, May 22 (AP)—General Motors Corp. and the CIO United Auto Workers today agreed to changes in their current five-year contract to provide pay raises and other benefits for workers across the nation.

The agreement was reached as separate strikes in four midwestern parts plants idled 135,650 workers in the automotive industry.

UAW president Walter P. Reuther said the union would press immediately for similar concessions from other manufacturers which have long-term contracts with the union.

Shortly after the GM-UAW announcement, James B. Carey, president of the CIO Electrical Workers Union, said GM and his union had reached a similar

agreement covering 40,000 GM electrical workers.

GM president Harlow H. Curtice termed the GM-UAW revisions "a practical solution to problems created by the Korean War with its resultant inflationary impact and the re-institution of government wage controls."

This is what the UAW and GM contract modifications are:

1. The annual improvement factor was raised to 5 cents an hour. The 1950 contract—a historic five-year pact—provided that hourly-rated workers should get a 4-cent hourly pay hike during each year of the contract.

2. GM granted a changeover from the "old" to the "new" Bureau of Labor Statistics price index. The UAW had declared the old index was outmoded. Under
