

Arnelle --

(Continued from page one)
day 1701 students voted.

In total, Lion Party won five offices; State Party candidates took the remaining four.

It took over five hours for the All-University elections committee to count the ballots. Last year, when voting machines were used, results were available three minutes after the polls closed.

Only one vote count was disputed. John Lyon, State Party vice clique chairman, called for a recount of the results for the Junior Class secretary-treasurer post. The first count showed 528 votes for Judith Sedor, Lion Party, to 508 for Patricia Dickinson, State Party.

Both party chairmen recounted the ballots.

Of the 9442 students eligible to vote, 4420 cast ballots. There were 4716 seniors and freshmen combined eligible to vote; 2269 did. Of the 2157 eligible students to vote for senior class officers, 927 cast ballots. In the sophomore class, 2569 were eligible; 1225 voted.

The two classes which didn't have class officers at stake—present day seniors and freshmen—voted heaviest. Seniors and frosh combined had a percentage of 48.1 going to the polls. The sophomore class had a 47.6 per cent turnout and the junior class was last with 43 per cent of the class voting.

Edwin Kohn, elections commit-

tee chairman, said early this morning he was disappointed in the results of the new decentralized voting system. The slight increase in votes does not justify the extra hours of work the system entails, he said.

Kohn said he will recommend that next year polls be located in the Student Union building and the lounge in Old Main, but not in four locations as was done this year.

Almost as many students voted in the West Dorm lounge as did in the Old Main lounge—the traditional polling place. In the West Dorm lounge, 1554 students cast ballots, while 1654 voted in Old Main.

Arnelle, informed of his victory in the University Hospital, where he is being treated for a cold, said last night:

"My heart has been happy many

times in my life, but never quite as happy at any one time as it is tonight.

"My most humble thanks also to Lewis Wade, a grand guy and worthy opponent for running a good and fair campaign."

Wade, the defeated candidate, said:

"I offer my sincere congratulations to Jesse... I was especially pleased at the large number of students who voted and I'm sure student government will continue to improve under Jesse's leadership."

John Speer, victorious candidate for All-University vice president, declared, "I would just like to thank all the students who have placed their trust in me, and I will do my best to uphold this honor they have bestowed upon me."

Robert Homan, victorious State

Party candidate for All-University secretary-treasurer said last night, "I shall endeavor to fulfill all the responsibilities of this office and also the obligations the State Party has pledged to you."

William Rother, defeated State Party candidate for All-University vice president, said, "I have much confidence in our new All-University officers, and I will remain active to serve in any capacity that I might be helpful in."

Jerry Donovan, defeated candidate for All-University secretary-treasurer, said, "No candidate likes to lose, but I have no complaints about losing to Bob. He's a great guy and I wish him luck."

Lyon Selected--

chairman would not be there, the vice-chairman, Lyon, should represent the party.

White charged that "strained relations within the party" caused the dispute.

Neither party was fined votes for violations since none were reported.

Benjamin Sinclair, Lion Party clique chairman, represented the Lion Party at the vote counting session.
