Bell, Book--

(Continued from page one)

man, the only uneccentric character, and therefore, he could not give to the audience the interest created by some of the others. Still it is difficult not to believe that his portrayal was only average, but one that has a good chance of improving with each show.

Since "Bell, Book, and Candle" didn't live up to the usual relatively high standard set by Players' shows, not mainly because of the acting, it might have been more worthwhile if the show had waited another week to open since rehearsal time was rather short.

good
lunches for lunches

Lunches - late snacks
around the clock - always the best of food.
