

# Golf, Net Squads In Final Matches

By ROY WILLIAMS

Two Nittany golfers will play their final match for Penn State today when the Lions go after their fourth consecutive win. The Lions will meet Pittsburgh—undefeated in eight dual meets this season—on the Shannopin Country Club.

Penn State is presently carding a 6-1 record. Last year the Lions opened what proved to be an undefeated season against Pitt on the local greens, 8-1.

Nittany Coach Bob Rutherford, however, will be without the services of Gordon Stroup, a two-year senior letterman.

Stroup passed up the Pittsburgh meet because of his studies. Last week Stroup who has a 6-1 card and has been medalist for Penn State four times—was moved into the leadoff slot replacing Captain Rod Eaken.

Three of the Nittany links squad's "big four," however, will head the Lions' lineup. Eaken and Joe Webb—both seniors, and Warren Gittlen will fill the first three slots.

In the remaining four positions, Rutherford will use a combination that hasn't been used this season.

George Kreidler, a junior letterman, will play the number four slot. Kreidler, who missed the Lehigh contest last week, has a 3-0 record in as many matches. He has missed four of the Lions' contests.

A third junior and two sophomores will round out Rutherford's entry against the Panther squad. Jim Mayes—a junior who played and won his first collegiate match against Lehigh—and sophomores Jim Boyanowski and Jim Ginsberg have been chosen by Rutherford.

Boyanowski has a 4-1 record after having his four-match win streak snapped by Lehigh last week. Ginsburg has a 2-1 record. He has not played since the Cornell match nearly two weeks ago.

The Penn State tennis team will round out its spring schedule today when it attempts to gain its eighth victory and remain unbeaten on the home courts.

Match time is 3:30 p.m. today for the match with Lehigh.

Four Nittany netters will play their final match for the Blue and White this afternoon.

Seniors Dick Robinson, Lew Landon, Bruz Ray, and Bill Wallis will face collegiate competition for State for the last time. Robinson, Landon, and Ray are lettermen from last year's squad.

With seven conquests already under its belt, the Lion squad, coached by Sherman Fogg, will try to boost its record to eight wins, two losses and one tie. In addition, the Nittanians will try to keep their unblemished home record intact. They have garnered wins over Duquesne, Juniata, a Bucknell here, losing only on opponents' courts.

Coach Fogg plans to keep his singles lineup the same today. The combination of Robinson, Landon, Bill Ziegler, Ray, Ed Seiling, and Dean Mullen has racked up 45 singles victories to 15 setbacks. Robinson will go in the number one spot and will be followed by Landon in the second, junior Ziegler in the third, and Ray in the fourth.

Seiling, a sophomore, will hold down the number five slot. Although he started the season in sixth place, Seiling is undefeated in eight consecutive encounters. His only loss came in the opening match with Navy. Mullen, another sophomore, is set to go in the sixth position.

The doubles array, according to Fogg, is undecided. He plans to use the four seniors but is not sure of the other performers. Possible starters include Ziegler, Seiling, Mullen, Chuck Christiansen, and Doug Zuker.

## Pace Is Factor in Title Bout

By The Associated Press

The heavyweight title fight between Rocky Marciano and Ezzard Charles June 17 may well be summed up with one word—"pace." It's a small word but it might be a big one to the two heavies when they square off at Yankee Stadium.

