

Tradition Re-established As 40 Attend Delta Chi Banquet

A Dean's Dinner, to enable chapter members and members of the faculty and administration to become better acquainted with each other and each other's problems, was held by Delta Chi fraternity last night.

The dinner was previously held annually from 1925 until World War II by Delta Chi. This was the first held since the war.

The 40 guests at the dinner included administrative officials, deans of colleges, faculty members, alumni of Delta Chi, and officials of Delta Chi's national organization.

Speakers at the dinner were William Metz, chapter president; Marsh W. White, president of Delta Chi's alumni finance control board; Paul Campbell, vice president of the board; Ross Lehman, chapter advisor and Ralph Prusok, field secretary of Delta Chi's national organization.

Guests included President Milton S. Eisenhower, Ben Euwema, dean of the College of the Liberal Arts; Pearl O. Weston, dean of women; O. Edward Pollock, assistant dean of men for fraternity affairs; Ridge Riley, executive secretary-treasurer of the Alumni Association; Eric A. Walker, dean of the College of Engineering and Architecture; John Henry Frizzell, Chaplin Emeritus of the University; and Michael A. Farrell, di-

rector of the Agriculture Experiment Station.

Kenneth R. Erfft, associate comptroller; Col. Daniel F. Riva, commander of the Air Force ROTC; Ralph H. Wherry, head of the department of commerce; Col. Lucien E. Bolduc, commander of the Army ROTC; H. K. Wilson, director of the department of intermediate registration; Louis H. Bell, director of public information; Marion R. Trabue, dean of the College of Education; Grace M. Henderson, dean of the College of Home Economics; John A. Hipple, assistant dean of the College of Mineral Industries; William H. Powers, director of Arts and Science Extension; Edward L. Keller, director of General Extension; Ralph R. Ricker, instructor of physical education; and Lawrence Dennis, administrative assistant to the president.

Cowles—

the Office of War Information, Domestic Division. This department was the equivalent of the Committee on Public Information which was established during World War I.

Cowles received his LL.D. from Drake University in 1942 and from Coe College in 1948. In 1950 he received his L.H.D. from Bard College and from Cornell in 1951.

He is president of the Cowles Broadcasting Company; president of the S. D. Broadcasting Company; director of Bankers Life Company; director of Iowa-Des Moines National Bank and Trust Company; president of the Gardner-Cowles Foundation; a trustee of Drake University; a member of the Harvard Fund Council; a member of the American Society of Newspaper Editors—an member of the board; and a director of United Airlines.

Eight Debaters In Tournament

Eight University debaters will take part in the "Good Neighbor" debate tournament tomorrow at Bucknell University, Lewisburg.

Representing the women's team will be Sheila Garfinkel and Barbara Mensinger, affirmative, and Marlene Abrams and Susan Leib, negative. Men students taking part will be Carl Sapperstein and Sidney Goldblatt, affirmative, and David Meckler and Jonathan Plant, negative.

Meckler was one of two University debaters who last night debated against a team from Oxford University.

Plant was ranked second of 100 speakers at the recent Muhlenberg College debate tournament.

The topic for debate will be the national intercollegiate debate topic for the year "Resolved: That the United States should extend diplomatic recognition to the

The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. Chevrolet and General Motors set out to build the first low-priced car that would:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, skills, resources and facilities, to carry out this exciting new idea? Here is how this new Chevrolet changes all your ideas about cars!

to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... exciting fabrics and trim are harmonized with the whole car.

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering. And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get "heads up" stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

8

6

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and powershift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

MORE THAN A NEW CAR, A NEW CONCEPT OF LOW-COST MOTORING

Everything's new in the motoramic CHEVROLET

Drive with care... EVERYWHERE! Make December 15 and every day SAFE-DRIVING DAY!
