

Thinclads Enter Penn Relays Tomorrow

Face Nation's Track Powers In Philadelphia

By DICK McDOWELL

Track and field fans will be focusing their attention on Philadelphia's Franklin Field tomorrow and Saturday as the 60th renewal of the mammoth Penn Carnival Relays get underway.

More than 300 high school and college athletes will enter 91 events slated to begin early tomorrow morning and continue until late Saturday.

The Penn State entry, expected to be around 14 or 15 contestants, will leave for Philadelphia at 1 p.m. today and part of the Lion squad will see action tomorrow.

Eastern Powers

The meet has attracted most of the leading track powers in the east and a good representation of the strong mid-west schools is expected. Michigan, Indiana, Notre Dame, Marquette, and Oklahoma A&M have all entered.

Most of Coach Chick Werner's squad is set and time trials held yesterday determined the remaining positions to be filled.

Charlie Blockson and Rosey Grier will both see action Friday in the discus throw. Bill Youkers also gets into the act on the opening day in the invitation 120-yard high hurdles. The only other Lions in action Friday will be Werner's entry in the College Distance Medley Relay Championship of America.

Pollard to Run

Art Pollard and Don Austin will fill one half of the quartet and Bob Matz, Roy Brunjes, Bob Hollen, and Doug Moorhead are all gunning for the other two positions.

On Saturday Grier and Blockson will see action in the shot put trials and Dan Hutchenson will enter the javelin trials. Pollard will be running in the invitation 100-yard dash and Dan Lorch will be after pole vault honors.

Saturday's relay schedule includes a College freshman one-mile relay, college four, two, and one mile relays. Penn State's line-ups for these events have not been determined.

CINDER SIDELIGHTS: Lions had only one first place in the Ohio Relays last Saturday. Speedster Art Pollard captured the 300-yard run title with a 30.5 clocking... Rosey Grier, although finishing third, smashed the Penn State shot put record. Grier powered the shot 52'9 1/2". Unofficially the Lions finished third teamwise behind Michigan and Illinois... There is no team scoring in the meet... Pollard's time in the 300 was just .7 second below the world's record.

Deadline Set For IM Entries

All entries for intramural tennis-doubles, team golf and soccer tournaments must be turned in at the Intramural office in Recreation Hall by 4:30 p.m. Tuesday. Competition for the three tournaments will get under way April 30.

The tennis doubles and golf tournaments will be single elimination competition and opponents must arrange for the time of the matches. The Intramural Office will post deadlines for each match.

The soccer tournament will consist of small round-robin leagues in which each team will play at least two games. The league winners will play-off for the championship. Games will be scheduled in the evenings starting at 6:15 p.m. and will be played on the soccer practice area on the golf course.

Weary Stickmen Bow 10-6 After 23-1 Loss to Navy

Penn State's lacrosse men journeyed down Maryland way on a two-day road trip last week before heading home for the Easter Holidays—but wish they hadn't. The Midshipmen of Navy soundly thrashed the Lions on April 14 by a score of 23-1, almost repeating their 19-1 showing against State last year. Tired, and nursing some bruises received in the Navy clash, Thiel's stickmen moved on to Baltimore where they met defeat at the hands of Charlie Wenzel's Loyola Greyhounds, 10-6.

From all indications, Navy, coached by William 'Dinty' Moore, is headed for another National Championship. One convincing indication is the 12-7 verdict that the Middies gained over the University of Maryland. Maryland, a threat for the title, had previously been unbeaten. A National Championship would be nothing new to coach Moore who has guided four Navy teams to the coveted title.

Thirteen lettermen have returned to aid Moore in the quest. In goalie John Jones, Moore had a candidate for All-American Honors.

Perhaps had the schedule-makers reversed the order in which Penn State was to meet Navy and Loyola, the team might be sport-

ing a 2-1 record instead of just the opposite. It was a very weary team that took the field against Loyola April 15. The 23-1 loss to Navy had taken a lot out of the team besides having brought injury to two of its members. Andy Bergesen, reserve midfielder, and third-stringer John Flynn did not dress for the Greyhound encounter because of injuries.

Jim Reed scored twice with Bob Hamel, Al Fulton, Dick Klein, and Jim Griffin each tallying once for the Lions. With the 10-6 victory the Greyhounds gained revenge for a 13-8 loss to Penn State last year. Loyola was the only school to bow before the Lions last year.

Penn State's next game is with the University of Pennsylvania Saturday. The game will be played in Philadelphia. The Lions will meet Hobart and Syracuse on the road next weekend.

Baseball's Big Leagues

NEW YORK, April 21 (AP)—Home runs by Gil McDougald, Mickey Mantle and Yogi Berra ruined Leo Kiely's return from the Army today as the New York Yankee whipped Boston 5-1 on an eight-hitter by Eddie Lopat.

Kiely's last American League start was at Yankee Stadium, Sept. 29, 1951, when he also lost to Lopat, 4-0. He was the sixth lefthander to face the Yanks in their first seven games.

The Yanks "long ball" did a job on the 24-year-old southpaw, three runs coming from homers and another on Hank Bauer's

triple following McDougald's single opening the third. Two walks by rookie Tom Brewer, the Red Sox's spring sensation, and a single by Berra off reliefer Frank Sullivan added the final score in the seventh.

IT'S ALL A MATTER OF TASTE

A man who smokes a Lucky Strike is really on the ball. So round, so firm, so fully packed—The cigarette for all!

When you come right down to it, you smoke for one simple reason... enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco... light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better... always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.
