Queen to Receive Crown Tonight

The 1953 Homecoming Queen will be crowned at 8 tonight at the first performance of the Thespian show "Lets Face It." Queen finalists are Nancy Hagy, seventh semester education major; Louise Justin, fifth semester pre-medical major; Juliana Fees, seventh semester education major; Jane Mason, seventh semester home economics major; and Joan Ziegler, third semester elementary education major.

The football team voted Monday night by secret ballot for their choice for the queen after each candidate was interviewed by Alex Gregal, co-chairman of the Thespian Homecoming Queen contest.

The queen and her court will be introduced to alumni Satur-

Choir to Open Concert Series

St. Paul's Cathedral Choir of London, the first English choral group to tour the United States, will open the Community Concert series at 8 p.m. Monday in Schwab Auditorium.

The purpose of the tour is to pay tribute to 28,000 American servicemen who died in Britain during World War II.

In their honor a chapel is being built at St. Paul's Cathedral on the site of the Jesus Chapel which was destroyed during the 1941 blitz.

A committee headed by Owen J. Roberts, former Supreme Court justice, has arranged for the choir's tour. The choir will travel through the United States and Canada until Nov. 25.

day at the annual alumni luncheon in Recreation Hall before the Penn State-Texas Christian game.

Campus Chest to Benefit 8 Groups

The Women's Student Government Association Christmas fund, the State College Welfare fund, and six national groups will receive benefits from the 1953-54 Campus Chest drive.

Student contributors may designate the organizations to which they wish their donations given. Undesignated funds will be distributed to the groups on the basis of a percentage system.

Student solicitations will be conducted Monday to Wednesday. The faculty solicitation drive will be held Nov. 3-5.

The WSGA Christmas fund, which will receive four per cent of undesignated donations, is used to support the Miiflin Coun-

ty Child Welfare Services, the American Women's Hospital association and the Ralph Dorn Hetzel Loan fund.

One per cent will be given to the State College Welfare fund, which supports teen-age clubs, boy and girl scout troops, the Centre County Hospital, and the Crippled Children's Society.

Five per cent of undesignated contributions will be given to the American Heart Association, the Cerebral Palsy fund of Pennsylvania, the Salvation Army, the American Red Cross, the Damon Runyon Cancer fund and the American Cancer Society.

The American Heart Association helps finance research in

heart diseases. The Cerebral Palsy fund is used for the establishment of clinics, treatment centers and educational facilities.

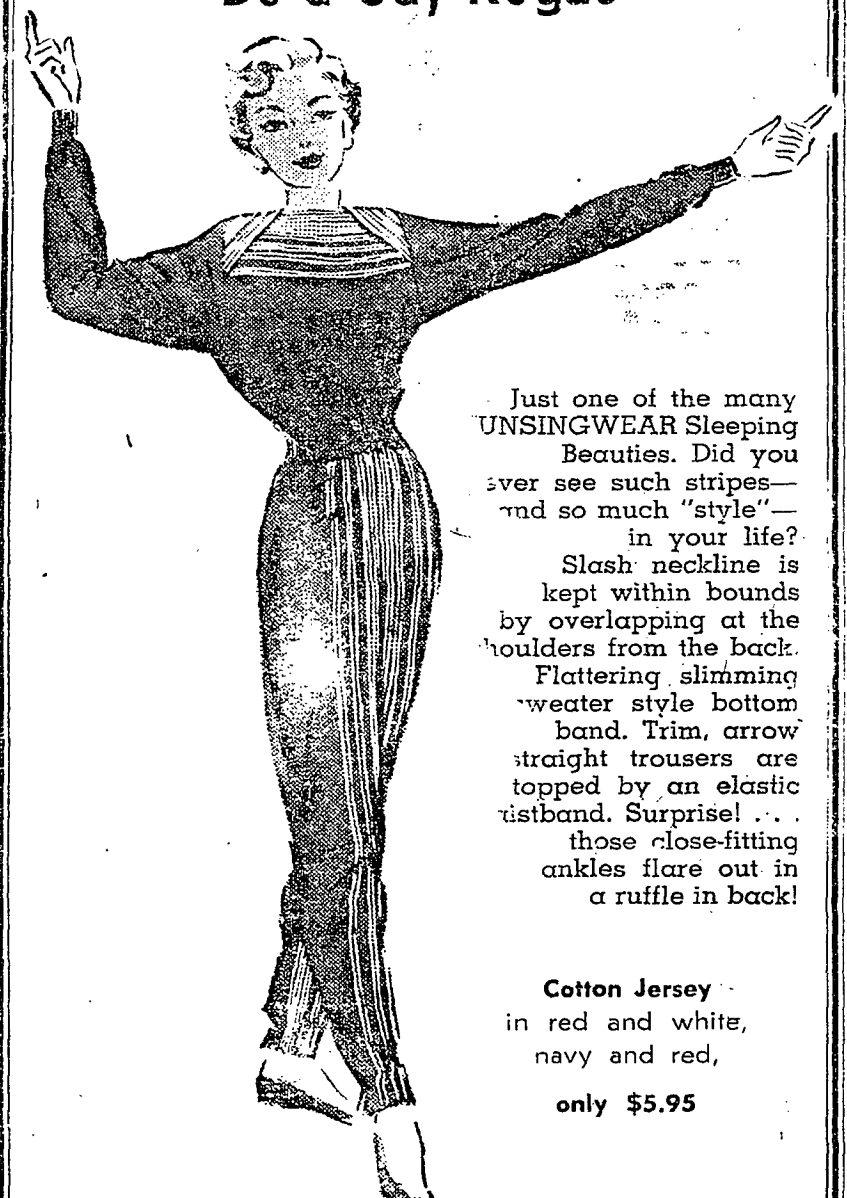

The Salvation Army fund has been used to establish rehabilitation and worship centers in 97 countries of the world.

The local American Red Cross chapter sponsors spring and fall blood drives and supports a campus Red Cross unit.

The Damon Runyon Cancer fund has been used for cancer research. It does not support clinical facilities.

The American Cancer Society sponsors a program of education, service, and research in the field of cancer.
