

Soccermen May Face Tough Card

When questioned about the Nittany's season soccer card, Coach Ken Hosterman remarked, "This could be one of the toughest schedules State has encountered during the past few years."

A quick run down of the virtual opponents of Hosterman's squad will certainly verify his statement.

The Lion's will kick the lid off the soccer season when they travel to Bucknell on Saturday, Oct. 3. The Bisons are usual visi-

Candidates for the freshman soccer squad are asked to report either today or tomorrow at the east end of the bleachers in Rec Hall. Meetings will be open at 3 p.m. by soccer coach Ken Hosterman.

tors at State for the traditional clash, but this year the scene will change to Bucknell's home field. State handed the Bisons a 10-1 setback last year.

3 Contests Away

Maryland, Army, and Colgate will be the successive away matches for the Hosterman after the Bucknell match. Maryland took a 11-0 trouncing last year when they visited State. Colgate and Army, however, proved to be competent foes. Army and State, battled to a 1-1 score, while Colgate lost by a slim 2-0 margin on the Nittany's home field. The Red Raiders of Colgate and Maryland are on the upswing stroke of improving their interest and abilities in soccer competition.

Army is always tough; the combination of these three matches being on the road, and each team's progress could be possible stumbling blocks for the Lions during the early half of the nine game chart.

Duke Blue Devils and North Carolina will be the first two home matches for the soccermen of the campaign. The Blue Devils, who lost a 4-1 match to Jeffreymen last year, are expected to be possible "toughies" because of an experienced crop of sophomores. The Tarheels lost a 7-0 encounter on their home course last year as they entered their third year of collegiate soccer competition.

State will then be on the road for a match with Navy. The Mid-dies could very easily be the toughest team from the South the Lions will meet this year.

Olympic Player

Two "big names" from the Eastern part of the State will be looking for some sweet revenge when they visit State's home field.

The Owls of Temple will be back to avenge the 1-0 shutout which was posted by the Lions last year at Temple. Jack Dunn, inside right forward, who played for the American Olympic soccer team last year at Finland, will be back to aid his teammates. The Quakers of Pennsylvania will also be out gunning for Hosterman and his team, with thoughts of the 3-2 loss handed to them last year at River Field.

Temple, always a strong soccer squad in the East, was picked last fall for the annual Soccer Bowl held in St. Louis at Busch Stadium on New Year's Day. San Francisco and State battled to a 2-2 tie in 1949 in the same celebrated game.

Tiger Walton, Pitt Great, Dies at 43

BEAVER FALLS, Pa., Sept. 22 (AP)—Frank Tiger Walton, 43, one of the greatest tackles in University of Pittsburgh history, died today at Providence Hospital after an extended illness.

Walton played with the Pitt Panthers in 1932-33. He also played professional ball with the Boston Redskins, later the Washington Redskins.

Walton's coaching career spanned many years. He was line coach for the Redskins and the Pittsburgh Steelers and also at Colgate, West Virginia and Geneva College.

Rebounding Fordham in 1953 will make its first appearance on a Penn State football field since 1946.

Cross-Country Candidates

THREE CANDIDATES for this season's cross-country squad are Lamont Smith, Jim Hammil and John Chillrud. Lion coach Chick Werner is counting on Smith to be one of the stalwarts on the team.

Baseball's Big Leagues

By Associated Press

The champion Brooklyn Dodgers closed their home season with a 5-4 victory over the Pittsburgh Pirates yesterday and tied the best home record ever made in the National League.

The triumph gave the Dodgers a mark of 60 victories and 17 defeats at Ebbets Field, matching the all-time record by the St. Louis Cardinals in 1942.

Junior Gilliam, batting for Johnny Podres, provided the winning run when, with the score tied 4-4 in the eighth inning, he hit a double, went to third on a double steal and came home on a wild throw.

Vic Janowicz, Pittsburgh catcher, threw wild to third when Gilliam and George Shuba, who had walked, pulled off the double steal.

Redlegs Win, 1-0

Rookie Fred Baczewski held his former Chicago teammates to six hits last night as the Cincinnati Redlegs edged the Cubs 1-0 in the first game of a two-night double header. Four double plays aided Baczewski in gaining his 11th victory of the season compared to three setbacks.

IM Competition Open Monday

Monday night the gun sounds the opening of intramural football competition. The fall sport will lead off a long line of IM activities run by Gene Bischoff and Dutch Sykes, IM officials.

Teams are now required to send entries to the IM office in Rec Hall. Friday at 4:30 has been set as deadline for all entries.

This year's competition will be run off in two separate divisions, one for fraternities and the other for independents. Games will be played on Beaver Field practice area.

Last year's independent champ was the Fireballs. They won the championship in a 1-0 win over the Mustangs. Alpha Phi Delta won the fraternity division and will be out to defend their laurels of last season.

