

# Lions Nip Illinois, 14-12

By DICK McDOWELL

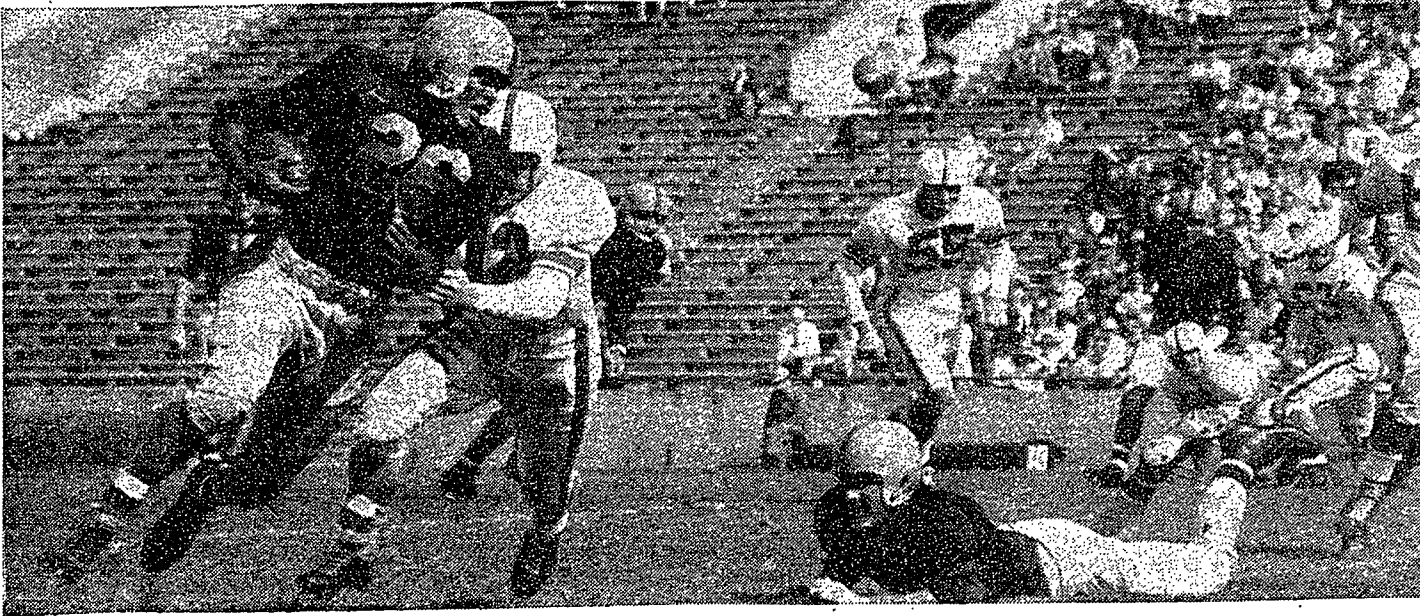

An upstart Penn State football team, underdog from the outset, came from behind in the first quarter Saturday to cut down Illinois for a stunning 14-12 victory that could become the biggest upset of the 1954 season.

A record opening game crowd of 54,094 at Memorial Stadium saw the Illini score early in the period only to have the lead cut from beneath them by two Penn State touchdowns before the end of the half. The Illini recovered briefly in the second half and scored on a 77-yard drive, but it wasn't enough. The Lions soon took charge again and held on to a two-point lead, manufactured through the extra point kicking of end Jim Garrity.

The Lions were clearly the superior team Saturday. Underdogs by as much as 17 points, Engle's team completely outclassed the Big Ten defending co-champions on the line, and halfback Lenny Moore coupled with quarterback Don Bailey, provided a backfield attack that outrushed Illinois coach Ray Eliot's much publicized trio—J. C. Caroline, Mickey Bates and Abe Woodson.

Moore rambled for 126 yards in 17 carries while Caroline, a unanimous All-America selection last year, fell behind the Reading Flash with 116 yards in 18 carries. Bailey didn't start the game but came on in the first period and directed Rip Engle's winged-T offense to 331 yards gained. He chewed up 50 of those himself to set up Penn

RON YOUNKER (12) gets set to grab J. C. Caroline, Illinois' star offensive player, during Saturday's memorable upset win at Champaign. Earl Shumaker (64) and Frank Reich (55) also begin to close in on the talented Big-Ten star. Penn State's Lenny Moore outdueled Caroline, gaining 7.3 yards per try to 6.4 yards for the Illinois back. A crowd of more than 54,000 was on hand to witness one of the top upsets of the young gridiron season. It was the largest opening-game crowd in the history of the Illini. Saturday's victory was Penn State's first over the Western Conference team since the 1912 squad defeated Ohio State. The Lions completed only three of 13 passes against Illinois, but the Nittany split-T option play was one of the finest maneuvers of the day. Nittany quarterback Don Bailey rambled for 50 yards on one of the option plays. That was the biggest gain of the day and set the stage for Penn State's second touchdown. This weekend the Lions will travel to Syracuse to battle the Orange.

### 1600 Die in Japan In Savage Typhoon

HAKODATE, Japan, Sept. 28 (AP)—Bodies and debris strewn the beaches here today after a savage typhoon sank a huge ferry and killed possibly 1600 persons, most of them in northern Japan.

Seventeen Americans—soldiers, their dependents and civilians—were among the dead. Nearly 50 other Americans were listed as missing by the U.S. Army and Japan National Railway.

