VOL. 54, No. 145

STATE COLLEGE, PA., TUESDAY MORNING, MAY 25, 1954

FIVE CENTS

Class Night Participants

Robert Euwema
Valedictorian

Martha Richards
Salutatorian

Euwema, Richards Get Class Honors

Robert Euwema, eighth semester physics major, has been named valedictorian and Martha Richards, eighth semester education major, has been named salutatorian for the class of 1954, Richard Crafton, senior class president, announced yesterday.

They will take part in the Class Night program to be held at 7:30 p.m. June 6 in Recreation Hall.

Kulynych Cited For Eng Award

George Kulynych, president of the Engineering Student Council, has been named to receive the annual Penn State Engineer award.

The \$50 award is presented each year to an outstanding junior engineering student on the basis of scholarship, participation in campus activities, and the need of the student.

Kulynych, a sixth semester mechanical engineering major, is president of Tau Beta Pi, national engineering honorary society. He is a member of Phi Eta Sigma, freshman men's honorary society; Pi Tau Sigma, mechanical engineering honorary society; and Phi Kappa Phi, general scholarship honorary society.

He has a seat on All-University Cabinet, and on the Honor Society Council. His All-University average is 2.66.

Wiener Announces New Traffic Penalty

Students scheduled to appear at Traffic Court tonight, who fail to appear will forfeit the right of appeal, and will have to pay fines at the Dean of Men's office within 24 hours of notification, Mark Wiener, Traffic Court chairman, has announced.

Students who have already received notices must report to the Dean of Men's office by Friday, or their cases will be decided without the right of appeal, Wiener said.

Retired Professor Dies

Joseph F. Knapper, retired associate professor of chemistry in extension at the University, died May 4 in the Reading hospital. He was 66 years of age and had been appointed to the faculty in 1942. He retired July 1, 1952.

Students May Buy Timetables in August

Complete timetables may be obtained in August by students who send 25 cents to the Scheduling office, 4 Willard.

Timetables will also be on sale in September for 20 cents. Students may see timetables with courses, sections, and hours in the Pattee Library, instructors' offices, counselors' and hostesses' rooms, and in the basement of Willard Hall.

Fraternities Look For Housemothers

Approximately three-fourths of the University fraternities have applied for or expressed a desire to employ full or part-time housemothers for the fall semester, O. Edward Pollock, assistant to the dean of men for fraternity affairs, said yesterday.

Pollock said there is an abundance of applications for jobs for full or part-time housemothers. There have been approximately three to six applications per day. The majority of

the applicants desire full-time positions, he said, but there are more applicants for each type of job than was expected.

The majority of the fraternities have taken action to employ housemothers by referring to the applications in the Dean of Men's office, he stated. Several have interviewed eligible women for the jobs on their own, he said.

Few to Use Chaperone System

Pollock said that several fraternities that want to employ full or part-time housemothers as yet have taken no action to do so. He advises them to secure one before the end of the semester to avoid confusion when the rule goes into effect next semester. He also revealed that very few houses have elected to use the chaperone system.

Under the new dating code that goes into effect Sept. 1, fraternities must have housemothers or chaperones in the house anytime coeds are present.

Fraternities, with the exception of those employing full-time housemothers must register one week in advance for chaperoned Friday and Saturday night dating.

Holds Groups Responsible

The code prohibits possession or use of alcoholic beverages on University property, and holds student organizations responsible for good conduct and observance of the law under all University-related off-campus situations. Organizations must obey all local, state, and federal laws governing alcoholic beverages.

Chaperoned dating may take place in fraternity houses until 8 p.m. Monday through Thursday, and until one Friday and Saturday nights. On Sundays, chaperoned dating is permitted until 10 p.m. without registering the event with the dean of men and dean of women.

Must be Approved

Housemothers and chaperones must be approved by the dean of men's office. According to the code, approved classifications for chaperones include chapter alumni of at least ten year's standing, members of the University faculty or staff, fraternity advisers, parents of chapter members, and an "Approved Dean's List" to cover people not included in the other categories.

Two approved chaperones are required for each event. When two couples are chaperones, one of the couples must be from an approved classification and may invite a second couple who does not necessarily meet the qualifications.

Anderson To Address Graduates

Harrison Roy Anderson, pastor of the Fourth Presbyterian Church, Chicago, will deliver the baccalaureate sermon to graduating seniors.

Services will be held 11 a.m. June 6 in Recreation Hall. The services will be open to the public, as well as to graduating seniors and their families.

Anderson was born in Manhattan, Kansas, and was graduated from Kansas State College as a sanitary engineer at the age of 18. He worked as an engineer on the Los Angeles Aqueduct, and when the project was completed, entered McCormick Seminary.

