VOL. 54, No. 29

STATE COLLEGE, PA., TUESDAY MORNING, OCT. 27, 1953

FIVE CENTS

Councils Elect Frosh Today

Election of freshman representatives to seven school councils will continue today. All councils with the exception of the School of Agriculture and the Business are holding elections.

In the Mineral Industries school, Theodore Flint, first semester geophysics and mineralogy major, and Alfred Williams, first semester geophysics and geochemistry major, were elected freshman representatives to the student council Saturday. Elections for one sophomore, junior, and senior position on the council will close at 5 p.m. today. The ballot box is inside the main entrance of the Mineral Industries Building.

Students Fined For Disturbance In Bellefonte

Two students spent Saturday morning in the County Jail in Bellefonte after instigating a free-for-all by throwing tomatoes at a passing car Friday night.

The students, Donald Dewey, fifth semester forestry major, and Gerald France, third semester business administration major, pleaded guilty to disorderly conduct charges and paid fines and costs.

The melee took place at St. John's cemetery in Bellefonte after the Burnham-Derry-Bellefonte football game. Ray Lucas, Bellefonte, and Earl Summers, Wingate, were riding past the cemetery when their car was suddenly pelted with tomatoes.

The two stopped, found the students and entered the free-for-all. All four were arrested by Herbert Auman and Robert McMullin of the Bellefonte police department.

All pleaded guilty at a hearing. Fines and cost totaled \$16.50 each.

Radio Station Aids 2d Army

The College Amateur Radio Station participated from noon Saturday to noon Sunday in the weekend military maneuver of the Second Army known as Tobacco Leaf III.

The station, a member of the Military Affiliate Radio System, is under the direction of Gilbert L. Crossley, assistant professor of electrical engineering. It served as an interceptor station as well as a net control station.

Edward D. Crossley, seventh semester industrial arts major, did most of the actual operation. Others participating were Calvin E. Levis, instructor in engineering mechanics; Arthur F. Hogrefe, fifth semester electrical engineering major; Robert L. Kay, first semester administration major; William E. Russell, first semester physics major; and Patricia M. Webb, first semester electrical engineering major.

Prom Queen Deadline Set

Any campus organization or group of individuals may submit entries for the Junior Prom Queen contest until noon Thursday, Patricia Ellis, coronation chairman, has announced.

Pictures 5 by 7 or 8 by 10 inches may be turned in at the Student Union desk in Old Main with the name and address of each contestant and the sponsor's name on the back.

Contestants will be interviewed by a selections committee of 15 outstanding juniors starting 6:45 p.m. Thursday in the Temporary Union Building. The committee will select five finalists. Voting by members of the junior class will be held Nov. 2 to 5 at the Student Union desk.

MI Students to Meet For Group Photograph

Mineral Industries students will meet at 12:50 p.m. today in front of the MI Building for a group picture for the Mineral Industries paper, edited monthly by the MI Extension Services.

Home Ec Candidates

Today is the last day for freshmen in the Home Economics school to vote for four council representatives. Voting will be held from 8 a.m. to 5 p.m. in the lobby of the Home Economics Building.

Candidates are Helen Hoover, Sue Hill, Suzanne Scholl, Betty Wiefon, Dorothy Glading, Emily Frank, Lee Ann Leaphart, Barbara Shepman, Betty Brown, Rheda Berger and Don Genhart.

Elections will close today for four freshman representatives to the Liberal Arts Student Council. Voting will take place between 8 a.m. and 5 p.m. on the Mall outside Carnegie Hall.

Two Seats on Ed Council

Candidates for council seats are Dorothy DeMay, Cynthia Bell, Arnold Hoffman, Robert Weinberg, Nancy Swartz, Maurine Leonard, Joan Wilent, Susan Conklin, Stanford Glick and Judith Gropper.

Education Student Council will fill two freshman seats today. Voting will take place from 8 a.m. to 5 p.m. in front of Burrowes.

Evelyn Benson, Friederike Witts, Joyce Koch, Ira Wasserman, Christian Bottinger, Bob Weil, Patricia Peirce, Shirley Quann, Natalie Moskowitz, Anne Beebe, JoAnne Fulton, Doris Paschall, Carolyn Jane Davis, Mary Louise Moore, Barbara Bohl, Shirley Ann Martens, Donna Springer, Doris Epstein and Judith Hance are candidates.

