## Female Sentiment Costs Men \$1.50

What price sentiment? The cost of female sentiment is running high these days. One campus Joe was very bitter as he saw the line of men getting their \$1.50 refunds on prom programs at the Student Union desk in Old Main.

"But I want it as a souvenir," said his import, as she boarded the bus Sunday, dance program in hand.

One coed in the refund line had this tale to tell:

"He didn't get the kind of flowers I wanted, so I wouldn't give him back the program. I'm keeping the money for myself."

Refunds are available until Friday at the Student Union desk in Old Main.

# 1954 Religion-in-Life To Last Four Days

The 1954 Religion In Life program, Feb. 19 through Feb. 22, will be a less intensive and shorter program than last year's, Edgar Fehnel, student chairman of Religion In Life committee, reported to All-College Cabinet last week.

The main purpose for shortening the program, Fehnel reported, is to avoid the mass confusion which existed last year. The 1953 RIL program was held for the entire week.

Three speakers have accepted invitations for this year's program, which will run over a week-end.

### Petegorsky Is 1st Speaker

The first speaker, who will conduct the Hillel Interfaith Sabbath Services on Feb. 19 will be Dr. David Petegorsky, executive secretary of the American Jewish Congress.

Dr. George N. Shuster, President of Hunter College, N.Y., will be guest speaker at the faculty dinner Feb. 20 and the brotherhood banquet Feb. 22.

Chapel services will be conducted by Dr. Theodore Greene, professor of philosophy at Yale University.

This schedule, though still tentative, will also include an evening meeting Feb. 20 in the West Dorm lounge, a dean's tea Feb. 21, and classroom visits and discussions Feb. 22.

### Students Handle Program

The student committee of the RIL committee is in charge of the actual execution of this year's program.

Firesides, which are a valuable part of the RIL program, Fehnel reported, will be held throughout the school year, as often as any group desires to have one. A committee in charge of firesides will be named this week.

The student committee for RIL reported that preparations are being made to contact speakers for 1955.

The Religion in Life committee, which was appointed by President Milton S. Eisenhower, was organized last May with Cabinet approval. The committee is responsible for RIL policy, organization, and operation.

MISS PHOEBE ERICKSON, KKG

Okay Joe?

A most beautiful woman, this Phoebe. Further comment would be superflous.

For the curious, the above portrait is called a montage. A more accurate rendition may be seen in the Western Union window.

If the other XO's are half as much fun as those photographed yesterday this composite should be sheer play. Sororities vary as night and day but did you ever notice the similarity of types in any one sorority? Noticeably so.

I doubt if we'll have many more openings for Christmas portraits. Hold off if you're not trying to make a Christmas deadline, otherwise make your reservation this week. Check Marilyn Schadt and Sandra Booth. b.c.
