

Pitt Coach Shows Defeatist Attitude

The Nittany Lions will have their final workout at Beaver Field this afternoon before they get ready for the invasion of Pitt stadium tomorrow in a traditional backyard battle. The Pitt-Penn State games have always been well-played and bitterly fought games, even when there is nothing more at stake than victory itself.

Coach Lowell (Red) Dawson of Pitt expressed great surprise and defeatist attitude when he heard that his Panthers were installed as a six-point favorite.

"Oh, no!" exclaimed Dawson. "Well, I'll be darned! Those guys must be crazy. I guess that means we'll lose."

Soccermen Meet Penn Tomorrow

A strong Quaker soccer eleven will visit the Nittany squad tomorrow, boasting an impressive six and two chart. The Lions will host the Quakers in their final game of the season on the baseball practice field.

Pennsylvania, who plays an eleven-game schedule, will meet Cornell on Thanksgiving morning after tangling with Penn State. The Quakers defeated Swarthmore, 2-0; Princeton, 4-3; Yale, 3-1; LaSalle, 8-1; and West Chester, 2-1. Coach Charles Scott and his booters also posted a 3-2 win over Navy, but lost to Army 2-1. The Lions also have one of their two losses attributed to the Cadets, when they were edged, 4-3. Pennsylvania also lost to Haverford, 3-2.

Penn Powerful in Scoring
Penn's drubbing of LaSalle illustrated the scoring power of its forward line. Bob Hennessy, team captain, scored three goals, two in the third period. Gabor Czako paced the offense when he scored the Quakers' first tally early in the opening stanza, and ended the scoring at 6:05 of the final period.

While Penn's Hennessy, inside right, and Czako, outside left, were racking up goals, Dario Bruno, right fullback, and Warren Stone, outside right, were also tallying.

Penn may be weakened however, with the loss of Bruno and Bill Van Eestereen. Stone is also on the doubtful list with an ankle sprain received in the Army game last Saturday.

Yarnall Scores Three
Another potential scorer for Penn is the center forward, Chuck Yarnall. He tallied three fourth-period goals against Navy, enabling the Quakers to cop the match.

Czako is high scorer on the team with eight goals in eight games. Hennessy is second in team scoring with four goals.

The Lions will be looking for their fifth win in the final game of an originally scheduled nine-game card. In six games Penn State has netted 20 goals for an average of four goals a game. Penn has an average of 3.1 goals per game. It has scored 25 in eight games.

Fairway Squad Repeats

Penn State's golf team won nine straight to duplicate its unbeaten campaign of five years before.

The Panthers will be out for revenge. It was Coach Rip Engle's 1952 eleven that halted an Orange Bowl trip for Pitt. The Lions defeated Pitt in the season's finale, 17-0.

Coach Dawson's squad came out of the North Carolina State contest in good shape. End Dick Deitrick, fullback Bobby Epps, and halfback Richie McCabe, who were injured prior to the latter tilt, will be ready for the Lion invasion. They did not see action against the Wolfpack.

Eldred Kraemer, who suffered a dislocated shoulder in the Virginia game, is the only unlikely starter for Pitt. The big tackle, an all-American in his sophomore season last year, was said to be out for the rest of the season. However, there are some doubts. Nevertheless, replacements for Kraemer will be Howard Linn, who has been the number one understudy all season, or Glen Tunning. Both candidates are sophomores.

Engle's squad is at full strength for Pitt. The Nittany Lion mentor will need his passing and running attack to click in order to upset the Panthers. In the Lions' last two outings Engle's running offense has spoken louder than his potential passing offense.

Engle classified Pitt as "the best team on our schedule with the possible exception of Wisconsin." He even went so far as to

NBA Scoring Is Opposed

NEW YORK, Nov. 19 (AP)—The Boxing Writers Association went on record today as favoring the round by round system without points in the scoring of boxing bouts.