Passing Wizard

Tony Rados, of Steelton, Pa., who'll co-captain the 1953 football team, last year set five new Penn State passing records—yards per game and per season, and completions per game, season and career.

Pass Snatcher

Penn State's gigantic end, Jesse Arnette, of New Rochelle, N.Y., last year cracked the former Lion high of 31 pass receptions in one season by snaring 33 passes good for 291 yards and 2 touchdowns.

Scoring King

J. L. "Pete" Mauthe, president of Youngstown Sheet & Tube Co., still owns the Penn State football season scoring record—119 points in 1912. His career total of 171 points also is a Penn State record.

'Hand' Guided Hollen To Nittany Cinders

By HERM WEISKOPF

"The Hand of Fate," should rank high on the hit parade of Chick Werner, Nittany track coach, for it was the "hand" that helped guide Red Hollen to Penn State rather than to the Michigan campus.

Red leaned back and smiled when asked why he came to State. He shook his head as he permitted the pieces of the story to fall into their places and then explained he reversed his initial decision of going to Michigan for two main reasons.

Recognized Leader

The outstanding record of Lion track teams caught his eye, he explained. The other reason was coaching, which he stated, "had to be good to produce men like the Ashenfelter brothers."

Hollen has come a long way since his early days at the College. He has established himself as one of the leading cross-country runners in the nation. In the IC4A championships last year, Hollen finished sixth. This fact shines even brighter when it is noted that only one of the five who managed to finish ahead of him is still eligible this year. That one man is Osterhout of Syracuse.

Competes in High School

Although there is plenty of time between now and the IC4A meet, the young redhead is already vicariously circling the cinders against Osterhout. And this time, he plans to win.

Cross-country is nothing new to Hollen. He competed when he attended Williamsport High School. It helps to strengthen him for track season he says, and he even admits that he enjoys cross-country a little more than spring track competition.

At present the fleet star is hoping to go to medical school. However, he won't know whether he can go until December. If he doesn't go to medical school he would like to try out for the 1956 Olympic squad, even though Uncle Sam has first priority.

Whether he winds up in the service or in medical school, he intends to keep right on running, he said. Red has set his goals high. This is only right, for he knows he can attain them and with a little more help from the "hand" Red can reach all his goals.

Hutchinson Rehired

DETROIT, Sept. 22 (AP)—Freddie Hutchinson, who guided the Detroit Tigers out of the American League cellar this year, signed a one-year contract today to manage the club again next season.

clared, "I'll vote for Baltimore regardless of what the other clubs favor."

In Chicago Veeck said report that his club's franchise would be shifted to Montreal or Toronto was "news to me."

Stick Candidates To Report Today

Candidates for the 1954 Penn State lacrosse team, including freshmen, are asked to report to 221 Rec Hall this afternoon at 4.

Equipment will be issued at that time for fall practice which will continue for several weeks.

It is stressed by Coach Nick Thiel that previous experience in the game is by no means a prerequisite for the candidates. Actually, few of Thiel's past players have played the game previous to coming to State.

Seven men from last year's team have been lost through graduation. Lettermen returning are captain Dave Arnold, midfielders George Bickelhaupt and Lou Girard and attackmen Dick Klein and Ron Youtz. The lone defenseman is Jim Hay.

Rumors Persist Browns Switch Across Border

NEW YORK, Sept. 22 (AP)—A major league baseball executive predicted today that the St. Louis Browns' franchise would be transferred to either Toronto or Montreal within the next few weeks.

The baseball official, who asked not to be identified, told the Associated Press he "understood" the American League owners favored the Browns' shift to either of the two Canadian cities over Baltimore. All three cities are currently members of the International League.

A meeting to discuss the Brownie situation is scheduled for Sunday in New York. A four-man committee met in Chicago recently with American League President Will Harridge and Bill Veeck, president of the Browns, and announced it had recommended that the Browns' franchise be moved out of St. Louis.

While it did not name a future home for the Browns, it generally was believed Veeck was headed for Baltimore. Veeck was denied permission to move his club to that city last March. He needed the support of five other clubs but received only the backing of Cleveland and Chicago.

"It's my guess the Browns will be in Toronto next year. I'd say it is a 60-40 proposition right now between Toronto and Montreal, with the odds favoring Toronto. I understand Veeck and Jack Cook of Toronto have some kind of an agreement between them."

In Washington, Clark Griffith said "it just isn't so" that he opposes the Browns moving to Baltimore. On the contrary, he de-

Hoopsters Play Tarheels

North Carolina State, an opponent only once before—in the NCAA regional play-offs at Raleigh in 1952—is a newcomer to Penn State's 1953-54 basketball schedule. The game will be played at Raleigh Dec. 19.

Cindermen In Meet

Penn State, Georgetown, and Navy will meet in a triangular cross-country meet at Annapolis, October 24. This is one of four meets on Penn State's 1953 schedule.
