

# Netmen Meet Bucknell Today

The Penn State tennis team will seek its seventh win, and its second over Bucknell this season, when it meets the Bisons in Lewisburg today.

The Lions, who are enjoying a 6-2-1 record, defeated Bucknell earlier this spring by an 8-1 margin. In the match, the Nittanians were victorious in all but the number two doubles event.

# 6 Wins Posted In Intramural Soccer Play

Six wins were recorded in intramural soccer games played Monday at the golf course. In the first game Phi Kappa won over Kappa Alpha Psi by forfeit. Phi Kappa Sigma took the second game from Alpha Zeta, 1-0, winning on a corner kick. The next game was won by the Hy-Flyers 1-0 over the Iron Men, Douglas Johnson scoring the winning goal. Beaver House won the next game from Joe's Boys by forfeit. Sigma Alpha Mu took the fifth game from Delta Tau Delta, 1-0; Mike Buhalter scored the winning goal for Sigma Alpha Mu. In the last game of the evening Phi Sigma Delta won over Sigma Phi Sigma 2-0 on corner kicks.

In results already in, the League A title was won by Aca-cia, Alpha Chi Sigma took League B, and Sigma Pi League C. League D was won by Delta Chi, Phi Kappa Alpha took League E, and Phi Kappa Sigma took League F.

League G is still undecided, Delta Upsilon swept League H, and Phi Delta Theta took League I. Competition was not ended in League J, League K was taken by Sigma Nu, League L and M are still undecided, and League N was won by Alpha Gamma Rho. Independent League action is not finished.

Michigan State gymnast Carl Rintz placed in five events in the 1954 NCAA meet to lead his team to a fifth place finish.

## Frosh Baseball Today

The freshman baseball team goes after its third victory of the season today when it meets Bucknell at Beaver Field. Game time is 3:30.

Coach John Egli has announced that either Hugh Cooper or unbeaten Eddie Drapcho (2-0) will pitch for the yearlings. The Lions have a 2-1 record.

# Stickmen End Season Saturday

The Penn State lacrosse men will close out their 1954 season Saturday at Beaver Field when they play host to the Big Red of Cornell. Cornell will bring a record of five wins and two losses into the game.

The Lions' upset of Swarthmore last Saturday was their second win of the season as against six defeats.

The Lions fell before the Big Red in last year's contest, 16-9. It was in that game that Cornell exhibited a fine team effort as no less than ten players contributed to the winner's total. Unfortunately, the Lions thus far this season have had to rely on individual efforts rather than team efforts as far as scoring is concerned.

Coach Nick Thiel has been forced to rely almost entirely on just three men—Al Fulton, Bob Hamel, and Jim Reed. Fulton holds the new scoring record mark with 22 goals; Hamel follows with 16, while Reed, thanks to a late-season spurt, stands third with 12. Next in line is Dick Klein with 7. Ronnie Youtz 5, Jim Hay 3, and Dave Arnold, Frank Locotos. John Griffin at one score apiece.

Cornell will bring a seasoned team into town. Six of the ten players who scored in last year's game return to form the Big Red's attack and midfield units. Cornell's two defeats came at the hands of Yale and Pennsylvania. A mid-season 14-9 loss to Yale was followed by two victories before the Big Red were beaten by Penn, 12-11.

## Hodges Threatens Mark

NEW YORK, May 18 (AP)—If Gil Hodges maintains his grand slam pace of the past five years, he appears a cinch to break the National League record for most home runs with the bases filled and may even threaten the major league mark. The Brooklyn first baseman smashed his 10th grand slammer Sunday.

## 'S' Club Will Meet

The newly organized University 'S' Club will hold a meeting at 10 tonight in 10 Sparks. President Don Balthaser has asked all eligible members to attend the meeting.

Membership in the organization is open to all varsity lettermen and managers.

## Ziegler in 3d Position

Bill Ziegler, another netter who has lost only once this season, is slated for the number three spot and Bruz Ray will go in the fourth position. Ray has come along since the beginning of the campaign to show definite improvement for the Lions.

