burn said, keeping an eye on the weather forecast for Saturday.  
**Will Parade**  
State College band will lead the 60 other groups in the parade beginning at 11 a.m. Saturday in front of Recreation Hall. There were actually 61 bands invited to the campus, but one will be held in reserve and will be used only in case of an emergency.  
From Recreation Hall the parade will move south on Burrows street to College avenue, and then go east on College to Shortlidge road. From there, it will march up Shortlidge and down Pollock road, disbanding at the corner of Burrows and Pollock.

**Will Form PSU**  
During half-time four guest bands will march onto Beaver Field at one time from the four corners of the field. They will gather in the formation of "PSU" in the middle of the field. Members of the Blue Band will be in key positions among the high school musicians as they play "Washington Post," "Men of Ohio," and "Alma Mater," directed by James W. Dunlop, Blue Band director.

Of the 4,251 high school band members, 3,441 are players, 200 are color bearers, and over 500 are majorettes, Fishburn said.  
Twenty-two of the band masters received their bachelor degrees from the University and twenty-three of them earned their masters degrees here.  
Among them, 17 were former Blue Band players and three were former Blue Band presidents.

# WINSTON

Winston tastes good—like a cigarette should!

Winston brings flavor back to filter smoking—full, rich, tobacco flavor! No wonder college smokers are flocking to Winston—on campuses across the country! Along with real flavor—the kind you've been missing in filter smokes—Winston brings you a finer filter. This exclusive Winston filter is unique, different, truly superior! It works so effectively, yet doesn't "thin" the taste or flatten the flavor. Winstons are king-size, too, for extra filtering action—and easy-drawing for extra good taste. Try a pack of Winstons!
