Big Three Agree To Berlin Meeting

WASHINGTON, Dec. 8 (AP)—The Big Three powers officially notified Russia today they are ready to take part in a foreign ministers conference in Berlin Jan. 4. They expressed hope that the meeting would lead to reunification of Germany and independence for Austria.

The form of the Big Three communication was worked out at the Bermuda meeting of President Eisenhower, Prime Minister Churchill and Premier Laniel, which broke up early today.

In accepting the Soviet offer to confer at the foreign ministers level—made in a surprise note from Moscow Nov. 26—the Big Three emphasized their interest in a speedy solution of the German and Austrian problems.

The Western replies left the way open for Russia to press its demand that Communist China be allowed to join a five-power conference in the near future. But the Big Three gave no sign they would agree to any such meeting.

Fact-Finding Pact Ends NY Strike

NEW YORK, Dec. 8 (AP)—A government-conceived fact-finding pact today brought an armistice in New York's big newspaper strike, the worst in the city's history.

Publishers of the city's six biggest papers accepted a compromise expected to increase publishers' costs at least \$3.75 million a year in New York.

The 400 striking photo-engravers voted to go along and withdrew pickets from the struck newspapers for the first time since the strike began Nov. 28.

Korea Conference Nears Breakdown

PANMUNJOM, Wednesday, Dec. 9 (AP)—Negotiations for a Korean peace conference neared a breakdown today after the Communists angrily rejected the UN Command's "final offer" without even reading it.

Nevertheless, the U.S. and Communist diplomats meet again today at 11 a.m.

Dean said it would be clearly up to the Reds to make the next move—accept his proposal or face a breakoff of the preliminary discussions, which now are more than six weeks old.
