May Day Voting Dates Changed To March 23, 25

Election dates for May Day Queen and attendants have been changed to March 23 for the primaries and March 25 for the finals.

Elections are presently being held in dormitory units for representatives to be candidates in the primary election. Most of these have been elected already.

Those elected in dorm units must submit a 5 by 7-inch photograph to their dorm president by Tuesday. These pictures will be used in the polls.

At the primary elections freshmen will vote for three candidates from their class, sophomores will vote for two sophomore candidates, and seniors for three senior candidates.

On March 25, in the final elections, all classes will vote on the three freshmen and three seniors named in the primaries.

The freshman with the highest number of votes in this election will be Freshman Maid of Honor, and those placing second and third will become attendants.

The senior with the highest number of votes will be May Queen, and the two runners-up will be attendants.

Juniors and sophomores will not vote in the final election. The two candidates chosen from each class in the primary will be attendants.

Senior women may sign up to take part in the Hemlock Chain at the polling places. Seventy-five girls are needed and any senior can take part.

Voting places will be maintained in Simmons, McElwain, Atherton, McAllister, and Thompson Halls. Town girls and those living in Woman's Building, Grange, and the Cottages will vote in McAllister Hall.

WSGA, WRA Election Blanks Are Available

Self-nomination forms for Women's Student Government Association and the Women's Recreation Association elections are available in the Dean of Women's office, 105 Old Main.

Blanks must be returned by March 3. A screening board will interview nominees from 1 to 3 p.m. March 6. Candidates selected by the screening board will be introduced at house meetings. Primary elections will be held March 16 and final elections March 18.

Nominees must have a 1.5 All-University average and may not have a major judicial record.

The women will also be asked whether they feel WSGA should sponsor a welfare project such as assisting at a hospital. They will also be asked to list any suggestions for activities which may be sponsored.

The survey will ask women if they voted in WSGA elections last spring and whether they felt they knew the candidates well enough to vote intelligently.

The adoption of a point system which would give a point value to women's activities and place a limitation on the number of points a woman may acquire has been discussed by WSGA. The survey would ask women's opinions of the proposals.

Senate voted to explain the survey sheet at house meetings before it is distributed. The survey will be conducted in approximately two weeks.

A committee was named to work on a display to be sent to the WSGA convention at Northwestern University, Evanston, Ill. Members of the committee are Barbara Lederer, chairman; Mary Gallagher, Ruth Rasmussen, and Marilyn Schott.

Senate also voted to introduce candidates for WSGA elections March 14 at the Tea for Coeds. The tea, arranged by Freshman Council, was originally called the Big-Little Sister Tea.

Candidates' qualifications for elections will be listed on the campaign posters under each woman's picture, the Senate decided.

Senate also approved giving the Graduate Student Council an ex-officio seat on All-University Cabinet. Nancy White, WSGA president, said the council should not have a vote on cabinet because the Graduate School does not contribute to the budget.

Panhel Elections Set for March 16

Elections for three Panhellenic Council officers will be held and appointments to six positions will be made March 16, Ellen Wandel, president, announced this week.

Nominations have been set for March 9. The executive committee, composed of the present five council officers, will draw up a slate for nominations one day prior to this.

Elections will be held for the recording secretary, corresponding secretary and treasurer. The scholarship committee, rushing chairman, social chairman, booklet chairman, philanthropic chairman, and parliamentarian will be appointed by the president, Miss Wandel said.

The latter office was established this week under the revised council constitution.

Of the nine offices, only two must be filled by council members: the social chairman and the scholarship committee.

Council delegates were requested by Miss Wandel to submit suggestions for candidates March 9.
