## 6 Wrestlers Enter Eastern Quarter-Finals

**By SAM PROCOPIO**  
ITHACA, N.Y. — In defense of its third consecutive Eastern wrestling championship, Penn State entered six of its eight men into the quarter-finals this afternoon here at Barton Hall and kept pace with all contenders, scoring four fall points.

Team scoring going into tonight's quarter finals beginning at 8 p.m. are as follows: Penn State, Lehigh, and Army, 4 Navy, Cornell, Pitt, and Syracuse, 3; Princeton, Franklin and Marshall 2, and Harvard, 1.

Temple, which has scored two falls, has a total of minus eight points because it failed to enter men in the 167 and 177 weight classes.

Providing Coach Charlie Speidel with team points were Bob Homan, 123-pound class; Dick Lemyre, 130; Gerry Maurey, 137; and Bill Oberly, heavyweight. Joe Krufka, 177-pounder, and Doug Frey, 147, won their meets by decision.

Penn State, defending Eastern wrestling champions, took an early one point lead in the quarter-final round of the Eastern Intercollegiate Wrestling Association tournament at Barton Hall, Ithaca, N.Y., last night.

The Lion matmen scored three falls, and advanced five men into the semi-finals to be played this afternoon. The field of contenders battling for the Eastern mat crown has dwindled to Pittsburgh, Penn State, and Lehigh commanding top attention.

Homan, with less than ten seconds left in the first period, took his opponent, Dick Anderson of Syracuse, down for two points. Homan scored an escape point in the second period and then from a standing position secured a double arm lock and tripped Anderson to the mat for the fall. The time was 5:53.

Adding another point to the Penn State total, Lemyre pinned Frank Yatsu of Brown with a three-quarter nelson and body press at 1:16 of the bout. Lemyre had a quick takedown and found little trouble in making Yatsu observe the Barton Hall lights.

## Arnelle Tops Nittanies in Tourney Win

**By DICK McDOWELL**

An unranked Penn State basketball team, defying the experts who shunned them as contenders in the NCAA cage eliminations, battled from behind for the second night in succession last night to whip Louisiana State, 78-70, at Iowa City. The win moves the up-rising Lions into the finals of the Eastern Regional Playoffs tonight.

Penn State and Notre Dame will meet tonight in the NCAA Eastern Regional finals at Iowa City. The Irish upset powerful Indiana last night, 65-64, to earn the right to play in the finals. The game will begin at 10 p.m. EST.

Led by center Jesse Arnelle, the Nittanies, trailing by ten points at one time in the second quarter battered back in the final seconds of the first half to move ahead 34-32. Then they went on to win it in a topsy-turvy second half battle.

Arnelle fired in 24 points and did a terrific rebounding job as he and his Penn State teammates pulled what could be the greatest upset in Penn State history. Even a 34-point scoring spree by All-American Bob Pettit wasn't enough to stop the fired-up Nittanies as they tallied 29 field goals and 20 foul points while their (Continued on page seven)

### Army Report Hits Counsel Of McCarthy

WASHINGTON, March 12 (AP) — Sen. Joseph R. McCarthy (R-Wis.) and Army Secretary Robert T. Stevens collided again today as charges and countercharges of pressure, blackmail, and lying exploded around the case of a drafted member of McCarthy's subcommittee staff.

What set off the latest spectacular flare-up within and around the McCarthy subcommittee was an Army report accusing the Wisconsin senator and his chief counsel, Roy Cohn, of turning on pressure for favored treatment for Pvt. David G. Schine.

Schine is Cohn's pal and was a consultant to the McCarthy committee until the was drafted into the Army last November.

McCarthy bitterly protested that the report was an attempt at "blackmail." Just as bitterly, Stevens protested McCarthy's release of an unsigned memorandum the senator said was from committee files—a memo that said Stevens had asked that the subcommittee shift its hunt for Reds from the Army to the Air Force, Navy, and Defense department.

The Army report at the heart of the newest clash said Cohn told Stevens he would be "through" and the Army "wrecked" if Schine was sent overseas. It said McCarthy repeatedly asked that he be assigned to the New York area, where he could assist the subcommittee on the side.

At the McCarthy news conference, Cohn sat pale and solemn beside the Wisconsin senator.

McCarthy said he had no intention of firing Cohn.

### Lion, State Cliques To Meet Tomorrow

Candidates for All-University, and senior and junior class offices will be elected at 7 p.m. tomorrow night at the final clique meetings of Lion and State parties.

Lion Party will meet in 121 Sparks. State Party will meet in 10 Sparks.

Students must present matriculation cards tomorrow night to pick up clique membership cards. Edwin Kohn, elections committee chairman, said yesterday. Kohn said no student would be given a clique card on recognition alone. The matriculation card must be presented, he said.

Clique cards may be picked up at tables in either the ground or first floor lobbies of Sparks, depending on where the clique is meeting.

**Cliques File Lists**  
Both cliques have filed a complete membership list with the elections committee. The lists contain the name of every clique member who has attended two meetings and the name of every student who has attended one meeting. Kohn said 408 names were on the Lion Party list and 210 on the State Party list.

