

University Debaters To Enter Tourney

Two teams from the men's debate squad and two from the women's team will leave tomorrow for Mount Mercy College, Pittsburgh, to participate in an invitational tournament.

Sidney Goldblatt and Richard Kirschner of the men's team will debate the affirmative of the question, "Resolved: That the United States should adopt a policy of free trade." Debating the negative will be David Meckler and Benjamin Sinclair.

Goldblatt and Kirschner participated last week in a northern-southern tournament at West Virginia University. Sinclair and Meckler debated at Boston University Saturday against eastern teams.

Joseph F. O'Brien, professor of public speaking, will accompany the debaters.

Barbara Menapase and Lois Hummel will assume the affirmative position of the free trade question in the three-round tournament. Ann Leh and Margaret Troutman will debate the negative.

Kirschner, eighth semester arts and letters major, recently won the men's debate extemporaneous contest, which entitles him to represent the team at the State Forensics Tournament March 18 to 20 at Allegheny College. George Haines, second semester education major, placed first in the oratory contest. He will represent the University squad at the state competition.

Sinclair was judged second place winner in the extemporaneous speaking contest and Edward Klevans was second in the oratory contest.

Each of the debaters competed in the oratory or extemporaneous divisions in preparation for the forensics. Sinclair, who competed in extemporaneous speaking at the Boston tournament last weekend, placed second in the state tournament last year.
