

# Ex-Lions Will Run Friday

(Continued from page two)

Nip placed third. However, true to his profession, FBI sleuth Horace got his man in the Olympic steeplechase trials by taking first place.

The bespectacled Stone, who is now a school teacher in Smethport, Pa., will be making his seventh appearance in The Inquirer Meet. He showed his heels to Nip in the two-mile feature during the 1951 race. Stone has held a dozen national titles and has recorded more 5000-meter times under 15 minutes than any other American.

## Herb Last Year's Ace

Last year's high jump ace for the Nittany squad was Jim Herb, the IC4A titlist. Whenever Lion track Coach Chick Werner needed another man in the broadjump competition Herb usually drew the call. In last season's dual meet with Ohio State Jumpin' Jim competed in both events, winning the high jump with a leap of 6'27/8" and placing third in the broadjump. The six points he collected helped pace the Lions to their only win of the campaign, 66 1/2-55 1/2.

Vic Fritts was hampered throughout his youth with a reversed right foot, a condition which was corrected by nine operations in 13 months. The 1950 Inquirer high jump honors went to Fritts when he cleared the bar at 6'5".

## Fritts Hit 6'8"

Last winter in Cleveland Fritts reached his peak with a leap of 6'8 3/16". Herb and Fritts will compete against Ken Weisner, the world's record-holder in the high jump. The two former Lion high jumpers will compete for the Shanahan team and Stone and the Ashenfelters will run for the New York Athletic Club.

Twelve U.S. Olympic stars will take part in the meet, the proceeds of which will be donated to St. Edmond's Home for Crippled Children in Philadelphia.

This will be the first competition of the season for Werner's indoor track team. He will take a 15-man squad to the meet and will travel to the Washington Evening Star Meet the following day.

## Iron Man Captains

Penn State's co-captains, Tony Rados and Don Malinak, set an excellent example for their teammates by filling "iron man" roles during the 1953 football season. Rados played 373 minutes, Malinak 371. Others with 300 or more minutes were Rosey Grier, 351; Jim Garrity and Don Balthaser, 346 each; and Otto Kneidinger, 339.

# Basketball -- Jim Garrity Leads IM Scoring Race

(Continued from page one)

turn to the game until the second half.

Penn State took the floor after the half with what appeared to be a safe, 32-21 lead. But at this point the Middies went wild. With Clune leading the charge, Coach Ben Carnevale's cagers began hitting from everywhere on the floor and eventually overtook the Lions.

In the fourth frame, leading 48-44, they pulled an abrupt about-face from their heavy-shooting tactics and began to freeze the ball. While the Lions tried frantically to gain control, precious time ticked away and with only 28 seconds remaining, Navy led 62-52. Suddenly Gross' quintet caught fire. Sherry, Arnette, and Edwards hit on successive field goals and the Lions were within four points. But time ran out and the final buzzer sounded with the score standing 62-58.

Intramural fraternity basketball has its own version of Bevo Francis in the red-hot scoring hand of Jim Garrity, the scoring spark-plug of the Delta Upsilon cage squad. Garrity has whipped a total of 84 tallies through the chords on 38 successful field goal attempts and eight of 13 fouls in four games.

The DU courtster has accumulated a tremendous 21 point per game average considering that intramural contests last only 24 minutes. In addition to having the highest average in IM fraternity competition, Garrity leads in field goals and has also scored nearly 62 per cent of his team's points.

Other important statistics that come to light from a look into the IM record books for the 1953-54 basketball season may even be a clue to the All-University champion, if scoring strength is counted a prime factor.

Sigma Chi, leader of League A, has the highest per game average with 35, while Phi Sigma Delta, League B, trails by only four-tenths of a point. Pushing the leaders hard for the season record are Delta Upsilon, League E, and Alpha Tau Omega, pace-setters of League F, with 34 and 32.8 marks respectively.

Other league average leaders are Alpha Phi Alpha with 31 points and Phi Epsilon Pi with

30 points in League D, and Theta Kappa Phi sporting a 27.3 point average in League C.

High single game marks were set as Alpha Tau Omega stacked 53 points in its fourth contest of the season, and Delta Upsilon, paced by Garrity's record 31, cashed in 48 points Jan. 13.

High scoring marksmen behind Garrity are Fred Dorrrell, ATO, 13.7 point average; Jim Babb, Triangle, 13; Bill Bauer, Phi Kappa Sigma, 12.25; George Simpson, Kappa Delta Rho, and Ed Suley, Sigma Pi, tied at 10.75; John Hawk, Sigma Chi, 10.25; Gabe Lensack, Theta Kappa Phi, with a 10 average; Jesse Wachtel, Beta Sigma Rho, 9.67; Tom Furbee, Delta Sigma Phi, 8.25; Ed Ritter,

Sigma Nu, and Charlie Russo, Alpha Phi Delta, 8.2, and Art Poliard, Alpha Phi Alpha, 7.8.

## Rados Uncertain

Tony Rados, who quarterbacked the football team to a six-three record during the past season, is still undecided about a pro career. If he does decide to enter the play-for-pay ranks he will perform for the Philadelphia Eagles.

## Harriers Undefeated

Chick Werner's cross-country squad finished the 1953 season with an undefeated record, defeating Navy and Georgetown in a dual meet and coping verdicts over Cornell, Manhattan, and Michigan State.