All 30 writers present at the group's luncheon today voted for the round by round system as opposed to the point system recently adopted by the National Boxing Association.

The New York State Athletic Commission, which is not a member of the NBA, will continue to use the round by round method of scoring with a supplementary one to four point system. The points are employed only to help break draws.

claim that Pitt had the best football team in the East.

"I haven't seen the Panthers play," Engle stated, "but I saw their game with Notre Dame on television and I felt Pitt gave the Irish more than they bargained for. The Panthers made two or three mistakes—small mistakes—and Notre Dame capitalized on them. But Pitt carried the fight to the Irish throughout."

Lions Gird for NCAA's

By HERM WEISKOPF

Penn State's hill-and-dalers are going into their final phase of training for their toughest meet of the season—Monday's NCAA championship race at East Lansing, Mich.

Chick Werner, Nittany cross-country mentor, has been putting the harriers through quarter-mile workouts and will have a three-mile workout at 4:30 p.m. today. The event will be run for the purpose of selecting the final members of the squad which will compete in the title race.

Five men, Captain Red Hollen, Lamont Smith, Doug Moorhead, Ted Garrett, and Jim Hamill, will definitely make the trip, Werner said yesterday. These five harriers will participate in today's workout, but will not run the full three miles. This will be done to conserve the energy of State's five top runners. The other harriers will go the full distance in

an effort to grab a berth on the traveling team. Werner said he would like to take seven competitors to East Lansing. "But if no one performs well enough in the workout I'll have to take just the top five," Werner explained.

In Monday's 45th running of the IC4A title race Hollen placed third, Smith fifth, Moorhead 23rd, Garrett 33rd, and Hamill 48th. Hollen and Smith ran the two fastest times ever recorded by Penn Staters in IC4A competition. Their times of 24:59 and 25:18 paced the Lions to a third place finish.

Penn State last won the NCAA crown in 1950. During the same campaign the Lions won five dual meets without a setback and then copped the first post season championship by winning the IC4A run.

Thirty-nine schools have entered in the NCAA four-mile championship race. Some teams have not entered full teams. John Kelley, the 5 foot 6, 125 pound

JEAN CRONSTEDT, Beta Theta Pi, performs one of the dives that won him first place in the intramural fraternity swimming championships at Glennland Pool last night. Cronstedt also took first place in the backstroke.

Betas, Penguins Cop IM Crowns

By JOHN CHAFFETZ

Beta Theta Pi and the Penguins won the fraternity and independent swimming championships last night at Glennland Pool. Beta Theta Pi, the fraternity champ, defeated Sigma Chi by the score of 29-12, and the Penguins, independent champs, outswam the Lions, 28-14.

The highlight of the evening was the setting of a new intramural record in the 120-yard relay, by the Penguins. The Penguin time of 59.9 seconds bettered the old record of 1:00.2 set in 1950 by Dorm 29.

With its wing, Beta Theta Pi collected the winner's share of seventy-five points toward the Fraternity All-Points Trophy.

The Betas also collected five points for each of their victories in earlier rounds.

At the present time efforts are being made to arrange an All-University championship meet between Beta Theta Pi and the Penguins.

The Penguins won every event except the breaststroke to come out on top against the Lions. In the freestyle Duke Miller, who recently set the intramural record in this event, won with a time of 32.4 seconds. This time was a full second off Miller's newly set standard. Miller went through the entire tournament undefeated. The backstroke race was won by Jerry Bijure of the Penguins with a fine time of 39.3 seconds.

The lone winner for the losing Lions was Bob Yates who captured the breaststroke event with a time of 45.8 seconds. Paul Fisher of the Penguins won the diving contest. The last race of the evening was the 120 yard relay in which the Penguins established a new intramural record.

Jean Cronstedt won both the backstroke and the diving events to spark the Betas to their victory. Cronstedt's winning time in the backstroke was 42.1 seconds. The freestyle event was won by Paul Eckert with a time of 32.7.
