

First Home Soccer Tilt Saturday

Penn State's soccer eleven will play its first home match of the season Saturday against the Blue-devils of Duke. Starting time has been changed from noon to 11 a.m. at Beaver Field.

Coach Ken Hosterman and his booters will be gunning for their fourth win in five starts. The Lions handily defeated Bucknell, edged past Maryland, 4-3, and defeated Colgate, 1-0 in two overtime periods.

Against Bucknell

The Nittany offensive punch has scored more than twice the number of goals its opponents have. Penn State has scored 15 goals, and the opposition has netted only seven against the outstanding goal tending of Red Harris, and fullbacks, Emil Borra and Captain Hap Irvin.

The Lions booted seven goals against the Bucknell Bisons in the season opener, and added four more to the tally sheet when they handed the Maryland Terps a 4-3 defeat.

While suffering their first defeat of the season, when they visited Army, the Lions tallied three more times. Penn State's recent victory over Colgate by a slim 1-0 score rounds out a total number of 15 goals in four games.

Sophs Score 11

State's defense has been as effective as its offensive attack. Bucknell and Colgate failed to register any score, although the latter had six periods in which to pierce the Lions' defensive net. However, the three points chalked up by Maryland and the four by Army's soccer aggregation are scores which seldom are scored against the Nittanians—known for a strong defensive setup.

Of the 15 goals netted by the Lions, 11 have been tallied by sophomores. Dick Packer leads the scoring parade with seven. He scored three each against Bucknell and Maryland, and one against Army.

Two of Packer's classmates, Mert Springer and Dick Matacia, have scored the remaining four sophomore goals. Matacia has tallied three times from inside right. He chalked up a goal in the Maryland, Bucknell, and Army matches, and Springer tallied State's only goal against Colgate last Saturday.

Pinezich, Dierks Score

Two juniors, Jack Pinezich and Paul Dierks, have each accounted for one Lion score. Bill Norcik and Captain Hap Irvin, both seniors, have each tallied once.

Pinezich has only played two games because of an ankle injury. He scored his goal against Army, the first match in which he played, for the '53 season.

World Sports at a Glance

CHICAGO, Oct. 28 (AP)—Minnesota's Paul Giel and Notre Dame's Johnny Lattner, All-America specialists last year, are powerful candidates to repeat as all-around aces of the 1953 honor teams.

Abolishment of two-platoon football enhanced, rather than lessened the chances of these two great Midwestern performers to win top recognition again from The Associated Press.

That is the firm opinion of the Midwest regional board of All-America nominators, including Wilfrid Smith of the Chicago Tribune, Dick Cullum of the Minneapolis Tribune and Al Caoupee of Des Moines radio station KRNT.

Giel last year was named to the All-America offensive team and Lattner to the number one defensive unit.

Another Irish star who caught the Midwest board's attention this week was tackle Art Hunter, fast-moving 228-pounder, who fell on a Tech fumble for the clinching Irish touchdown.

Purdue's terrific upset of Michigan State put another lineman into strong All-America contention. Tom Bettis, 215-pound Boilermaker guard, whose dynamic work in the middle ruined one Spartan play after another.

End Joe Collier of Northwestern, tackle Don Chelf of Iowa, tackle Eldred Kraemer of Pitt, and halfbacks J. C. Caroline of Illinois and Bobby Watkins of Ohio State also rate high on the board's preliminary list.

ST. LOUIS, Oct. 28 (AP)—A flip of the coin today put the St. Louis Cardinals in fourth place for draft purposes and the Redbirds don't mind one bit.

The Cards and the Philadelphia Phils finished in a third-place tie in the 1953 National League race.

Under the player draft, scheduled for the annual meeting at Atlanta starting Nov. 30, the last place team gets pick and so on up the standings.

The question was: Which team would pick first when the draft reached the Cards and Phils.

A three-way telephone conversation between Warren Giles, National League president at Cincinnati; Bill Walsingham, Redbird vice president, here, and George Fletcher, the Phil's secretary in Philadelphia, was set up.

Giles tossed the coin. Walsingham called it correctly. So the

Dierks, playing center halfback, tallied in the opener against Bucknell.

Norcik, outside right lineman, and Irvin, playing fullback, primarily a defensive position, both scored once in the 7-0 rout over the Bisons.

Where is the sweetest deal in town ?

Cardinals will take part in the draft ahead of the Phils.

NEW YORK, Oct. 28 (AP)—Sugar Ray Robinson will be welcome, if he returns to the ring, but the fight mob thinks he won't be back.

The retired middleweight champion, now a song and dance man, is making a series of one-night stands in armories and auditoriums with a dance band and a busload of entertainers. Each town gets a new hint that Ray is considering a comeback.

Leahy Coaches ND Via TV, Telephone

SOUTH BEND, Ind., Oct. 28 (AP) Coach Frank Leahy today continued his hospital bed coaching of unbeaten Notre Dame via television and telephone.

The Irish mentor, recuperating from a stomach attack Saturday, again watched his team work out on a closed TV circuit brought to his room in St. Joseph Hospital.

Preparing for its fifth game of the season against Navy here Saturday, Notre Dame worked on offense and defense in dummy scrimmage against the freshmen.

Leahy, who collapsed at half-time of his team's 27-14 victory over Georgia Tech, is expected to leave the hospital tomorrow.