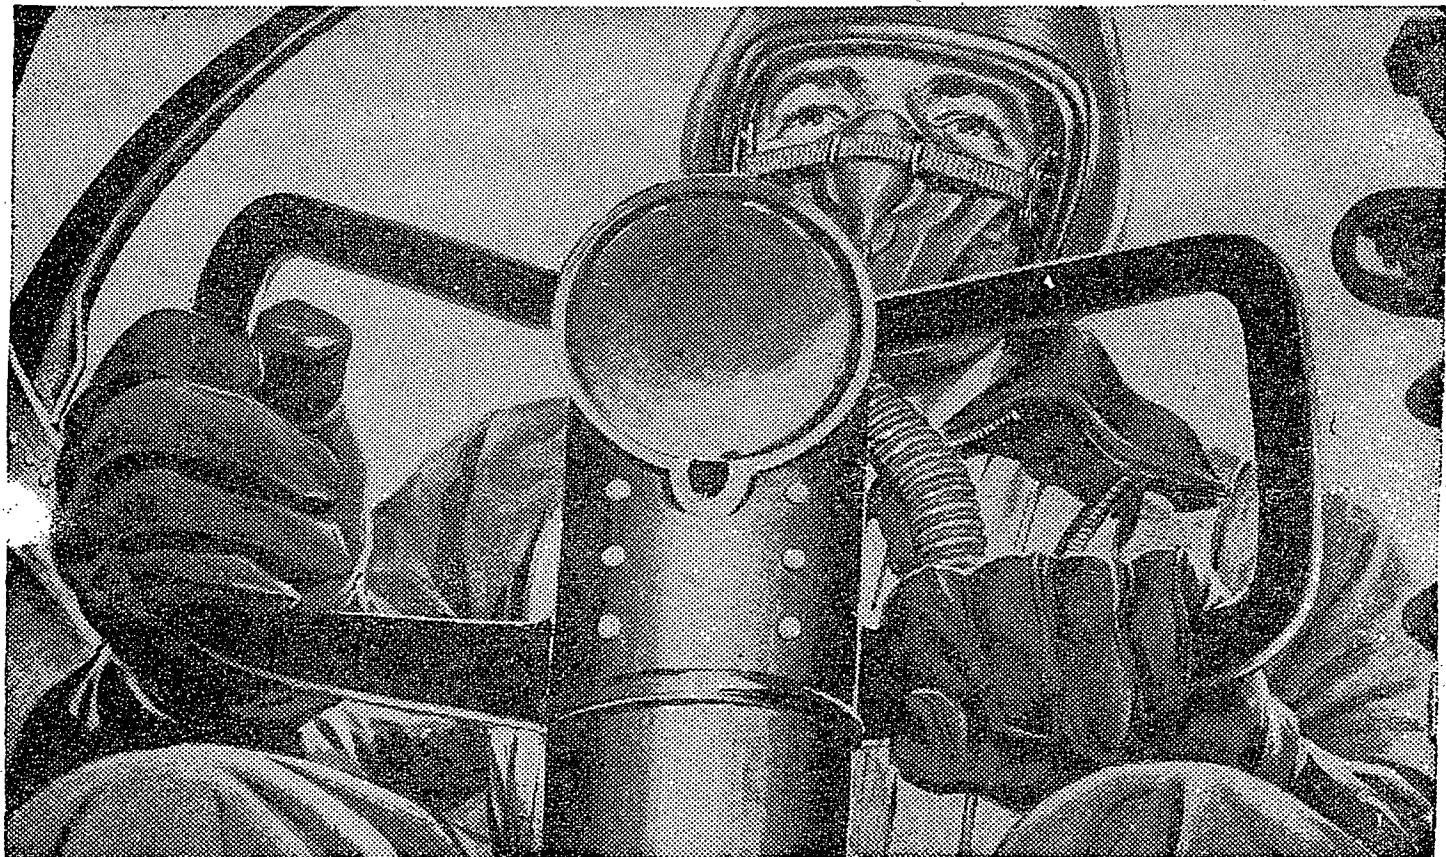

Best of Luck to the National Champions

# Your hands on the Future!

When you grip the wheel of an Air Force jet, your hands are on a fast, high flying future that leads to the top in jet aviation.

● Once behind the controls of an Air Force jet, you leave the humdrum of everyday life . . . soar far above the cares of the crowd into a bright new future of adventure and excitement. You're part of a select flying team, playing for the highest stakes of all . . . mastery of the Jet Age! You'll win too, because you've been trained to win. You have confidence in yourself, in your fellows, and in your plane, the fastest and safest flying equipment in the world.

As an Air Force Aviation Cadet, you get in on the ground floor of jet aviation, learn jet flight with the latest equipment and best instructors. You graduate as an Air Force lieutenant earning over \$5,000 a year . . . a man thoroughly prepared for leadership in both military and com-

mercial aviation. Join the many fine young men who keep their hands on the future. Train as an Aviation Cadet!

### You may be eligible

To qualify as an Aviation Cadet, you must be at least a high school graduate. However, you will be of more value to the Air Force if you stay in college, graduate, and then volunteer for training. In addition, you must be between 19 and 26 1/2 years, unmarried, and in good physical condition.

★ Win an Air Force Commission  
★ Earn over \$5,000 A Year

### HERE'S WHAT YOU DO:

1. Take your high school diploma or certificate of graduation and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.
