

# Panhel to Consider Constitution Changes

Panhellenic Council last night approved the retention of 14 of the articles of its Constitution and bylaws, and held six articles over until the next meeting for consideration of amendments and revisions.

Articles held over included those regarding the election of the Panhellenic Council president, chapter member limitations, pledging requirements and assessments.

These articles will be discussed at the next meeting of the council on March 1, and possible revisions and amendments will be voted on at that time.

**Rushing Code Explained**  
Louise Caspary, chairman of the rushing committee, reported that the rushing code adopted by the Council at its last meeting will not go into effect until the fall semester, and the code this semester will be the same as the last.

A centennial theme was suggested by members for the Interfraternity Ball, with blue and white as the color scheme.

Joan Bianci, chairman of the rushing booklet committee, asked council members to continue submitting pictures for the booklet.

# WRA 'Sports Day' To Host 3 Colleges

By JUDY HARKINSON

The Women's Recreation Association will play host to Bucknell, Juniata, and Lycoming colleges for its annual intercollegiate "Sports Day" Saturday, March 5, in White Hall.

Events scheduled for team and individual competition are bowling, badminton, modern dance, swimming, and volleyball. Patricia Farrell, committee chairman, has announced that the guests will be entertained in the afternoon at the ice skating rink and then served supper by WRA.

Penn State women will travel to Williamsport Feb. 26 to participate in Lycoming's "Sports Day." They will compete against Bucknell, Susquehanna, and Lycoming colleges in basketball, bowling, swimming, and badminton.

Tryouts for the various teams will be held at 8:45 p.m. Thursday in White Hall. The women selected to participate will leave at 10 a.m. by bus and will return at 7 p.m. Dinner will be served at Lycoming.

Lycoming's intercollegiate contest and one held by Bucknell last fall were scheduled as return invitations to Penn State. WRA also sponsored a field hockey meet in the fall for Bucknell, Shippensburg, and Lock Haven State Teachers colleges.

The first WRA "Sports Day" originated here in 1939, one year after White Hall was built. At that time the physical education staff was increased and WRA was reorganized.

Twenty-two colleges, including Cornell, University of Maryland, and Ohio State, represented five states. The agenda of individual spring sports contained archery, golf, badminton, tennis, and swimming.

Before each "Sports Day," invitations are sent to the schools stressing "friendly competition." The athletic contests offer no awards, but are played for the purpose of enjoying the sport and establishing amiable relations between individuals and schools.
