Your career here as a student should be an adventurous, intellectual quest; a time for the deeping of your life and thought toward preparation for a meaningful and purposeful life.

Since no educated person can ignore religion, Penn State offers a program of religion that is intellectually sound, personally redemptive, and relevant to the urgent social and world problems of our generation.

Worship naturally grows out of man's awe and his sense of dependence upon his Creator. Made up of gratitude, penitence, aspiration, and communion with the Unseen, worship is a tremendous power which gives one a sense of unity with the Cosmic Purpose.

LUTHER H. HARSHBARGER,  
Chaplain
