

# Ten Soccer Veterans Strengthen Lion Attack

By ROY WILLIAMS

In inaugurating his second season at the helm of Penn State's soccer squad, Coach Ken Hosterman will have ten veterans returning this fall to strengthen the Lions attack in an eight-game schedule. Hosterman had a similar number last year when he formed the nucleus of the Lion squad and posted a 5-2 record.

This season, however, indications point to the fact that Penn State may be even stronger. In addition to ten lettermen returning, Hosterman has a promising group of five sophomores; three juniors have also reported for practice sessions, and may figure prominently in Hosterman's plans this season.

Yesterday—as the soccer squad began its second week of practice before the season-opener with Bucknell Oct. 2—Hosterman estimated that approximately 30 candidates have been out for scrimmage sessions.

### Versatile Line

Penn State promises to carry the bulk of its soccer strength this season with a versatile and

a junior, tallied ten goals last season spearheading the Lions' offensive attack. He ended the season with a four-goal scoring spree against Penn when the Lions whitewashed the Red and Blue, 6-0.

### Matacia, Springer, Snyder

Rounding out Hosterman's material for the line positions are Dick Matacia, Milt Springer, and Charley Snyder—all of whom are veterans. Newcomers Ward Hill, Tom Nute, and Harold "Dutch" Walz, also are in the "running" for a coveted first-team position.

Last season Matacia and Springer both broke into the scoring column. Matacia—in his first year of varsity play—pierced the net seven times; Springer tallied only once, but with a timely overtime kick against Colgate which enabled the Lions to clinch their third straight win, 1-0.

The Lions boasted a powerful offensive attack sparked by an aggressive and talented line last year. In seven games they outscored their opponents with 25 goals compared to the opposition's nine.

Freshman candidates for the soccer squad are asked to report to Coach Ken Hosterman any day this week before 3 p.m. in 202 Recreation Hall for physical cards. No player will be permitted to take part in practice sessions until a physical card and physical examination have been obtained. Practice sessions will get underway for fresh candidates this week, Hosterman announced yesterday.

experienced line. With two weeks of practice still in front of the Lions, however, Hosterman has naturally not set up his forward wall lineup.

In the five front line positions, six veterans and three newcomers will be vying for starting berths. But the combined talent of these nine men could easily give Hosterman practically two lines packing solid offensive wallops.

Captain Jack Pinezich—who tallied 23 markers two seasons ago to capture the high-scoring honors, and set a new record—has been playing the wing position along with Joe Mijares. Both linemen are senior lettermen.

At the center forward slot Hosterman has inserted last season's scoring ace, Dick Packer. Packer,

## Sooners Top Grid Poll

NEW YORK, Sept. 20 (AP)—Oklahoma's show of class against California sent the Sooners soaring into the No. 1 spot today in the first college football poll of the regular season by the nation's sports writers and sportscasters.

Oklahoma stole a march on many of the other clubs who were among the leaders in the pre-season poll, moving out front by thumping California 27-13 while Notre Dame, the pre-season No. 1 club, was idle.

The Irish, voted second although they haven't made their first start under 26-year-old Terry Brennan,

bump into the No. 4 club, Texas, this week.

Maryland and Texas, third and fourth in the pre-season test, held their positions. Maryland rolled over Kentucky 20-0 and Texas prepared for Notre Dame by blanking Louisiana State 26-0.

Georgia Tech pushed past idle Illinois into fifth place by ripping Tulane 28-0. Michigan State, UCLA and Mississippi follow in order with Baylor and Wisconsin tied for tenth place.

### City to Honor Tribe

CLEVELAND, Sept. 20 (AP)—Cleveland promises to whoop it up tomorrow to honor the winningest baseball club in its history.

A quarter of a million fans are expected to hail the 1954 American League pennant winners, who will roll from the east to the west side of town in open convertibles.

The parade was set for 3 p.m., allowing school children to add their cheers, cowbells and confetti to the ovation.

### Phys Ed Takes Second

Physical education, with a coaching career as its goal, no longer is the number one target of Penn State football players. Of the 55 players on the current squad, only 15 are enrolled in physical education. The others are enrolled in business administration, liberal arts, engineering, agriculture, mineral industries, education, and hotel administration.

## IM Football and Tennis Entry Deadlines Are Set

Entries for intramural touch football and tennis singles must be turned in at the Intramural office, 202 Recreation Hall, by 4:30 p.m. Friday.

Both tournaments will be run on a single elimination basis. An organization may enter one team only in the football competition. However, two men may be entered by a group in the tennis tournament. Independent students may enter as individuals and need not be affiliated with any organization.

Entry fees are \$1 per team in football and 25 cents per man in tennis.

Football games will be played on the lighted practice field at New Beaver Field. Blocking and charging are not permitted. There will be nine men on each team, with each team required to have a name and a captain. An address and phone number for the captain must be included.

Fraternity play will begin Sept. 28 and independent action will get underway two days later.

Tennis matches may be played

on any University court and contestants will be responsible for getting in touch with each other to arrange a time and place for the matches. A match will consist of the best-of-three sets. A tennis-doubles tournament will be held in the spring.

### Oliver Will Lecture Tonight on WDFM

Robert T. Oliver, head of the Department of Speech, will deliver the first in a series of lectures entitled "Behind the Lectern" at 8 p.m. tonight on WDFM, campus radio station.

Oliver will speak on "Why we teach speech—and why you study it."

Oliver, who has served as personal adviser to Syngman Rhee, president of the Republic of Korea, is the author of 12 books in the fields of speech, history and international communication.

Rip Engle, Penn State gridiron coach, never played football until he entered college.
