## Election Issue To Be Decided On Thursday

Editorial on page 4

Women will not vote on releasing the Women's Student Government Association's final election figures until Thursday, Nancy White, WSGA president, announced yesterday.

The vote, which was to be taken during the primary elections today, is being delayed because there has not been sufficient time to prepare the mimeographed statement on the issue, Miss White said.

According to the motion passed unanimously by Senate at a special meeting Friday, if the vote shows women wish the final election figures released, WSGA will release them after the final elections Thursday. The primary election figures will not be released.

At the special meeting Mary E. Brewer, assistant to the Dean of Women, said Senate was not legally able to release the figures in view of a vote taken in 1951.

When a proposal to release the figures was being considered in November 1951, women voted at house meetings that they did not wish to have the results released. Eighty-five per cent of the women students voted. Two-thirds of those voting opposed releasing the figures.

Patricia Ellis, junior senator, said at the meeting Friday that the attitude expressed by the 1951 vote could have been a result of the fact that WSGA opposed releasing the figures and presented the proposal negatively.

# Council Investigates Frosh Hour Change

By BARBARA HENDEL

The possibility of changing freshmen hours is being investigated by Freshman Council. The group has conducted a survey of those colleges and universities throughout the United States with an enrollment of 5000 or over. Investigated were weekday hours, weekend hours, Sunday night hours, and big weekend hours.

Approximately 60 schools were contacted in this survey. Results showed that 90 per cent of the other schools had later hours than freshman coeds on the Penn State campus.

The majority of weekday hours were 10:30 p.m. Over weekends, most schools maintain 1 a.m. deadlines Friday and Saturday for freshman women. Contrary to Penn State's system of having Sunday night's hours equal to weekday hours, other schools grant freshmen and upperclasswomen late Sunday night hours. A 10 or an 11 o'clock was offered to freshmen in most cases.

Big weekend hours varied, but the most common permissions were the same as upperclass hours.

## Frosh Vote

Freshman women were asked to express their opinion on having one 11 and one 12 o'clock over weekends. The women voted against this. What they voted for is an 11 o'clock Friday and a 1 o'clock Saturday. This would be a one hour gain over the present 10 p.m. and 1 a.m. permissions.

When faced with the question, "What would freshmen do with that extra hour?" Freshman Council said that a 10 o'clock does not allow sufficient time to attend a sports event or movie. Many campus dances do not start until 8 or 9 p.m., which discourages freshmen from attending.

## Fraternity Date Rule

The major argument against a change in hours was the fact that an extra hour might mean that freshman women would attend fraternity house. This violates one of the Senate Rules and Regulations for Undergraduates.

## Panhel Will Elect 3 Officers Tonight

Panhellenic Council will elect a recording secretary, corresponding secretary, and treasurer at a special meeting at 6:30 tonight in the Alpha Epsilon Phi chapter room, 28 Simmons.

Polly Moore, Delta Gamma, was nominated for corresponding secretary; Barbara Woodword, Kappa Delta, for recording secretary; and Nina Finkle of Alpha Epsilon Phi, and Lillian Duvall of Chi Omega for treasurer.

Joanne Caruso of Delta Delta Delta was elected vice president by the executive council last week.

Presidential appointments to chairmanships will also be made tonight.

## 5 O'Clock to Give 'Allemande Left'

"Allemande Left," a play by Rolland Taylor, seventh semester arts and letters major, will be presented at 5 p.m. today in the Little Theater, basement of Old Main.

Fred Sinfelt is the director for the production. Five O'clock Theater productions are given every Tuesday free of charge by the experimental division of the Dramatics department.

This ruling goes out of effect next September, so the Freshman Council has appointed a committee of six, three freshmen weekend hours.