Two sophomores, Ed Seiling and Dean Mullen, will fill the fifth and sixth spots in that order. Seiling, like Robinson, is undefeated since the initial defeat at the hands of the Middies, while Mullen will try to get back on the winning road after dropping his last match at Syracuse.

In doubles competition, Coach Fogg will go along with his new combinations. Robinson and Ziegler will form the first duo and Landon and Ray will combine for the second. In the third combination, sophomores Chuck Christiansen and Doug Zuker will team up.

For Bucknell, Al Holton, who extended Robinson to a three set match in their previous encounter, will lead the Bisons' revenge attack. Spence Lenhardt will follow in second position and Joe Battin will hold down the third spot.

Dick Wormser, Frank Klahre and Ric Richter round out the singles lineup in that order. Doubles competition should show Holton and Wormser in the top notch and Battin and Lenhardt, in the second. Richter and Klahre will complete the doubles lineup.

The Lion's final match of the season will be next Wednesday when they will meet the Lehigh netmen on the University courts.

## Golf Club to Meet

The Women's Recreation Association Golf Club will meet at 6:30 tonight on the college golf course. Equipment will be furnished by the University.

# 24 Marks Shattered In 5 Track Meets

By DICK McDOWELL

It's too bad the guy who first said records are made to be broken isn't around today to see Chick Werner's Nittany trackmen in action. The washbuckling Lions, undefeated in three dual meets, have shattered no less than 24 records in five different events.

Ten of these marks have re-written the Penn State record book and the remaining 14 stand as new meet marks.

Rosey Grier and Chuck Blockson, who have been taking turns winning first place spots in the field events, are the chief offenders. Grier has bettered his own shot put record two times this spring and has cornered two meet records. Blockson, who once took the shot put record away from Grier, also snared his discus record and then proceeded to better that mark one more time. Both performances felled meet standards.

Grier's first record breaker was a toss in the Ohio Relays. He bettered that mark against Navy with a 55' 8 1/2" heave. Blockson's record was set against Navy and again against Pitt. It stands at 157' 10 1/4".

Elsewhere in the field events, Captain Danny Lorch cleared the bar at 13' 6 1/4" against Pitt Saturday to establish a new Penn State and meet record there.

Sophomore Art Pollard already has blasted three meet records and tied the school mark in the 100-yard dash. Saturday he cut the tape in the century in :9.6 seconds, equalling the Penn State mark set by Barney Ewell in 1942. The Coatesville Comet has been improving every week in both the 100 and 200-yard dashes, and there's no indication the end is in sight. He whipped off a :20.8 220 against Pitt, just .1 second above Ewell's mark there.

Sensational Ollie Sax, in his first full spring season since he conquered injuries that plagued him for two years, has shattered the 440-yard run standard twice. His best effort was a swift :48.7 clocking Saturday. He also bettered two meet records in the process.

The Lion mile relay team—Pollard, Sax, Dave Leatham, and Skip Slocum—bettered the Penn State and meet record against Navy in its first outing, slipped badly against Pitt, and then roared back against the Spartans Saturday to erase the old mark. The quartet was timed at 3:16.

Red Hollen, Werner's veteran two-miler, hasn't been able to catch Horace Ashenfelter's 9:03 mark, but has shattered two meet records. Hollen's best time was a 9:25 against Michigan State.

# 70 Men to Take SS College Test

Seventy students will take the Selective Service College Qualification Test at 8:30 a.m. tomorrow in 10 Sparks, Hugh M. Davison, professor of educational research, has announced.

Davison requested each student to take his ticket of admission, a pencil, and one or more forms which bear the stamp of his local Selective Service Board to the examination.

Since the examination will continue until 12:30 p.m., students were also advised to make arrangements for eating lunch after that time. Davison will issue excuses for classes missed tomorrow morning.

**RESTRING WITH**