Chem-Phys Candidates

Voting will continue today to fill two freshman seats on the Chem-Phys Student Council. Freshmen may cast ballots from 8 a.m. until noon and from 1 p.m. to 5 p.m. in the lobby of Osmond Laboratory.

Candidates are John Anderson, Richard Carson, Stanley Collins, James Drexler, Joseph Eberly, Donald Evans, Glenn Fiskus, Patrick Gallagher, Kenneth Gehr, Charles Harnet, William Kay, Augustus Mercurio, Adolph Seidensticker, Robert Sherioon, Charles Sterrett and Gerald Wennerstrom.

Physical Education freshmen will be elected to two seats on the Phys Ed Student Council in Phys Ed 55 classes today. Candidates for election include Ann Farrell, Lynn Leinbach, Barbara Fredrick, Ralph Cryder, Tom Egolf and Richard Boggs.

Engineering Student Council will elect one freshman representative.

State, Lion Parties Elect Clique Heads

AIM Leads Contest For 'Chest' Trophy

The Association of Independent Men is leading in the race of contributions to the Campus Chest for the trophy to be awarded to either AIM, Interfraternity Council, Panhellenic Council, or Leonides.

Approximately 200 solicitors will continue campaigning today, the second day of the drive which will end tomorrow, in an effort to secure the 100 per cent participation which is the goal of this year's campaign.

Contributions totaling about \$250 were collected by 9:30 p.m. yesterday, according to Myron Enelow, solicitations chairman.

One group within each of the above mentioned organizations will also receive a trophy. In cases where two or more groups have equal participation, the award will be made to the group with the highest average contribution per person.

Phi Sigs, Thetas in Lead

McElwain Hall is leading the women's dormitories in contributions, while Hamilton Hall has contributed the most out of the men's dormitories.

The fraternity and sorority leading those groups in contributions are Phi Sigma Kappa and Kappa Alpha Theta, respectively.

The drive is an effort to combine all fund-raising campaigns into one. Eleven groups, both local and national, will receive benefits from the drive.

Undesignated Funds

Student contributors may designate which of the organizations included in the drive that they wish to support.

Undesignated funds will be distributed to groups on the following percentage basis: Penn State Christian Association, 35; World University Service, 20; Penn State Student Scholarship fund, 10; Women's Student Government Association, Christmas fund, 4.

The State College Welfare fund, 1; American Heart Association, Cerebral Palsy of Pennsylvania, Salvation Army, and the American Red Cross, 5; and the American Cancer Society, and Damon Runyon Cancer Fund, 2.5.

Dance at TUB

The man and woman soliciting the highest participation percentage will receive tickets to the Junior Prom and corsages.

Awards to winners will be made at a dance to be held from 7 to 10 p.m. Thursday in the TUB. The trophies will be on display in the window of the Athletic Store starting today. Contributors to the drive will receive tickets to the dance at which Lynn Christy's orchestra will play.

Vandals Burn 3 Fraternity Lawn Displays

Vandals set fire to three fraternity lawn displays over the weekend causing considerable property damage.

A display at Lambda Chi Alpha was set afire early Saturday morning. The fire was discovered about 5 a.m. by a milkman on his morning rounds.

The display, which featured a tall Grecian column supported by an outstretched hand was completely destroyed. The display had won second prize in the lawn display judging Friday night.

A display at Phi Kappa Tau, across the corner from Lambda Chi Alpha, was set afire about the same time. This display was a 30 foot figure of a college student constructed of wood, chicken wire and napkins.

The fire endangered cars parked along Fairmount avenue but the danger was relieved when the figure fell away from the street and burned out.

The State College fire department was called at 11:30 p.m. Saturday to extinguish a fire in the Alpha Tau Omega lawn display. This fire sent flames leaping into the air and attracted hundreds of spectators from nearby homes and fraternities.

The fire destroyed the display. A quantity of electrical wiring and several spotlights were also destroyed in the blaze.

Ex-convict Pleads Guilty To Car Thefts, Burglary

Nevin Auman, 29-year-old ex-convict who pleaded guilty last week to stealing Lacrosse Coach Nick Thiel's car, three other cars, and for burglarizing a Spring Mills cabin, was sentenced to five to ten years yesterday.

