

Lions Face Orange Tomorrow

Look for Second Win At Syracuse

By DICK McDOWELL

The Penn State football team, going after its second win of the young season, arrives in Syracuse, N.Y. by plane this morning for a last-minute practice session before meeting the Orange tomorrow afternoon at Archibald Stadium.

Coach Rip Engle and his aides, aware that Ben Schwartzwalder's team won't be easy pickings for the Lions tomorrow, will put the squad through a light workout this afternoon at the Stadium.

The Lions are rated seven-point favorites this week following the 14-12 beating they gave favored Illinois in the season opener last Saturday.

In most cases Engle will start the same team tomorrow that stopped the Illini although he is expected to substitute freely on the line.

Garrity To Start

Captain Jim Garrity, who didn't start last week because of a leg injury, but saw extensive action, will man the left end post opposite Jesse Arnette.

However, Co-captain Don Balthaser, also nursing a leg injury, will not be in the lineup for the second week. Rugged Frank Reich, who played the entire 60 minutes against the Illini, will be at the center position.

Two other changes are anticipated. Don Bailey will replace Bob Hoffman as the starting quarterback and Pete Petroff will be at left guard in place of Chuck Sowers.

Directed Lions

Bailey came in early in the first period against Illinois and directed the Lions to both touchdowns. He pitched 28 yards to Arnette for one and set up the other with a 50-yard dash off the left tackle. Petroff, a junior platooned with Sowers at the guard spot last week.

Head hitting Otto Kneidinger and veteran Gene Danser will share the right tackle duties. Both men were used last week and will probably alternate at that position again tomorrow.

Earl Shumaker, another veteran performer, will be at right guard and Keith Horn will probably see plenty of duty behind him.

Grier At Tackle

Big Rosey Grier, although hampered by a sore leg, will be at left tackle. Engle will also count heavily on the services of Dan De Falco.

In the backfield with Bailey, Engle will have halfbacks Lenny Moore and Ron Younker, and fullback Bill Straub. The fleet Moore is the Lion offensive leader with 124 yards in 17 carries. Straub, who shared starting duties with Charlie Blockson last season gained 46 yards in only three carries against Illinois for a 15.3 average.

Blockson, and Halfbacks Buddy Rowell and Bill Kane will probably be used extensively tomorrow.

End Jack Sherry, a sound defensive ball player and sure-fingered as a pass receiver, guard Dick De Luca, and quarterback Milt Plum are all expected to see duty.

Rain and winds are forecast for the game, which is expected to attract about 20,000 fans.

CAL SMITH and Paul Kenaklian, Syracuse linemen, played big roles in the Orange's 28-6 win against Villanova last Saturday. The two men will be in Ben Schwartzwalder's lineup tomorrow. Smith, a guard, weighs 195 pounds while tackle Kenaklian tilts the scales at 215.

Rhodes' Hitting Wins Again for Giants, 3-1

(Continued from page one)

With this second straight under their belt, the Giants are in a terrific position to win their first Series since 1933. In all Series history, only one club ever has lost the first two games and then bounced back to win. The Giants were the club. They dropped the first two to the New York Yankees in 1921 and bounced back to grab the championship, 5-3. That was in the days of the best-of-nine series before they shifted to seven games.

During most of the morning, it was doubtful if the game could be played. Rain dripped down from low-hanging clouds and the humidity hovered around 97 per cent. Just before game time the sun broke through and continued to shine during most of the game. In the ninth, it clouded up again briefly.

Booters Will Meet Bucknell Tomorrow

The Bucknell Bisons will visit Penn State tomorrow to meet the Lions in the first contest of an eight-game soccer schedule for 1954. Game time is set at 2 p.m. on the soccer field adjacent to the football stands.

Bucknell, however, will probably be moving into the Lions' home grounds with more than a soccer team. Doubtless they will bring every luck charm in the proverbial books.

Penn State and Bucknell have missed playing each other only four times during the past 23 years. And in those 19 contests the Bisons have never defeated a seemingly unbeatable Penn State soccer power.

In the fall of 1930, Penn State gave the Bisons an inkling of what was to come during the coming years, blanking them, 3-0. No contests were scheduled from 1931 to 1935. The Lions, however, still showed their mastery over Bucknell during the following five years, rolling up 23 points and blanking the Bisons in each encounter.

Two more Penn State victories followed in 1941 and 1942, 7-1 and 3-1.

Then something new happened. Since that day in 1930, Bucknell hadn't won. In 1943, 13 years later, it managed to hold the Lions to a scoreless tie breaking a nine-game victory streak.

Penn State, however, promptly plucked up and roared back with a victory the following year to embark on another victory splurge.

Since 1943 Penn State has rolled up nine straight wins to boost its win card over Bucknell to 18 in 19 contests.

Bucknell visits the Lions tomorrow in the hope of snapping the string of nine wins similar to

the one the Lions boasted before the 1943 contest.

Penn State will field an offensive attack, however, resembling that of last year which rolled up 26 goals to the opponents' nine.
