

Brownell Offers Anti-Red Plan

WASHINGTON, April 12 (AP)—Atty. Gen. Herbert Brownell today handed a House Judiciary subcommittee a 10-point legislative program aimed against the Communist movement which he described as "the advance guard of the military power of Russia."

Brownell, who has made public previously his proposals for anti-subversion legislation, suggested that outlawing the Communist party would cause it to go underground and make it tougher for the FBI to keep it under surveillance.

All-out Draft Is Ordered In Viet Nam

SAIGON, Indochina, April 12 (AP)—War-ravaged Viet Nam today ordered an all-out draft of her young men in the first of a far-reaching series of measures to help the French smash the Viet-minh's Red-led legions in Indochina.

The new Viet Nam Cabinet—meeting under Premier Prince Buu Loc for the first time since it was formed Saturday—decreed total mobilization by May 15 of its male citizens between 21 and 25. It marked the first time in the seven-year Indochina War that Viet Nam has ordered a total call-up. Until now the Union Forces of French, North Africans and Foreign Legionnaires have carried the main load.

Word of the draft order came as the French announced in Hanoi that the weary, out-numbered defenders of Dien Bien Phu had hurled back another rebel assault on the northwest Indochina fortress. A French spokesman said the counter-attack, launched at bayonet point, had taken a heavy toll on both sides.

To give its mobilization order force, the Viet Nam Cabinet ordered courtmartial boards set up to handle draft dodgers and deserters. All men subject to military duty were forbidden to leave the country.

Russia, Arabs Join on Debate

UNITED NATIONS, April 12 (AP)—Russia's Andrei Y. Vishinsky lined up with the Arab countries today against a Western Power plan for a general debate on the tense situation between Israel and Jordan.

The threat of a walkout by Lebanon from the Security Council hung over the delegates as Vishinsky, whose country first used the walkout as a policy instrument eight years ago, said it is not expedient or necessary to lump together conflicting Israeli and Arab complaints.

Vishinsky thus pushed a step farther the new turn of Soviet diplomacy in siding with the Arabs in disputes with the West or in their unending conflict with Israel.

'Strike It Rich' Accused Of Violating Funds Law

Rumania Yields American's Sons After 7 Years

FRANKFURT, Germany, April 12 (AP)—Red Rumania today yielded up after seven years the two sons of Rumanian-born Valeriu C. Georgescu who had scorned Communist demands that he buy their freedom by spying against his adopted America.

"I hardly recognized them, they had grown so much," the emotion-shaken father told reporters after a tearful reunion in Munich—the first in seven years.

The boys, Constantin, 19, and Peter, 15, smiled happily as they chatted with their father.

Georgescu said help from the State Department had made it possible for the boys to leave Rumania. He refused to disclose details, saying only "We're most grateful to those who helped us."

Georgescu said he did not know until two weeks ago that the boys would be allowed to leave Rumania. The last time he saw his sons was in 1947 when he and his wife left Bucharest, where he was branch chief of Standard Oil of New Jersey, for a two-month visit to the United States.

National Olympic Day

WASHINGTON, April 12 (AP)—Legislation authorizing the President to proclaim Oct. 16, 1954 as National Olympic Day was approved by the House today.

Army to Give Accusations

WASHINGTON, April 12 (AP)—The Army agreed today to give investigating senators an advance statement of its accusations against Sen. Joseph R. McCarthy (R.-Wis.) and of the evidence to support the charges.

The Senate Investigations sub-committee, which will conduct the inquiry at public televised hearings starting April 22, announced it also has asked McCarthy for similar statements in connection with his accusations against top Army officials.

Sen. Karl E. Mundt (R.-S.D.), who will preside at the investigation, told a news conference the charges made by each side in the bitter row will be made available to the other and the subcommittee's special counsel, Ray H. Jenkins said it would be "normal" practice to make the statements public at the same time.

Mundt described the move as intended in part to prevent either side from springing some "surprise package" of testimony at its adversary in the hearings. But he said it "would not preclude" the calling of unscheduled witnesses if it became necessary to bring out the truth in the battle of charges and countercharges.

At McCarthy's suggestion, Mundt said, the subcommittee will meet instead tomorrow with Roy M. Cohn, the subcommittee's regular chief counsel, and Francis P. Carr, its chief of staff, whom an Army report has accused along with McCarthy of using pressure tactics in efforts to win favored treatment for Pvt. G. David Schine, a drafted associate.

Two Newspapers File Appeal Notice

PITTSBURGH, April 12 (AP)—The Pittsburgh Post-Gazette and the Greensburg Tribune-Review Publishing Co. filed notice of appeal today with the U.S. Third Circuit Court of Appeals in the Westmoreland County courthouse photo-ban case.

The newspapers originally brought suit in Federal District Court last month to determine the legality of an order banning photographs in the Westmoreland courthouse corridors. U.S. District Judge Wallace S. Gourley ruled the state high court should decide the point.

The dispute arose over an order issued by Westmoreland County prohibiting pictures in the courthouse and jail.