Auman was ordered to pay costs by Judge Ivan Walker. He will spend his sentence in the Western State Penitentiary.

Reds Forced Confessions—U.S.

UNITED NATIONS, N.Y., Oct. 26 (AP)—The United States declared today that Russians directed a Communist torture center where false confessions of germ warfare were wrung from U.S. fliers in Korea—even after the armistice. The Russians entered a denial.

Dr. Charles W. Mayo, U.S. delegate, presented the charge before the UN Political Committee. Dr. Mayo said an interrogation center known as "Pak's Palace" near Pyongyang, North Korea, was staffed by Chinese and North Koreans but directed by Soviet personnel.

Treated Worse Than Animals

"Many of our fliers were interrogated there by Soviet personnel," the Minnesota surgeon said. He told of a Kansas flier who

refused to write a confession despite 1800 hours of questioning directed by Russians.

Dr. Mayo said U.S. fliers were reduced to a level lower than that of animals, and that the tortures were designed to be more terrible than medieval methods.

"They are calculated to disintegrate the mind of an intelligent victim," he asserted, in order to make him destroy his own integrity and produce an elaborate fiction.

"If anything is surprising to me," he observed, "it is that so many of our soldiers—both those who confessed and those who did not, although for months they were treated like animals or worse—somehow continued to act throughout like men."

Dr. Mayo said the Communists accused 107 captured fliers of engaging in bacteriological warfare.

Of these, 17 are listed as missing and 14 are known dead. He did not say how they died. He said 40 refused to sign anything, but 36 signed under duress.

Jacob A. Malik, Soviet delegate sitting in place of Chief Delegate Andrei Y. Vishinsky, responded that the United States had forced airmen who confessed to germ warfare to repudiate their confessions under threat of prosecution.

He called Dr. Mayo's statement "a lie and a slander which we repudiate."

He tossed in a resolution by which the Assembly would call on all countries which have not done so to ratify the 1925 Geneva Convention against chemical and germ warfare. The United States has refused to ratify it, demanding more than paper promises to stop such practices.

Candidate Nominations End Sunday

Clique officers were elected, and nominations were made for sophomore and freshman class officer candidates by the State and Lion Parties Sunday night.

Final nominations and election of candidates will be made Sunday night. Sophomore and freshman class elections will be held Nov. 12.

Nominated for sophomore class president at the State Party meeting was Theodore Klein, third semester chemical engineering major. Others nominated are Richard Allison, third semester wood utilization major, vice president; and Barbara Stock, third semester home economics major, secretary-treasurer.

Freshmen nominated for class president by the State Party are Philip Mullen, first semester poultry husbandry major; Richard Marshall, first semester arts and letters major; and Steven Jordan, first semester industrial engineering major. Gerson Alexander, first semester arts and letters major, was nominated for freshman class vice president and Marilyn Seltzer, first semester home economics major, for secretary-treasurer.

Dean Belt, third semester animal husbandry major, was nominated at the Lion Party meeting for sophomore class president. Shirley Mix, third semester physical education major, was nominated for secretary-treasurer. No one was nominated for vice president.

Robert Howe, first semester mechanical engineering major; Larry Berk, and Robert Segal, first semester business administration majors, were nominated by Lion Party to run for freshman class president. Robert Bennett, first semester dairy husbandry major, was nominated for vice president. Virginia Hance, first semester education major, and Susan Coskery, first semester arts and letters major, were nominated for freshman secretary-treasurer.

Thomas Unholtz, seventh semester arts and letters major, was elected senior class clique chairman of the Lion Party. Other senior class clique positions remain vacant.

Charles Brader, fifth semester agriculture economics major, was elected Lion Party junior class clique chairman. Patricia Shelly, (Continued on page eight)

Party Registration To Begin Today

Freshmen and sophomores will begin registration today to attend final political party clique meetings Sunday to select candidates to run in class elections Nov. 12.

Registration booths will be open from 8 a.m. to 5 p.m. today through Friday at the Student Union desk in Old Main.

Booths, also attended by members of the elections committee, will be open tomorrow and Friday in the Temporary Union Building and the West Dorm lounge.

Master lists will be made of the registrants and will be checked before a student may enter a meeting Sunday night, Edwin Kohn, chairman of the All-College elections committee, has announced. Students must present matriculation cards when they register, Kohn said.
