

Vesling Defeats Bucknell 9-1

Bedenkmen Will Meet Scarlet Here

By HERM WEISKOPF

Six-hit pitching by Keith Vesling, supported by nine Nittany hits, including back-to-back home runs by Rex Bradley and Vesling, paced Penn State to a 9-1 victory over Bucknell yesterday at Beaver Field.

Rutgers will be on hand for a single game today starting at 3:30 p.m. on Beaver Field.

WDFM will broadcast today's game. A pre-game show will be on the air at 4 p.m. and the play-by-play will start at 4:15 p.m.

The Penn State batters broke out of their hitting slump, with Charlie Russo, Ron Weidenhammer, and Vesling each getting two hits. Vesling's win made his record 2-1 and gave the Lions a 4-2 mark.

Two Pickoffs in First

Two pickoff plays ended a first inning threat by the Bisons. Lead-off man Clark Workman drew a base on balls, but Vesling fired to first baseman Pat Kennedy in time to catch the Bucknell runner off base. John Chironna, Bison leftfielder, walked and went to second on Richey McFarland's single. A perfect peg by catcher George Ettenger to Russo at second caught Chironna napping and ended the inning.

Penn State opened the scoring in the third, getting three runs on one hit, a two-run single by Russo. With two out and Kennedy on first via a base on balls Bucknell pitcher Don Richards walked Tom Werner, Bradley, and Vesling in succession to force in a run and set the stage for Russo.

Richards' Control Poor

Richards' fast ball was sizzling, but instead of playing tricks on the batters it was playing tricks on him. The leftfielder's fireball had a hard time finding the strike zone and when it did the Lions connected for hits.

Weidenhammer and Ettenger began the third with singles, and following a wild pitch by Richards the Bisons inserted Jack Flurer to do the hurling. Kennedy hit a hot smash between short and third to score both runners and put the Lions in the lead 5-0.

A triple steal, two singles, and two walks gave Penn State two more runs in the fourth. Vesling and Russo opened with singles. Flurer almost got out of the frame unscathed, but with two out and a 3-2 count on Ettenger he served up ball four to load the bases. Kennedy was also walked and with Hubie Kline at bat Russo stole home, Ettenger third, and Kennedy second.

Bucknell scored in the sixth on singles by Workman and Chironna and a wild pitch by Vesling.

Bradley and Vesling clouted successive homers with one down in the eighth. The only other extra base hit was a triple in the fourth by Bucknell's McFarland.

Booters Will End Spring Drills Friday

While the spring sports have been holding most of the local attention, the soccer squad has been doing some behind the scenes preparations for the coming fall season.

Coach Ken Hosterman, who took over the soccer coaching spot last fall after the retirement of Bill Jeffreys as mentor of the Lions for 27 years, has been holding sporadic practice sessions for the past five weeks for his veterans and new candidates. Drills will end Friday.

"Our practices haven't been held regularly," Hosterman said. "I've been holding them just to get some of the boys loosened up during the long lapse between the seasons."

Attendance of Hosterman's expected returnees from last year's squad has been irregular, but the youthful coach says he has been able to give more time to watching some promising freshmen because of the smaller group practicing.

Hosterman probably will have ten veterans returning from his 1953 squad which posted a 5-2 record. But the Lions will suffer heavily by the yearly graduation menace. Captain Hap Irvin and Emil Borra, both fullbacks, and wings Hubie Kline and Bill Norcik have been graduated.

"Irvin was a terrific loss," Hosterman admitted. "Hap was fast and he was dependable—he's going to be hard to replace, if that's possible," Hosterman said.

10 Veterans
Five juniors and five seniors will make up the bulk of the veterans for next fall. Captain Jack Pinezich, Paul Dierks, Gerry Gillispie, Joe Majares, and Galen Robbins have been soccer mainstays in the past.

Don Packard, Ihor Stelnyk, George Geczy, Milt Springer, and Dick Matacia saw plenty of action as sophomores.

Hosterman has his eyes on several freshmen including Tommy Knute, Ward Hill, Steve Flamporis, and Tony Tremonte.

"Our fullback slots are going to be tough to fill," Hosterman explained, "and our line and halfback line may need some new talent depending on the amount of shifting we must do."

Net Squad Seeks 2d Triumph Today

With its first victory under its belt, the Penn State net squad will seek its second straight win as it meets the Juniata racket wielders today on the University courts.

Match time is set for 3:30 p.m. The Nittanians are fresh from a 9-0 conquest of the Duquesne

netmen and hope to move their seasons records to the 2 and 1 mark. Juniata is a newcomer to the Lion schedule this year and the possible strength of the team is unknown.

Coach Sherman Fogg, pleased after his team's showing last Saturday, plans several changes in today's starting array. With the hope of giving experience to the sophomore members of the squad, he plans to start four of the underclassmen against Juniata.

Ziegler Moved to Top
Bill Ziegler, who has previously played in the number three spot, has been moved up to the top notch by Coach Fogg. Bruz Ray, who usually follows Ziegler in the lineup, will hold down the number two post this afternoon.

Dean Mullen, a regular sophomore performer who has risen consistently in team position since the opening match with Navy, will go in the third slot today. Another sophomore, Ed Seiling, who wasn't in the lineup against Duquesne, will play in the fourth position.

Christiansen in Singles
Chuck Christiansen, who appeared in doubles competition in the Duquesne rout, will take his first crack at singles today as he is set to start in the fifth spot. Either Jim Wallis, senior, or sophomore Bill Milgram will get the nod from Coach Fogg to go as the number six man.

Coach Fogg will go with his top doubles combination in Dick Robinson and Lew Landon, who regularly play as one and two respectively in singles competition. The twosome is set for the number one doubles position and Ray and Ziegler will go in the second spot. Seiling and Doug Zuker, who copped his number six singles match against Duquesne Saturday, will round out the doubles play as Fogg will send them in the number three slot.

Gavilan-Saxton Fight Scheduled For Early July

PHILADELPHIA, May 4 (AP)—Kid Gavilan will defend his welterweight boxing championship against Johnny Saxton in late June or early July in Philadelphia under a contract that does not assure a return bout should he lose.

Promoter Herman Taylor announced he would stage the 15-round title contest at Connie Mack Stadium in conjunction with the International Boxing Club of New York. The promoter said final details of the bout, including the date, ticket prices, television and radio broadcast, will be made within a week to 10 days.

The lack of a return bout clause—quite unusual these days in title fight contracts—pointed up these possibilities:

The Cuban Kid may call it quits in the ring if he loses to Saxton, confirming reports Gavilan is ready to call it a career.

Gavilan is taking the fourth-ranking welterweight title contender lightly.

Campanella Has Chip Removed From Hand
BROOKLYN, May 4 (AP)—Roy Campanella, the Brooklyn Dodgers' slugging catcher, underwent a successful operation today for the removal of a bone chip in his left hand.

Dr. Herbert Fett, orthopedic specialist at Long Island College Hospital, assured Dodger officials that Campanella would not be lost for more than 3½ weeks.
