

# Blood Drive Tops Goal By 22 Pints

The blood drive exceeded its goal yesterday by 22 pints.

One hundred seventy-two pints of blood were collected by the Johnstown Bloodmobile in the opening day of the drive. The goal for the day was 150 pints.

The drive will continue from 10 a.m. to 5 p.m. today in the Temporary Union Building. Today's goal is also 150 pints.

"It was the walk-ins who made this visit a success," Benjamin A. Whisler, chairman of the blood program for the State College Chapter of the American Red Cross, said last night. "It was a very successful operation."

Of the 91 donors scheduled for yesterday, 75 appeared. One hundred eleven walk-ins made a total of 186 persons who applied.

Twelve persons were rejected yesterday because they could not meet the requirements. A total of 174 donors gave blood. Sixty-two persons were first-time donors.

Walk-ins will be accepted at any time today, but are preferred between 11 a.m. and noon because that hour is not as fully scheduled.

Donors will be given a physical examination before donating. Persons under 21 must have a release form signed by their parents or guardian.

Anyone who has had an operation within the past six months must have his doctor's advice before donating. Persons who weigh less than 110 pounds may donate only a fraction of a pint.

# Course Report OK'd by Senate

The University Senate has approved the report of the Senate committee on courses of study which altered and added courses to curriculums in the colleges.

In the report, 15 curriculums were changed, 29 courses were changed, 19 courses were dropped, 11 were added and the prerequisites of 18 courses were altered.

The Senate also passed a motion by the committee to set April 1 as the deadline for receiving changes in courses and curriculum to be used in the University catalogue. The previous deadline was May 1.

# Profs to Address Philosophy Club

Dr. Henry W. Johnstone, assistant professor of philosophy, and Dr. Ernest H. Freund, head of the department of philosophy, will conduct a discussion of the "Value of Values" at a meeting of the Philosophy Club.

The newly-organized group will meet at 7 tonight in Simmons lounge. It functions mainly as an open discussion group rather than a student group within a department.

# Zeigler to Address Club

P. Thomas Zeigler, professor of animal husbandry, will address the Block and Bridle Club at 7:30 tonight in 206 Agriculture.

# Fall Final Exam Schedule Released

Final examinations will begin at 8 a.m. Jan. 20, and will end at 5:30 p.m. Jan. 28.

A student who has two examinations scheduled for the same time or three on one day may file a conflict card in the scheduling office, 2 Willard. The filing of conflict cards will begin tomorrow and will end Dec. 10.

Seniors who plan to graduate Jan. 31 and who have an examination after 7 p.m. Jan. 26 should file a conflict card.

Changes of schedule within the examination period must have the approval of the dean of the college and the University scheduling officer.

A student who is absent from a final examination may have his grade deferred upon the authorization of his dean if he has a legitimate reason for missing the examination. Grades may be deferred only four weeks after the beginning of the spring semester unless special action is taken. Grading in such cases is in accordance with rule M-5 under Senate regulations concerning "Grades."

If the time and room for the examination has not been announced the term "By app't" is used. "See List" means that the room will be announced in the class.

Examination periods are from 8 a.m. to 9 p.m.; 8-10, 10:20-12:20, 1:20-3:20, 3:40-5:40, 7-9 p.m.