In 1917, he was ordained by the Presbytery of Topeka, Kan., and accepted the ministry of the First Presbyterian Church of Ellsworth, Kan.

His ministry there was interrupted by World War I. He entered the service as a chaplain and served in France with the 103 Division. After the war, he served with the First Church of Wichita, Kan., and in 1928 went to Chicago, where he was associated with John T. Stone at the Fourth Presbyterian Church. He succeeded Stone on his retirement in 1930, and has served as pastor since then.

In 1951, Anderson was elected for a one-year term as moderator of the 163d General Assembly of the Presbyterian Church in the U.S.A., the highest honorary office in the church.

'5 O'Clock' to Give 'Time and the Sea'

"Time and the Sea" by Walter Vail, will be presented by the Five O'Clock Theater today in the Little Theater in the basement of Old Main. There is no admission charge.

William Wohlhieter will direct the play. The cast includes Carl Held, Ruth Fitz, John Krug, and John Thomas.

Supreme Court Backs Negro Appeals

WASHINGTON, May 24 (AP)—Negroes won new victories before the Supreme Court today on appeals involving racial segregation in colleges, public housing, municipal golf courses and a city-owned theater.

In none of the cases did the high court actually rule out segregation, as it did in last week's historic decision which held unconstitutional any system of separate public grade and high schools for whites and Negroes.

However, in three of the six cases ruled on today, the tribunal ordered the lower courts to reconsider their decisions "in the light of" last Monday's ruling and "conditions that now prevail."

State University, and to a city-owned Louisville, Ky., amphitheater.

In the other three segregation cases acted on today the court, by denying hearings, in effect let stand lower court decisions which:

1. Banned segregation in low-rent housing projects in San Francisco City and County.
2. Banned segregation at Hardin Junior College of Wichita Falls, Tex. This decision was based on the "separate but equal" doctrine which last week's decision knocked out. The U.S. Circuit Court in New Orleans said six Negroes who sought to enroll in the all-white school should be admitted because it would be more costly and less convenient for them to attend distant Negro schools.
3. Ordered the city of Houston,

Tex., to permit Negroes to use municipal golf courses on a segregated basis. This appeal by the city has been before the high court since June, 1952.

The justices made no comment on any of the three cases.

The question of just how far the school decision extended into other fields of racial segregation was not made clear by Chief Justice Warren's opinion last week. Today's action on the cases involving Louisiana State University, the University of Florida and Louisville amphitheater put the problem in the laps of the lower courts at least for the present.

The decisions, on top of last Monday's opinion, gave a clear indication that the high court believes the unconstitutionality of segregation extends beyond the school issue.

122 Receive Encampment Invitations

Invitations to the 1954 Student Encampment have been sent to 90 students, approximately 30 faculty members, and two townspeople, Allan Schnierov, encampment chairman, said yesterday.

The encampment will be held from noon Sept. 8 to noon Sept. 11 at the Forestry School at Mont Alto.

Chairmen of the eight encampment committees are John Speer, making student government effective; Robert Homan, nominating and election systems; Thomas Kidd, campus community government; Joyce Shusman, academic honesty and Judicial; Patricia Ellis, academic policy; Ellsworth Smith, Campus Chest and World University Service; Kirk Garber, social and cultural aspects; and Diehl McKaiep, centennial.

Schnierov said students invited to encampment were selected after he consulted with various student leaders. He said a list of about 130 names was drawn up from their suggestions and the list was then cut down to the required number by himself and Jesse Arnel, All-University president.

"There was no set criteria or point system used," he said. "We did our best to choose those who were most worthy and would contribute the most."

Blue Band Elects Black New Head

George Black, fifth semester music education major, has been elected president of the Penn State Blue Band for 1954-55.

Black, a former Blue Band drum major, also served as a drum major and enlisted band leader in the U.S. Army.

Other officers are Neil Andre, manager; Alexander Zerban, assistant manager; Roger Staub, secretary-treasurer; Robert Jones, librarian; and Stanley Michalski, assistant librarian.

Rathskeller Inspected By State Liquor Board

Officers of the Liquor Control Board inspected the Rathskeller on Pugh street Friday, it was reported by Patrolman W. W. Lucas.

The officers were said to have been checking for law infractions such as serving drinks to minors. The liquor control officers, however, reported that no law violations were found.

Town Blood Drive To Begin Today

Walk-in blood donations will be accepted from 1 to 4 p.m. today in the town blood drive which begins today at 10 a.m. at the American Legion Home, S. Pugh street.

One hundred and forty-five pledges have been received by the local chapter of the American Red Cross. This number includes town residents and students.

The Johnstown Red Cross bloodmobile unit will assist in the drive.
