

Alumni Fund Gives \$54,225 to New SU

The new Student Union Building received the top donation from the 1953 Alumni Fund, Ross B. Lehman, assistant executive secretary of the Alumni Association, said yesterday.

The Student Union fund received \$54,225 for furnishings, which the Penn State Foundation and the Board of Trustees considered

a needed project, Lehman said. A total of \$188,989.09 was given by College alumni in the 1953 drive, Lehman said. This amount is slightly below the previously announced figure of \$189,795.59, because any money that arrived after July 20, 1953, except that of pledges, is being applied toward the 1954 fund.

\$90,000 Raised

An allocation of \$33,247 was made to the All-Faith Chapel fund, making a total of approximately \$90,000 raised for the chapel. This total represents nearly one-half the expected cost of the first unit.

Scholarship donations amounted to \$28,292. Because the need for scholarships is considered acute, an Alumni Memorial Scholarship fund was established with \$8935.

The purpose of this fund is to provide a means of administering annual Alumni Fund gifts of all sizes for scholarships. Awards from the fund, which is dedicated to the memory of alumni who gave their lives in defense of the country, will be made on the basis of need, scholastic record and extra-curricular activities. Freshman recipients will be chosen on high school records and evidence of need.

Alumni also contributed almost \$13,000 for specific school equipment for departments of the College.

Ten Clubs Contribute

Ten alumni and alumnae clubs contributed to the fund. They are Altoona Alumnae Club, Blair County Alumni Club, Alumnae Club of Greater Harrisburg, Lehigh County Alumni Club, Lehigh Valley Alumnae, Locomotive County Alumnae Club, Penn State Alumni Club of Western New York and Niagara Falls, Penn State Women's Club of Detroit, Alumnae Club of Pittsburgh and Alumnae Club of New York.

Only 319 pledges representing \$8140 have not yet been paid to the fund. These pledges may be paid until Dec. 31.

Prexy Addresses Language Students

President Milton S. Eisenhower last night spoke to members of the Spanish department on his goodwill trip to ten South American countries during the summer. The talk was sponsored by Circulo Espanol.

Dr. Eisenhower was chosen last spring by the State department to act as the United States' goodwill emissary to the countries. Time magazine attributed improved relations with Argentina to his good neighbor visit.

2 Associate Profs Resign from Faculty

Dr. John L. West, associate professor of animal pathology, and Jack R. Leighton, associate professor of physical education, have resigned from the faculty, President Milton S. Eisenhower announced recently.

Dr. West will go to Kansas State College, and Professor Leighton has accepted a position at Eastern Washington College of Education at Cheyney, Wash.

MI Student Council To Hold Coffee Hour

The first Mineral Industries school Coffee Hour, sponsored by the MI Student Council, will be held from 4 to 5 p.m. tomorrow in the MI Building's art gallery.

Students in the school will be invited to this or a future Thursday coffee hour, according to Ronald Gardner, chairman.

Althouse Will Speak To Dairy Science Club

Dr. Paul M. Althouse, professor of agriculture and biological chemistry, will speak to the Dairy Science Club at 7 p.m. tomorrow in 117 Dairy. He will discuss "Is Chemistry Really for the Birds, or Are Dairy Science Students Included?"

Child Dramatic Classes to Begin

The Children's Theater, sponsored by the Department of Dramatics, will begin classes from 10 a.m. to noon Saturday in the Little Theater, basement of Old Main, Muriel Stein, chairman, has announced. Children from eight to ten may enroll from 9:30 to 10 a.m. Saturday.

"Little Burnt Face," an original play, will be presented Jan. 14, 15 and 16 as a class project. Children do not need previous training to enroll.

Dean Offers Tutors to AIM

A tutoring service for independent men is now in operation in the Dean of Men's office in conjunction with the Division of Intermediate Registration and resident dormitory counselors.

Men living in the dormitories may contact local resident counselors to sign up for the program. Both town and dormitory residents may sign up in the Dean of Men's office, 109 Old Main or the DIR office, fourth floor, Old Main.

Between 70 and 80 tutors are available. Hourly rates will vary with specific cases.

Ham Operators May Join W3YA

Students holding amateur radio operator's licenses who wish to affiliate with the College radio station staff as assistant operators of W3YA, College radio station, may apply by letter to Gilbert L. Crossley, assistant professor of electrical engineering.

The letter of application should contain experience, station call letters of the writer's amateur station and the grade of amateur license held, Crossley said.

Any student, faculty member, or employee of the College is eligible to join the station staff, he added. Letters of application should be sent to Crossley at the Department of Electrical Engineering.

DON'T FORGET to vote for your Prom Queen at Student Union.

Zorach's 'Lineman' Will Be Removed

The granite statue of William Zorach's "The Lineman," on display in Old Main since last spring, will probably be returned to Zorach within the next month, Dr. Harold E. Dickson, professor of fine arts, said yesterday.

Dickson said that unless a bigger organization than Pi Gamma Alpha, fine arts honorary society, should decide to sponsor it for a project this year, the statue is "on its way out."

"The Lineman" was not selected as the senior class gift last spring when it was brought to campus as part of a promotion campaign by the fine arts society. At that time, Zorach said the statue could remain on display indefinitely at the College.

Pi Gamma Alpha paid shipping charges to have the statue brought on campus and will finance its return.

"The Lineman," a large figure of a kneeling football player, was originally done as part of a sports series. Because of its high quality the statue was exhibited at the 1932 Olympic Games in Los Angeles, and at the Newark Museum. It is priced at \$5000.

Horse Show Entries Due

Tomorrow is the deadline for members of the Penn State Riding Club to enter the second Little Horse Show. The show, sponsored by the riding club, will be held 1:30 p.m. Sunday at the College stables.

Entrants should register at the College stables or call Nancy Wild, club show manager, at 4610. A 50-cent entry fee will be charged per class.

The six classes open to entrants are beginner, intermediate, intermediate jumping, advanced, advanced jumping and open jumping.

Only riding club members are eligible to enter the show.

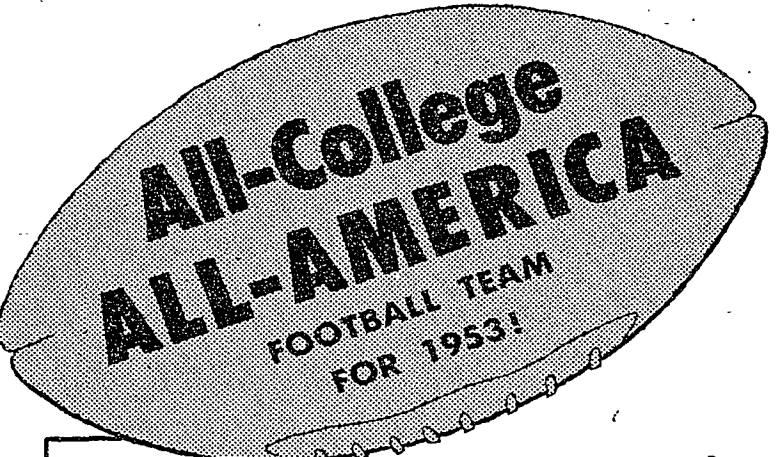

436 Scheduled For Draft Exam

Approximately 436 men have signed to take the Selective Service Qualification test Nov. 19 at the College.

Notification of time and place will be sent to each student signing for the test. A grade of 70 or better does not guarantee a deferment, Mrs. Margaret Case, in charge of the deferment tests in the Dean of Men's office, said. Final decision still remains with the local draft board, she said.

The famed pony express which carried mail to and from California lasted only 16 months, starting in 1860.
