## Parties Elect 23 Clique Officers

The three campus political parties held their first official clique meetings Sunday night. Campus party elected 20 class clique officers, State elected three all-university clique officers, and Lion nominated one officer.

State party elected Shelton Odland, All-University clique chairman; Ellen Ross, secretary; and David Moskowitz, treasurer. There was no opposition to these elections. Janet McKee resigned as State Party secretariat and attended the campus party meeting where she was appointed campaign co-chairman.

State party nominations were opened for senior and junior class clique officers. Stephen Greenburg was the only nominee for senior class clique chairman. Nominations were open for vice-clique chairman, secretary, treasurer and secretariat for the junior and senior class cliques. No one was nominated, however.

Rae DelleDonne, State party clique chairman, said nomination and elections of these officers will take place next week. All-University secretariat will also be elected.

In the Lion party meeting, nominations were opened for sophomore class clique chairman and secretary, freshman class vice-clique chairman, and senior class vice-clique chairman for women. Only one nomination was made, Michael Enyedy, fourth semester civil engineering major, for sophomore class vice-clique chairman.

or the class he will be in next semester.

### Pencil Forgotten; Coat Still Lost

This is what you call a double "lost".

A student entered the business office of the Daily Collegian one afternoon to place a classified advertisement for a topcoat he had left in a fraternity house.

The ad-taker had no pencil; he borrowed the student's mechanical pencil.

The student had to rush to make a class, leaving his pencil behind.

The Collegian has his pencil. Who has his coat?

### Council Warns Of Absenteeism

The Chemistry-Physics Student Council meeting was cancelled last week due to lack of a quorum. This was the second time in succession that the meeting has been cancelled due to the lack of attendance on the part of the members.

Roger Uhler, vice president of the council, reminded the group that the constitution carries a passage stating that any member of the council who is absent from more than three meetings is eligible for impeachment from the board by the active members. This amendment applies to the fall year.

Uhler urged the members present to contact the absent members in order to find out the reason for the sudden display of disinterest. He said that the group will be notified by mail when the date of the next meeting has been set.
