

Moore Nears Rushing Mark

May Top Record Saturday; Is 2d in National Rushing Group

By DICK McDOWELL

Lenny Moore, a red-hot rocket in a football uniform, is just one step from another new record this week, and should get it Saturday when Penn State takes on Holy Cross at Beaver Field.

Moore, currently the leading runner in the east and number two in the nation, is just 84 yards short of the Penn State rushing mark set by Harrisburg school master E. E. (Shorty) Miller at Penn State in 1928.

Moore had 717 yards from scrimmage in six games and needs 802 to surpass Miller's mark. He's currently averaging 119 a game, so barring injury or a bad day, which doesn't seem likely against the Crusaders, the Reading Flash is a pretty good bet to step into the Penn State record book.

Moves to 2d Spot

Moore's 143 yards against Penn last Saturday—his best day of the season—jumped him from third to second in the national rushing race. He moved ahead of Al Bayuk of Colorado and now trails Arizona's Art Lupino by 175 yards. Lupino, with 892 yards, has carried 105 times while the Lion swiftie has 99 carries.

Lightning Lenny is also running eighth among the nation's total offensive leaders, and holds a comfortable lead on eastern backs in the race for the sectional honors. Army's Tom Bell has collected 660 yards and holds down the second place slot.

Leads Lions

Moore, of course, has been the biggest gainer for the Lions. He and wingback Billy Kane, who ran for 130 yards against Penn, played the biggest role in moving the Lions into the 10th spot this week among the country's rushing leaders. Rip Engle's club has gained 1545 yards in six games.

The Lions, hampered by a snow-covered practice field for the last two days, are priming for their fifth win this Saturday when the Crusaders come to town for the annual band day spectacle at Beaver Field.

Crusaders Respected

Coach Eddie Anderson is having one of his worst seasons at the New England college but despite a 1-5 record Holy Cross is a highly respected team. It knocked off previously unbeaten Boston University two weeks ago and gave highly ranked Miami a run for its life before losing 26-20 last week.

The Lions are anticipating the heaviest air game of the season from the Crusaders, currently sporting over 700 yards through the air. Last week Anderson's three passers—Jon Stephens, Bill Smithers, and Tom Roberts—threw over forty passes in a losing cause to Syracuse.

The Crusaders run from the straight T formation and occasionally employ an unbalanced line.

Five Lions Candidates On All-East

NEW YORK, Nov. 3 (AP)—Pitt's Panthers, in upsetting previously unbeaten West Virginia, and Navy's midshipmen, in holding Notre Dame to a 6-0 victory, made strong impressions on the Eastern Board which nominates players for All-America, All-East and All-Ivy consideration.

From Pittsburgh, the names of quarterback Corny Salvaterra, halfback Henry Ford and tackles Lou Palatella and Eldred Kraemer were added to the list today. Observers at the Navy-Notre Dame game singled out end Ron Beagle, tackle Jim Royer and guard Len Benzi for special consideration.

George Welsh's fine passing for Navy on a muddy field also earned him consideration although he was criticized for calling for a handoff, which led to a fumble, instead of a sneak when Navy had second down on the Notre Dame one-foot mark.

Others listed so far include:

Ends — Don Holleder, Army; Jim Garrity and Jesse Arnelle, Penn State; Andy Nacrelli, Fordham; Milton Graham, Colgate; Fred Glatz, Pitt.

Tackles — Otto Kneidinger and Rosey Grier, Penn State; Mike Morog, Colgate.

Guards — Ralph Chesnauskas, Army; Don Tomanek, Colgate.

Centers — Billy Chance, Army; Chuck Beemus, Colgate.

Quarterbacks — Pete Vann, Army; Dick Lalla, Colgate; Bill Beale, Dartmouth.

Back — Lenny Moore, Penn State; Tommy Bell and Pat Uebel, Army; Frank Nardulli, Colgate.

Berra Inks Contract For Record Salary

NEW YORK, Nov. 3 (AP)—Larry (Yogi) Berra today became the highest paid catcher in baseball when he signed a New York Yankee contract for "between \$45,000 and \$50,000."

Berra enjoyed one of his best years last season.

Lions 8th in Lambert Poll

NEW YORK, Nov. 3 (AP)—Although Army barely escaped with a 21-20 victory over Virginia last Saturday and Navy dropped a 6-0 decision to Notre Dame, they remained the top ranking football teams in the East in the eyes of the Lambert Trophy committee.

The weekly ratings in the competition for the trophy, awarded

each season to the leading eastern team, gave Army 994 points and Navy 939. Pitt, upset winner over West Virginia, was placed third with Boston College dropping to fourth.

Other leading teams, in order, were Syracuse, Boston University, Holy Cross, Penn State, Colgate, and Yale.

MEMBERS OF PENN STATE'S undefeated soccer team are top row, l. to r. backs Steve Flamporis, Gerry Gillispie, Galen Robbins, Ihor Stelnyk, and Paul Dierks; bottom row, l. to r., are linemen Joe Mijares, Tom Nute, Mert Springer, Dick Packer, Dick Matacia, and Captain Jack Pinezich. George Geczy, inset, is goalie.

Forty Report For Varsity Cage Practice

Forty varsity basketball candidates and sixty freshman hopefuls turned out at Recreation Hall Monday as head coach John Egli and assistant Don Swegan began a month-long pre-season practice schedule.

Egli, inaugurating his first season as head coach, began work with only three returning lettermen, Rudy Marisa, Earl Fields, Jim Blocker, but has a big crop of sophomores up from last year's freshman squad. The remainder of the Lion bulwark, nucleus of last season's outstanding quintet, will be absent for another three weeks. Jack Sherry, co-captain Jesse Arnelle, Bob Rohland, and Bobby Hoffman will be busy with football until Thanksgiving, while Dave Edwards and Ron Weidenhammer, the Lions' other captain, are both student teaching until mid-semester.

The Lions open their 25-game schedule Dec. 4, but until then will play several practice exhibition contests. The first is scheduled for Friday at Juniata College.

Swegan, who came to Penn State this year, will handle the freshman squad. The Cubs are slated to play a six-game card. More than 100 candidates are expected to turn out this week.

2-Way Attack Aids Undefeated Booters

By ROY WILLIAMS

A double-barreled type of attack has sky-rocketed the chances of Penn State's soccer team for chalking up its first unbeaten campaign in six years, and its first under Coach Ken Hosterman.

During the past few weeks, Penn State's offensive and defensive strategy has been tested by five teams. And each time, the Lions have commanded a significant margin to defeat each squad to boast an undefeated and untied season's card.

Penn State's offense has been ripping the nets all season for a total of 39 goals in five games—an average of almost eight scores a game. If the Lions can continue this rapid pace in their next three games they are sure to pass Temple, 1953 National Champs, which scored 60 goals in nine contests.

Dick Packer, junior center forward, has already passed his 1953 scoring mark of 11 goals in seven games by scoring 16 goals in 1954's first five games. The scoring record is held by Packer's teammate, Captain Jack Pinezich, who scored 23 goals two years ago.

But the Lions' offense has not

been commanding the spotlight entirely thus far. Penn State has succeeded in doing what every team tries to do—to get a defense and an offense that are equally balanced and effective.

Fullbacks Paul Dierks and Galen Robbins, and goalie George Geczy, in addition to the play of the halfbacks, have served as defensive bulwarks of Penn State's stronghold around the net.

In five games five goals have been scored against the Lions. Syracuse was the only team to score more than one when it netted two goals. Bucknell, Maryland, and Army each scored once while the Lions shut out Colgate.
