### Crash Causes \$1100 Damages

An estimated \$1100 in damages reported when a car driven by Paul Jackson, technician in the Physics department, and a car driven by Alvin Friedman, first semester business administration major, collided on Pollock road at 5:30 p.m. yesterday. No one was injured.

The sedan driven by Friedman received an estimated \$800 in damages and the car driven by Jackson received damages amounting to an estimated \$300.

The entire left side of the car driven by Friedman and the center post and fenders of Jackson's car were smashed in the accident. After the cars collided, Friedman's car hit a tree on the south side of the street.

Jerome Etter, first semester arts and letters major, was a passenger with Friedman. Jackson was alone in his car.

### Membership Reports Sent to Fraternities

Membership reports have been mailed to fraternities, O. Edward Pollock, assistant to the dean of men in charge of fraternity affairs, has announced.

The reports request fraternities to list the names of officers, pledges, members living in the house, and other members enrolled at the University.

### Grad Council to Meet

The Graduate School Council will meet at 9:30 tonight at 118 West Beaver avenue, not at 9 p.m. as previously announced, Moylan Mills, publicity chairman, has reported.

While coeds are busy worrying about gowns to wear to the annual Military Ball tomorrow night in Recreation Hall, members of the four military honor societies on campus, co-sponsors of the dance, have their problems, too.

All behind the scenes preparations for the ball are in their hands, and Friday night, while the dance is in progress, Scabbard and Blade, Quarterdeck Society, Pershing Rifles, and Arnold Air Society members will be working as ushers and as members of the honor guard for the queen. Pledges of Pershing Rifles will be operating the checkroom.

The first military society appeared on campus in 1903 when a chapter of Scabbard and Blade was founded. Today Scabbard and Blade is composed of 50 men, with members chosen each semester from advanced ROTC students.

Founded at Wisconsin Scabbard and Blade was founded late in the 19th century at the University of Wisconsin.

At the University, Scabbard and Blade takes part in special Memorial and Armistice Day programs.

Pershing Rifles, the only other military society embracing all three services was founded on campus in 1932.

The Honor Society of Pershing Rifles, as it is officially known, was founded in 1894 at the University of Nebraska by Lt. John J. Pershing. It was first known as Varsity Rifles, with the new name being adopted when its founder came into prominence.

In Drill Competition Each spring the Pershing Rifles Drill team takes part in intraregimental drill competition, having copped the standard drill title in 1951.

Quarterdeck Society is a local organization open to Navy ROTC midshipmen with a 1 All-University average and a 3.0 (75 per cent) naval aptitude rating.

### LaVie Seeks Campus Shots

Students who have snapshots of any phase of campus life may submit them to the 1954 LaVie for use in the Campus Life section of the yearbook, Herman Golomb, editor, has announced.

These pictures can be shots of anything, anyone, or any place on campus or in State College, he said. Pictures will become property of LaVie, and none can be returned.

The staff will select only those pictures which can be used and are of good photographic quality.

### Bimber Elected APhiO Head
