Thanksgiving vacation for the University students begins at 11:50 a.m. tomorrow and ends 8 a.m. Monday.

The dormitories will close at 5 p.m. tomorrow and will reopen 1 p.m. Sunday. Lunch will be the last meal served tomorrow in the dormitories. The first meal to be served after vacation is the Sunday night meal at regular hours.

All offices at the University will be closed Thursday, Thanksgiving Day. Offices will be open Friday and Saturday of the vacation.

The Pattee Library will be closed all day Thursday and Sunday. It will be open tomorrow, 7:50 a.m. to 5 p.m., Friday, 9 a.m. to 5 p.m. and Saturday, 9 a.m. until noon.

The Student Dry Cleaning Agency will be open tonight in all the dorms at usual hours and will reopen after vacation on Monday night.

Several Hundred Students Would Be Without Rides

By DIEHL McKALIP

Bus travel throughout the state is expected to be severely hampered if 2000 drivers and maintenance employees of the Pennsylvania Greyhound Bus Lines go through with their walkout tentatively set for midnight tonight.

Included among those affected will be several hundred students at the University who have made plans to journey home for Thanksgiving by Greyhound.

Wilmer E. Kenworthy, director of student affairs, reported last night that no plans had been made for beginning the Thanksgiving vacation a day early because of the strike. He said he felt it was "a personal problem for a small number of students."

Small Number Affected

School would not be dismissed earlier, he explained, because "of the small percentage of the students affected and the other means

BULLETIN

As of 9:20 last night, Kenworthy told a Daily Collegian reporter classes were still scheduled for Wednesday morning despite the planned Greyhound bus strike.

CLEVELAND, Nov. 23 (AP)—Pennsylvania Greyhound's 2000 AFL union drivers have notified the company they intend to strike Tuesday at midnight.

of transportation available." Most students, he felt, could find their way home by train, car, or another bus line.

The only answer, he said, would be excused absences from class for those who could make no other transportation arrangements. He said, however, at the present time he had no authority to set up such a program.

All bus reservations for tomorrow have been canceled by Greyhound, and five special express charter buses will not run. Officials reported that refunds would be given to students anytime at the local post house.

D. W. Maxey, local manager, and Philip Shoemaker, ticket agent, said they have been urging students to leave today in order to make sure they will not be stranded in State College. Maxey said in all probability the strike will go through and prospects for a quick settlement look "grim."

He said Edwards Lines would continue their regular runs and will try to handle as many students as possible. Also, the strike will not affect the Boalsburg Bus Co., which connects State College with trains in Lewistown, he said. (Continued on page eight)

Review Set For 3 Cases Of Discipline

Three cases of student discipline will be reviewed by the Senate Committee on Student Affairs subcommittee on discipline today.

Dean of Men Frank J. Simes reported that the committee would meet to act on the recommendation of Tribunal that a second semester pre-med major be given a deferred suspension from the university.

The student had been found guilty of underage drinking, conduct detrimental to the good name of the University, and negligence in the responsibility for the conduct of his date. The girl had been found unconscious from drinking, following the Junior Prom Nov. 6. She had been reported to have been found in the snow.

Deferred suspension means that a student is suspended from the University at the end of the current semester. He may be allowed to return if sufficient reason is given to the Dean of Men.

Investigation of this case by the Dean of Men's office and the Interfraternity Council board of control led to the suspension of social privileges of Theta Xi fraternity for serving alcoholic beverages and permitting a freshman woman to attend an unchaperoned social function, a violation of the IFC unchaperoned dating code.

The case of the student who provided the alcoholic beverages to the fraternity will also be reviewed by the committee.

The third disciplinary case will involve a first semester freshman from the Nittany Dorm area who was caught tampering with a fire extinguisher. The infraction was cited as a violation of both state and federal laws.

The Nittany Lion Roars

A throaty roar of congratulations to the 1953 gridiron contingent for its 17-0 whitewash of the Pitt Panthers.

The Lions, who went into the traditional game as underdogs, emerged unquestionable victors to complete a successful season. The "Coal Scuttle"—at stake Saturday—remains at State.

The Lion congratulates as well the students whose conduct was as noteworthy as the football team's performance.

Harrier Squad Places Fourth, Kansas Wins in NCAA Meet

By HERM WEISKOPF

Penn State's hill-and-dalers closed the books on another season yesterday when they finished fourth in the 15th annual running of the NCAA four-mile title race at East Lansing, Mich.

Captain Red Hollen placed sixth for the Lions and Lamont Smith came in 13th. Wes Santee paced Kansas to the team championship by taking the individual crown. Santee's winning time of 19:43.5 was just seven seconds off the record for the race. Hollen finished at 20:16 and Smith at 20:31.

Indiana finished in the No. 2 slot for the second straight year. The Hoosiers tallied 82 points and Millard "Bill" Easton's new titlists were charged with only 70. Chick Werner's

harriers had 97 points. Syracuse was third with 94 points, Pittsburgh came in fifth with 104, and Michigan State was sixth with 125. The Spartans were the defending champs.

Moorhead Is 30th

Doug Moorhead, standout sophomore for the Blue and White, placed 30th with a clocking of 20:57. Jim Hamill, 21:11, was 49th; Ted Garrett, 21:19, finished 53rd; Jim McKeivey, 22:29, placed 80th; and John Chillrud, 22:42, was 84th for the Lions.

Italy OK's Big-5 Conference

ROME, Nov. 23 (AP)—A government spokesman said flatly today that Italy has given the green light to a five-power conference which would seek a solution of the thorny Trieste problem.

The statement was made by a Foreign Office spokesman in clarifying Sunday's official announcement that Italy takes a "positive and constructive attitude" toward such a conference. This had been interpreted as only qualified acceptance of the idea.

Italy Accepts Proposal

In Washington, Western diplomats said that Italy's agreement to a conference in the near future apparently was due to acceptance by Rome of a U.S.-British-French proposal that Italian officials be named to study what their administra-

tive duties would be if and when Allied-occupied Zone A of Trieste Free Territory is turned over to Italy.

The U.S. State Department declined officially to comment on whether Italy's attitude toward the proposed conference as clarified by the foreign office spokesman constitutes unqualified acceptance of the idea. Diplomats here and in London also reserved comment.

No Comment

Premier Giuseppe Pella was on a train bound for diplomatic meetings at The Hague, The Netherlands, and was not available for comment.

The Italian spokesman's outline of Italy's position, plus the reports from Washington, would indicate a major compromise on Italy's part. Modification of the previous insistence on full occupation of Zone A could precipitate a pol-

itical crisis here unless the rightist deputies stick with the center parties. A furious outcry by the Communists and pro-Communists is almost certain, political circles said.

Italy Accepts "in Toto"

The Foreign Office spokesman said Italy had accepted the three-power proposals "in toto." Spelling it out, he said "that means that insofar as Italy is concerned, there is a green light for the five-power conference."

Yugoslavia's general reaction to the conference proposal is one of acceptance provided there is no previous change in the status quo at Trieste. There has been no indication from Belgrade whether any plan for placing Italian officials in a training status for any future administrative duties in Trieste would satisfy Yugoslavia's stipulation.
