

Library Open House To Feature 3 Tours

The Open House and Penn State Ambassador Tour of the University Library from 7 to 9 p.m. tomorrow will offer visitors a behind the scenes look at library administration.

The Open House will feature three guided tours, special exhibits and two new sound, color films.

Ever since October 1953 when the periodical department moved into the new west wing on the second floor, various other departments of the library have been rearranged and expanded. The new wing has allowed the expansion of existing departments and provided new space for reading rooms and study desks.

To Examine Microfilms
Visitors to the Open House may examine the library's reading machines. A microfilm reading machine is used to view printed material on 35 mm film. The film records books, newspapers, magazines, typed theses and manuscripts. The microfilming's chief advantage is the saving of storage space. A 112-year file of the New York Herald-Tribune on microfilm occupies as much space as two years' bound newspaper volumes.

On the first floor, two large new reading rooms open off the open shelf room and provide over 200 extra study spaces. An automatic book conveyor and a pneumatic tube system facilitate requests for books which must be

obtained from different stack levels.

On the second floor the new wing houses two large reading rooms on either side of the public card catalogue. The old circulation desk near the catalogue is being supplanted with an information desk where trained librarians will be on hand to assist students. Also on the second floor are the periodical, reference, and technical processes departments.

Visual Aids Demonstration
An Inspect-O-Film machine and a tape-duplicating machine will be demonstrated by the Audio-Visual Aids Library which has expanded to cover two-thirds of the ground floor. By detecting excessive scratches, "Scotch-tape" mending, and damage to sprocket holes in film, the Inspect-O-Film helps eliminate small defects before they become large. In addition, this mechanical-electronic device greatly increases the speed of film inspection. Campus and extension groups and schools and organizations in the State have access to the facilities of the Audio-Visual Aids Library, which now boasts 3200 films.

Eleven Audition For Freshman Talent Show

Eleven entries have been received in the Freshman talent show, Robert Gellman, talent show chairman, said yesterday.

Entrants will audition Sunday in the Temporary Union Building for the finals to be held Friday in the TUB, Gellman said. Eight acts will be chosen for the finals.

Judges for the finals are Robert M. Koser Jr., assistant to the registrar, and Moylan Mills, graduate assistant in English composition. The master of ceremonies will be Samuel Wolcott, second semester arts and letters major.

The winner of the show will receive a \$20 prize. Second prize is \$10 and third \$5.

The winner of the show will entertain at the intermission of the Freshman class dance May 1 in Recreation Hall.

Oliver to Be Adviser At Geneva Meeting

Robert T. Oliver, professor and head of the Department of Speech, will attend the Geneva Conference as adviser to the South Korean delegation.

Oliver is the author of "Syngman Rhee," which will be published Monday.

ROTC to Hold Blood Drive

The Red Cross campus unit is sponsoring a blood drive Monday, Tuesday, and Wednesday at the Temporary Union Building. In this drive, ROTC students will donate blood. If a sufficient number of ROTC men do not sign up to give blood, walk-ins will be accepted.

Groups of girls will take over the canteen and hostess work during the drive. Thompson Hall will be in charge of canteen work Monday; Pi Beta Phi Tuesday; and Delta Delta Delta Wednesday. Alpha Phi Omega will set up the equipment.

The Red Cross campus unit has elected the following officers: chairman, Betty Buchanan; secretary, Jean Yemm; and publicity chairman, Kay Brainen.

Panhel Junior Adviser Selected by Sorority

Mrs. Chester Dahl, adviser for Delta Delta Delta, has been chosen by the sorority as junior adviser for Panhellenic Council. She will replace Mrs. Harold L. Black, Alpha Chi Omega adviser, who will become senior adviser for the council.

The choice of advisers is rotated among sororities. The advisers serve two years, one in a junior and one in a senior capacity.

Mrs. Black and Mrs. Dahl will assume their new positions Tuesday at the first meeting of the new council. Mrs. George Leffler, Gamma Phi Beta, was senior adviser for the retiring council.

Deadline Set For Hatman Applications

Deadlines for applications for men's hat societies have been set by two senior and two junior groups.

Sixth and seventh semester men having a 1 All-University average may submit applications to Parmi Nous and Skull and Bones, senior men's hat societies, until 5 p.m. Thursday.

Tuesday is the deadline for applying to junior men's hat societies. Fourth and fifth semester men having a 1 All-University average may submit applications to Androcles, and fourth semester men to Blue Key.

Final screening for Druids, sophomore men's hat society, will be made Sunday.

Letters of application should be addressed to the president of the society and submitted at the Student Union desk in Old Main. Letters must contain the student's curriculum, University address, All-University average, and activities.

Men may apply to more than one hat society, depending upon their semester standing.

Outing Club Plans Hike

The Penn State Outing Club will sponsor a hike to Mt. Nittany Sunday. Students interested will meet behind Osmond Laboratory at 1:30 p.m. Sunday. Transportation to Lemont will be provided.

Finals—
