Trustees Delay Chapel

The executive committee of the Board of Trustees postponed acnon-the final design for the All-Faith channel at their regular tion on the final design for the All-Faith chapel at their regular meeting here Friday.

Several plans were studied, but no decision was reached. The

Senior Voting Starts Today For Class Gift

Seniors will vote for Senior Class gift when they pick up their copies of LaVie at the Student Union desk in Old Main. Starting today voting will begin for liberal arts and business administration seniors.

The five suggestions for class gift are:

1. Furnishings for the chancel of the meditation chapel.

2. Furnishings, such as pews and rugs, for the main body of the new chapel.

A remarked handstand and specific process wanagement nouses. The executive committee did, however, approve plans for building four home-management houses. The houses will be built north of East College avenue and west of Eastview Terrace, a site formerly occupied by trailers.

Three buildings will be constructed. Two will be one story each and the third will be a two story building with two units, each having two floors.

Walter H. Wiegand, director of the physical plant said yesterday he did not know when constructive.

A. H. Imhof, assistant professor of agricultural journalism, will speak to the Clover Club at 7 to-accept a position as head of the Department of Soils at Rutgers University.

Final Exam Conflict Schedule

Man Killed By Student

An auto operated by Fred Sotok, fourth semester metallurgy major, struck and killed instantly State College in Ferguson Town-ship, on Route 322 at about 8:10

The victim had just parked his car and was walking along the right side of the highway when the vehicle, traveling toward state College, crossed the center line and struck him, according to State Police at the Pleasant Gap substation.

The sophomore are the such an honor.

substation.
Sotok told police he left his home in Morrisdale sometime about 7:30 a.m. and was on his way to a class. Damage to the car was estimated at \$200.

Mr. Trostle had worked for the Borough Authority for around three months and formerly drove a fuel truck for a State College

Mrs. John Weber, deputy County Coroner, said Trostle died instantly of head injuries. She said an inquest would be held.

It was believed by investigators that the victim was between the tory. Carvel ice cream stand, where he had parked his car, and the home of Harold Glenn his first stop on that particular meter route, when the car crossed the center line and struck him. It was reported that Trostle was not on the road itself.

LaVies Ready Today For LA, Bus Seniors

LaVie is ready for distribution at the Student Union desk in Old Main, George L. Donovan, director of Associated Student Activities, has announced.

Liberal arts and business administration seniors may obtain their copies today and tomorrow at the Student Union desk; engineering and architecture seniors, Thursday and Friday; agriculture seniors Saturday and Monday; home economics, mineral industries, and education seniors May 25 and 26; chemistry and physics, and physical education seniors, May 27,

Hetzel Was High In Student Esteem

A long career that was highlighted by years of warm, close association with the student body of Penn State was recognized when the Board of Trustees decided to name the new Student Union architect was directed to prepare more sketches of various styles of Harry Trostle, 50, a meter reader for the State College Borough Authority on Saturday. The accident of the Hetzel served as President of the University from 1926 to 1947, and killed instantly building in honor of Ralph Dorn Hetzel, 10th president of the University.

Hetzel served as President of the University from 1926 to 1947, and killed instantly building in honor of Ralph Dorn Hetzel, 10th president of the University from 1926 to 1947, and killed instantly building in honor of Ralph Dorn Hetzel, 10th president of the University.

Hetzel became "Prexy" to the students only one year after becoming President. He won the student body's respect and admiration early, and he never lost it.

After the graduation services of 1927, he threw open the doors of the presidential mansion to the seniors, for the first time in history.

He told the seniors, "If our men whose activities made it impossible for them to be fully considered by the committee at its last meeting. These are freshmen out for cheerleading and student councils, who had not been elected by the committee's last meeting. Student council elections are. The final selections will be made soon. Lutter said.
