

Lions Battle Illini in Opener

CO-CAPTAIN OF THE LION GRID squad, Jim Garrity, pictured above, displays the sensational play which made him one of the nation's top pass receivers last fall. Because of a leg injury, the star right end probably will not start for Penn State this afternoon when it meets a favored Illinois at Champaign. He may see limited action, however, along with co-captain Don Balthaser—also on the injured list.

50,000 to See Toughest Of Nine Lion Contests

By DICK McDOWELL

CHAMPAIGN, Ill.—Some 50,000 fans are expected to pour into Memorial Stadium here today, and there are many who believe that they may be sitting in on one of the best games of the season when Illinois and Penn State open their 1954 gridiron seasons.

The Illini, favored to repeat as Big Ten kings this year, and the Lions, in pre-season running with Army for the mythical eastern crown, square off at 2:30 p.m. EDT.

IFC Schedules 2 Open Houses For Semester

Two fraternity open houses have been scheduled by Interfraternity Council, John Russell, IFC rushing chairman, announced.

According to Russell, the first open house will be held Oct. 24, and the second is scheduled for Nov. 14. If reaction is favorable to the first two open houses, Russell stated that two more might possibly be scheduled after Christmas vacation.

Russell urged fraternities to keep these dates open on their social calendar so that they might participate in the open house rushing program.

In addition to the open houses, a fraternity movie will be shown Oct. 19 and 20. The IFC rushing booklets and preference cards will be distributed to freshmen Oct. 21.

Senate to Meet

University Senate will hold its first meeting of the fall semester at 4 p.m. Oct. 7, in 121 Sparks.

On the agenda are reports from the committee on courses of study, the rules committee, and the committee on educational policy.

Radio Station WMAJ will carry the game direct from the stadium. Play-by-play announcer Bob Prince will be on the air at 2 p.m.

Rated a 14-point underdog, the Nittanians will inaugurate their 68th year of intercollegiate football against the toughest of nine scheduled opponents. Illinois Coach Ray Eliot, whose team was stopped only by Wisconsin last season, may field one of the finest running backfields in the business with J. C. Caroline, Abe Woodson, and Mickey Bates doing the ball carrying.

Lion coach Rip Engle will counter Eliot's T-formation offense with an outstanding trio of his own—halfbacks Lenny Moore and Ron Younker, and fullback Bill Straub.

Advantage On Line
On the line Penn State figures to have a distinct weight advantage. Eliot's forward wall will average between 200 and 205 pounds while Penn State's starting lineup will average around 225 pounds.

One thing seems certain. Both teams will probably concentrate on a running offense. Both coaches lost star quarterbacks in June graduation and have been unable to come up with a matching replacement this fall.

Cabinet Secretariat Will Be Abolished

Parties Gain Official Charter By New Code

Campus political parties gained formal recognition and charters by All-University Cabinet with the passage of the permanent elections code by cabinet Thursday night.

Although campus political parties have been in operation for many years and their activities regulated by the cabinet-appointed elections committee, they had never received official recognition.

This formal and long sought recognition however, is contingent upon the presentation to cabinet of copies of existing clique constitutions as amended and extended.

Committee Report
The encampment elections and nominations committee report presented by All-University secretary-treasurer Robert Homan, also:

1. Specifies time and place for elections.
2. Sets office eligibility requirements.
3. Provides for the organization of additional cliques.
4. Describes methods of campaign and permissible campaign procedure as well as establishing violations penalties.

Polling Places
Elections will take place from 8:30 a.m. to 5:30 p.m. on a date or dates specified by the elections committee. Polls will be in the second floor lounge of Old Main, Hamilton Hall lounge, and Nittany Dorm 20.

An All-University average of 1.0 or higher, as recorded in the registrar's office, will be required for all candidates. The registrar's office shall also determine the student's semester rank.

Semester Requirements
To run for freshman and sophomore class offices, a student must be in his first or third semester. Junior class candidates must be in their fourth semester at the time of election, and senior class and All-University candidates in their sixth semester.

Any group may form itself into a clique if it follows the requirements of clique organization discussed in yesterday's Daily Collegian.

3d Political Party May Appear On Campus Scene

By MIKE FEINSILBER

Rumors of the creation of a third political party have circulated on campus this week, adding impetus to political activity which will formally get underway at meetings tomorrow night.

With both Lion and State parties scheduling meetings to introduce freshmen to campus politics, talk of the formation of a "Nittany Party" has caught the interest of upperclassmen as well.

John Lyon, former State Party vice clique chairman, who has been linked with the rumors, withheld comment for publication. He neither confirmed nor denied that the Nittany Party would also hold a meeting tomorrow night.

Lyon, however, did say there would possibly be a meeting of freshmen, completely apart from the meetings scheduled by State and Lion parties. The place where the meeting will be held was not announced.