According to the spring election code, a student must attend two of three clique meetings to be eligible to vote in the final clique elections. This means that students must have attended at least one previous clique meeting to be eligible to vote tomorrow night.

The spring All-University elections will be held April 7 and 8.

**Arnelle, Smoot Nominated**  
Jesse Arnelle, junior class vice president, and Robert Smoot, campus National Student Association coordinator, were nominated by Lion party last week for All-University president.

Benjamin Sinclair, Lion Party clique chairman, said yesterday that it wasn't known if Arnelle would return from the basketball road trip in time to address the clique again tomorrow. Arnelle gave an acceptance speech last week. Smoot will speak tomorrow, Sinclair said.

State Party nominated Lewis Wade, secretary-treasurer of the Mineral Industries Student Council, last week for All-University president. There were no other nominations for president.

**Donovan Nominated**  
Lion Party nominated Jerry Donovan, sixth semester labor management relations major, for All-University secretary-treasurer. There were no other Lion Party (Continued on page eight)

### Student Fined, Then Fined Again; He Fumes

"Ignorance of the law is not blissful—but blistered!"

Those are the words of Capt. Philip A. Mark, head of the Campus Patrol. He cited a case to prove his point.

A student, given a ticket for a parking violation, decided to drive to the patrol office to pay his fine. He drove down Pollock road during class hours. He was stopped by Mark and given another ticket for a traffic violation. Total in fines: \$5. The student? Blistering.

Three other students were given tickets yesterday for driving on Pollock road between 7:30 a.m. and 5:30 p.m. This brings to 38 the number of tickets given since a traffic violation crackdown started four days ago.

But students are striking back. Two days ago a sign flapped in the wind, hanging on a tree on Pollock road near MacAllister Hall. Declared the 24 by 18 inch poster in bright red and blue letters: "Campus Patrol Purge Ahead."

Yesterday the sign hung on the wall of the office of James W. Dean, assistant to the dean of men in charge of independent affairs.

### Library Exhibits Folger Editions

On display in the University Library until March 23 is the traveling Shakespeare exhibit of the Folger Shakespeare Library, Washington, D.C.

The collection, the first traveling exhibit of Shakespeare, includes a copy of each of the Folio editions of the dramatic works, two Quarto editions of single plays, and a number of prints, facsimiles, and reprints published by the Folger Shakespeare Library. The prints illustrate the life and times of Shakespeare, and the Elizabethan stage.

The exhibit, which was accepted in 1932 by President Herbert Hoover as a gift of Henry Clay Folger to the American people, is intended to acquaint the public with Shakespearean literature.

## Coeds to Decide on Election Issue

A decision to release the Women's Student Government Association's final election figures was again postponed yesterday when Senate unanimously agreed to take a vote among women students.

Women may vote on the issue at the primary elections Tuesday. Final elections will be Thursday.

The vote is a compromise measure taken when Mary E. Brewer, assistant to the Dean of Women, said Senate was not legally able to release the figures in view of a vote taken in 1951.

When a proposal to release the figures was being considered in November 1951, women voted at house meetings that they did not wish to have the results released. Eighty-five per cent of the women students voted. Two-thirds of those voting opposed releasing the figures.

Because of the results of this vote and because women may see

the results in the Dean of Women's office, 105 Old Main, WSGA tabled the proposal to release the figures.

Miss Brewer said whether the figures are published is immaterial, but Senate cannot act against a vote taken of the students. She said the women should be able to vote again.

According to the motion passed unanimously by Senate, if the vote shows that women wish the final election figures released, WSGA will release them. The primary election figures will not be released.

Patricia Ellis, senior senator, said the attitude expressed by the vote taken in 1951 was practically the result of the fact that the proposal was presented in a negative manner. Miss Ellis said at that time WSGA opposed releasing the figures and presented the proposal negatively.

When the vote is taken Tuesday, women will be given a mim-

### Schott to See Prexy Tuesday On Social Code

Interfraternity Council President Thomas Schott will meet with President Milton S. Eisenhower at 2 p.m. Tuesday to discuss the new drinking and dating policy recently adopted by the University Senate.

Schott will attend the meeting with the President and Wilmer E. Kenworthy, director of student of affairs, as a representative of the presidents of the University fraternities. They asked that he discuss possible changes and get the administration's interpretations of several sections of the code.

The fraternity presidents took the action at a midnight meeting on Wednesday. They expressed satisfaction at the new version of Senate rules W-4 and W-5 which restate the University's attitude toward drinking; making the fraternities responsible for their own actions.

Major objections were voiced against sections of the regulations requiring extensive use of chaperons and the time limits on entertaining women in the houses.

### Collegian Tomorrow

The Daily Collegian will publish a special four-page sports extra tomorrow morning. The special issue will carry final results of the Eastern Intercollegiate Wrestling Association match at Ithaca, N.Y.; Intercollegiate Boxing Association Eastern tournament finals at Charlottesville, Va.; Eastern Intercollegiate Gymnastic Association meet in Philadelphia, and tonight's NCAA basketball game.