### Alumni Fund Contributions Net \$132,273

Contributions to the second Alumni Fund as of Sept. 1 total \$132,273.90 with 7851 alumni contributing, the Penn State Foundation, which sponsors the drive, has announced.

The All-Faith Chapel fund has already received \$33,257 from the 1954 drive. The Hetzel Union Building and scholarship funds are the other two big benefactors of the drive.

The current fund drive will continue until Dec. 31 although the active campaign ended June 30. A check for about \$121,000 was presented to President Milton S. Eisenhower by Ray S. Tannehill, general chairman, during the Alumni Institutes June 12.

Bernard P. Taylor, executive director of the fund, and his staff are in the process of winding up this year's fund and getting ready for the '55 drive, which, because of the centennial celebration, is expected to be the biggest.

No financial goal was set for either fund. The goal this year is to increase the number of contributors over the 1953 fund, to which about 8000 pledged \$187,000.

Contributions may be designated by alumni for particular projects. Money not designated is apportioned by the Board of Trustees among projects which include the Chapel, HUB, scholarships, University Christian Association, and equipment for colleges.

### Ad Staff to Meet

Members of the advertising staff of the Daily Collegian will meet at 6:30 tonight in 9 Carnegie.

The Americans died in Japan's worst maritime disaster Sunday when the typhoon, which had been heading out across the Sea of Japan, turned and struck northern Japan with winds of 100 miles per hour.

**Toya Maru Sank**  
The Toya Maru with an estimated 1200 persons aboard had anchored off Hakodate harbor when the rush of wind and water hit. It capsized and only 163 persons were known to have survived. Four other ferries from Hakodate were also caught and sank.

The tides still were washing in bodies. Rescue workers searched the beaches and debris in the hope of finding more alive.

**Dead, Listed**  
The Marine Safety Board said that throughout the storm area, 12 steamships, 25 motor schooners and 312 other vessels sank. It listed 1552 persons dead or missing from sea disasters alone.

The board's figures cover an area from Southern Japan, where the typhoon first struck, to North Japan. It said never before in history had a typhoon wrought such damage in the seas around Japan.

Two U.S. Navy ships and planes from four U.S. bases in Japan launched a survivor search but stiff winds and high waves kept rescue work at a minimum.

The typhoon's winds whipped up a great fire that within minutes destroyed 3000 to 43000 houses at Iwanai, a city of 23,000 population 90 miles north of Hakodate. Police said 32 were dead there and 56 missing.

Police, and coast guard estimated 600 bodies had washed ashore by Monday night.

### Cabinet Social Meeting

All-University Cabinet will meet at 7:30 tonight at the President's mansion for a special social meeting.

This is the first time this year cabinet has met with President Milton S. Eisenhower.

### State Party Plans New Clique Chairman Election

By PHIL AUSTIN

State Party was told by the All-University elections committee Sunday to hold another meeting of its student representative council to elect a clique chairman.

The committee's decision voids the election of Rae DelleDonne, seventh semester home economics major, who was chosen clique chairman at a meeting of the council Wednesday night.

The council will meet at 7 p.m. tomorrow in 103 Willard to select the party's clique chairman. The elections committee asked the party to give all council members 24 hour notice of the meeting.

The committee met Sunday to discuss the charge of Rudolph Lutter, former state party committee coordinator, that Miss DelleDonne was able by her position as clique secretary to withhold notification of council members opposed to her election as clique chairman until 15 minutes before the council meeting.

Lutter also charged that Miss DelleDonne's election was void since he said less than half of the council's 42 members were present.

In the committee's decision, Ernest Famous, chairman, said the committee believed that the party had adhered to the letter of the law in calling last week's meeting, but had violated the "spirit" of the elections code by deciding on the meeting less than four hours before the meeting was to be held.

The committee brushed aside Lutter's charge that a meeting lacked a quorum when committee parliamentarian Ellsworth Smith ruled after a telephone conversation with Joseph F. O'Brien, professor of speech and an authority on parliamentary procedure, that the "enrolled membership" of the council was 28 instead of 42.

**42 Have Seats**  
Although 42 students may have seats on the council, only 28 eligible to vote are on the council at the present time. According to state party officials, three members of the council received other seats on the council, three graduated, eight seats never were filled, and the whereabouts of two other members was unknown.

Eighteen voting members attended Wednesday night's meeting. Miss DelleDonne was elected after all other candidates had declined to have their names placed in nomination for the office.

Tomorrow's election will be held under last semester's election code. The committee originally tried to schedule an open

### Lyon Discontinues Third Party Move

John Lyon, acting clique chairman of the State Party, said Sunday he does not intend to continue the movement for a third political party.

"I received the support of the freshmen, but that was all," Lyon said.

Lyon took over as State Party clique chairman after John Fink resigned Sept. 20. Fink originally appointed John McMeekin, party treasurer, as chairman, but McMeekin turned the post over to Lyon because the party constitution provides the vice-clique chairman automatically succeeds the chairman.

Rae DelleDonne, whose election as clique chairman Wednesday, was declared "null and void" by the elections committee, said Sunday she did not feel the election was illegal but will go along with the decision of the elections committee.

The elections committee decided the Wednesday clique election was illegal because clique members were not notified of the meeting far enough in advance.

McMeekin told the State Party meeting that as far as he was concerned, Wednesday's meeting was legal. "The meeting was called hurriedly," he said, "because of the time factor involved before cabinet acted on the proposed election code Thursday night."

He added that the decision as to whether or not the elections should be held was left entirely up to the group.

Miss DelleDonne also refuted the claim by Rudolph Lutter, for-