During the past week, there has also been whispers of creating other "third" parties on campus, but sources were reluctant to reveal plans.

A third party—if one is created—will be nothing new to the campus political scene. In the past, new parties have been formed, and later replaced the established parties.

Tomorrow night's meetings will primarily be aimed at creating freshman cliques in the State and Lion parties. Rae DelleDonne, who was elected State Party clique chairman Wednesday night, called a meeting at 7 p.m. tomorrow in 10 Sparks.

The Lion Party freshman meeting will be held at 7 p.m. in 121 Sparks.

NSA, Others To Compose Service Group

An All-University Cabinet services committee and a secretarial service assigned to the All-University secretary-treasurer will take over the job of the present cabinet secretariat.

Secretariat was abolished Thursday night by cabinet just one year after its establishment.

The new committee will be composed of National Student Association and other similar activities. The secretarial service will take care of such clerical work as cabinet requires.

In Encampment Report
The proposals were made in the encampment report of the committee on making student government more effective, presented by chairman Otto Hetzel.

In addition the report asked that cabinet establish a standing committee, headed by cabinet members, and composed of the chairmen of as many subcommittees as are needed. These chairmen should be taken largely from students who have completed the student leadership training course, the report stipulated.

Another provision of the report recommended further development of the training program.

Leadership Training
The program, inaugurated last spring, calls for weekly classes on such subjects as parliamentary procedure and presenting reports to cabinet.

The committee also asked that a special committee be appointed to make a thorough study of the present student compensation system. Under this system, All-University officers and chairmen of many special committees receive scholarships or monetary payment.

State Party Election Doubted by Lutter

The All-University Elections Committee was asked last night to declare Wednesday's election of Rae DelleDonne as State Party clique chairman "null and void."

Rudolph Lutter, former sophomore class clique chairman of the State Party, placed a two-page statement in the hands of Ernest Famous, chairman of the elections committee, making the request.

Famous last night called a special committee meeting to consider the request. The group will meet at 2 p.m. tomorrow at Kappa Delta Rho.

Grounds for nullifying the election of Miss DelleDonne, Lutter stated, were that the election of her and other clique officers Wednesday night "were in direct conflict with the spirit of the All-University Election Code as set forth in Article 11, Section 7, and the American tradition of democracy."

This portion of the code states: "Spirit Of Code"

"The elections committee reserves the right to act upon any campaign method which it considers to be a violation of the spirit of the elections code."

This statement appears in both the old elections code, which was in effect when Miss DelleDonne was elected, and the new permanent code passed by All-University Cabinet Thursday night.

Miss DelleDonne could not be (Continued on page eight)

reached for comment on Lutter's statement by 10 p.m. yesterday.

Lutter based his charges on four points:

'Complete Control'
"1. Rae DelleDonne in her position as State Party Secretary had complete control of notification of the meeting of the Student Representative Council which permitted her to omit notification to members, opposed to her election . . ."

"2. Only 19 of the 42 members of the Student Representative Council were present (at Wednesday's election of clique officers). This does not constitute a quorum, even though the group arrayed by Miss DelleDonne conveniently decided that certain positions holding a vote under the State Party constitution would not be counted in the establishment of a quorum."

"3. The meeting was called in a deliberate attempt to avoid the democratic election of a clique chairman; such a democratic elec-

Dela. Governor Backs School Opening

MILFORD, Del., Sept. 24 (AP)—Gov. J. Caleb Boggs today issued a call for citizens' cooperation in reopening Milford High School Monday to both Negro and white children, warning that "law and order will be preserved."

The governor spoke out in a taut situation in this southeastern Delaware community over the first admittance of Negro pupils to the town's only high school. "I must insist that no disorders,

threats or violence take place," Boggs said in a statement issued at the state capital in nearby Dover. "I call upon every citizen, regardless of his personal views, to see that law and order and calmness prevail."

Boggs issued his statement following a decision by the state Board of Education to operate Milford schools, starting Monday, without racial segregation. The state board acted after the Milford school directors resigned en masse last night. Both state and local boards favored compliance with the U.S. Supreme Court ruling forbidding racial segregation in public schools.

"I must say frankly that law and order will be preserved under the law and the American way," Boggs said. "I know that the citizens of Milford and Delaware will have it no other way."

As the governor made his ap-

peal for cooperation there were reports that the Delaware National Guard in Milford might be alerted to stand by in case of trouble.

There also were reports that opponents of integration were planning a mass meeting to consider their next step.

An attempt by the local board to open the former all-white high school, in this town of 5,700 population, to both Negroes and white pupils was halted earlier this week after threats of violence were made.

Milford's two schools—an all-Negro elementary school and the formerly all-white combination elementary and high school—opened Sept. 7 with 11 Negro pupils and 686 white pupils for the high school classes. A protest meeting which no one acknowledges having called, resulted in closing of both schools Monday.