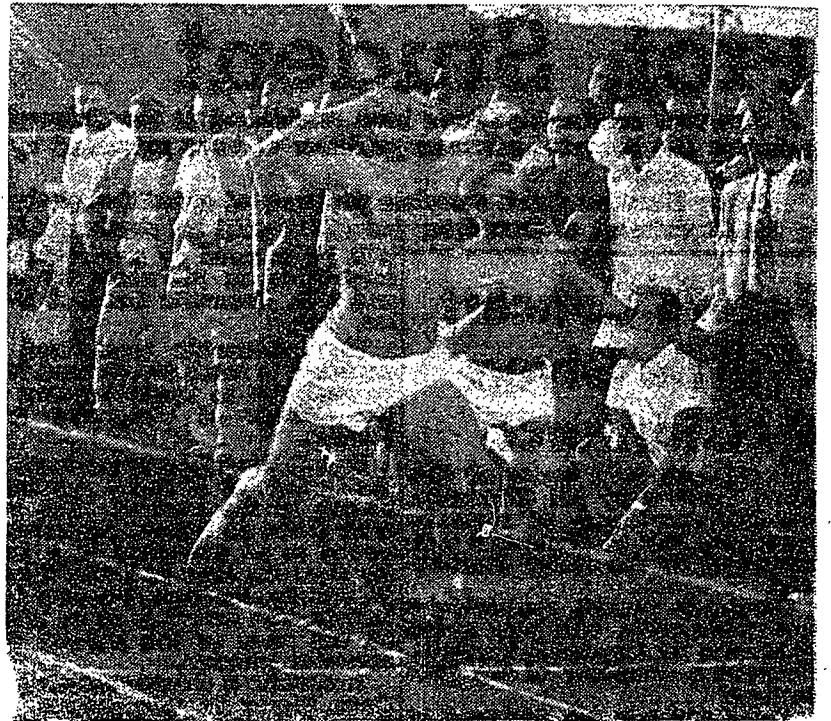

Both fighters have been training hard and appear to be rounding into top-fighting condition. However, the pace of the fight, more than the individual conditioning appears to be the most important factor now.

If the fight goes according to the dope, Charles, the superior boxer, will break on top and will probably pick up points early in the fight. When both men are fresh he should be able to stab and hook Marciano enough to pick up an early lead.

However, in the past it's been Marciano who forced the pace in the later rounds and has won the basis of the points he has won then.

Experts figure that if Charles is to regain the title he lost two years ago, he'll have to fight from a blueprint—get a lead on points in the early rounds and still have something left for the stretch—a trick he's been unable to do in the past.

## Century Sprinters

ETH BROWN wins the seventh heat in the 100 yard dash last night with a final leap at the tape. Brown was clocked in 11 seconds. All fraternity 100 yard dash finalists bettered 10.8 to qualify for Thursday night's finals. Finals in all field events will be run-off starting at 6:45 tonight.

## Record Set In IM Track

By DAVE BRONSTEIN

Intramural track proved itself to be the "little brother with the greater scope" of varsity track last night as both fraternity and independent men competed in the first of a three-day track and field program. One new standard was set as Kappa Alpha Psi turned in a 880-yard relay mark of 1:36.1.

Action will continue at 6:45 tonight with finals in the broad jump, high jump, and shot put. Finals in all fraternity running events and the independent 100 will be run starting at 6:45 p.m. Thursday.

Kappa Alpha Psi, defending fraternity champs, was pressed by Sigma Nu before setting a new 880 relay mark. The new standard rewrote the previous high of 1:36.6 set by Alpha Phi Alpha in 1950. The record breaking team consisted of Gene Wethers, Wendel Tolan, Jim Brewer, and Clarence Watts.

**100 Yard Dash Final**  
Finalists in the independent 100 are George Weimer, Tom Werner, Gerry Werner, Ben Eby, Charley Comoh, and Jackson.

Six heats were needed before finalists were selected in the fraternity 440. In the sixth heat, a two-way battle developed between Jim Brewer, Kappa Alpha Psi, and Milsom, Alpha Zeta. Milsom led going into the backstretch, but Brewer took command heading into the final turn. Reaching the last stretch run, Milsom caught Brewer and together the duo ran the final 60 yards. Milsom pulled out front in the final stride and won with a time of 54 seconds flat. Brewer was clocked in 54.5.

Dorm 35 ran a fast 880 relay to cop the independent crown in 1:40.0. Spikes placed second. The six finalists in the fraternity 100 all bettered 0:10.8. John Milsom, Alpha Zeta, had the night's fastest time, covering the century in 0:10.5. Frank Schwab, Phi Delta Theta, and Bob Allison, both were clocked in 0:10.6. Other finalists are Dick Boggs, Sigma Chi, George Unger, Alpha Gamma Rho, and Sid Goldberg, Sigma Alpha Mu.

Other finalists in the 440 which will include the above three are Wendell Tolan, Kappa Alpha Psi, Schwab, Phi Delta Theta, and Harry Nichol, Alpha Gamma Rho.

## Baseball Team's Playoff Hopes Bolstered by Fine Road Mark

A peek at the records shows the Nittany diamond squad has played better on the road than at home so far this season. This bolsters the hope that the Lions may be elected for a District Two playoff berth, for the team has three games left—all on the road.

If the Lions manage to cop all three it is very possible they will get into the post-season tournament. For the past two campaigns the Blue and White nine has entered the National Collegiate Athletic Association tourney.
