

# Three Former Champions Win As IM Mat Action Begins

The 1955 intramural wrestling tournament got off to a slow start last night as 14 of the scheduled 27 matches went down the drain via the forfeit route. However three returning champions opened quest for another fraternity title when two were awarded forfeit wins and another, Armour Black of Chi Phi, pinned his 145 pound opponent in twelve seconds of the opening period— one of the shortest bouts in IM history: Black, last year's 135 boss, pinned Harry Crissman, Alpha Phi-Delta, with a cradle hold, when he scored with a takedown and applied the "coup de grace" moments later. Jim Knepp, Alpha Chi Sigma, last year's 121 pound champion and Winnie Doederlein, former 175 pound titlist from Kappa Sigma, both entered the second round of action on forfeits.

In heavyweight action, Walt Mazur, Phi Kappa Tau, required only 55 seconds to pin Wendell Toland of Kappa Alpha Psi. The bull-like Mazur turned the trick with a half-nelson and body press.

Bob Allen of Chi Phi defeated Jim Ely, Tau Kappa Epsilon, in another heavy bout when he piled up a 5-0 advantage on the strength of one takedown, two reversals and riding time.

In the closest bout of the evening, Norm Whitehouse, Sigma Phi Epsilon, edged his 155 pound opponent Norman Levin of Alpha Chi Sigma, 5-4. Whitehouse was awarded the decision when he rode Levin throughout the final period to break a 4-4 deadlock.

At 165 pounds Norm Paul of Alpha Gamma Rho swept to a 6-0 decision over Bob Sweitzer, Phi Kappa Sigma. Paul was in complete control of the action as he scored on a takedown, one reversal, two escapes and was also awarded one point for riding time.

In independent action two falls were registered when George Jackson pinned his 155 opponent, Charles Williams, with a half-nelson in 3:30 of the second period. Dale Simpson also turned the trick over Ralph Pillscher with a half-nelson and bar.

Frank Della Penna, Sigma Pi, overwhelmed his heavyweight opponent, Bob Giombetti of Alpha Phi Delta, 6-0. Della Penna gained four minutes riding time in the bout which saw him in control after a first period takedown. Also in the heavy bracket, Joe Erwin of Theta Kappa Phi pinned Phi Kappa Sigma's Charles Yarbrough in 4:43 with a body press.

In a 165 pound match John Rautine, Theta Xi defeated Dave Shenot of Kappa Sigma on the strength of two takedowns and one escape. Bill Caryl, Sigma Pi, came from behind to register a fall over his 175 pound opponent John Skoczylas, of Phi Kappa, when he pulled the match from the fire with a body press. At the time of the fall, Skoczylas was leading, 3-0.

WHAT'S THIS? For solution see paragraph below.  
Doodle suggested by Norman Gerber, C. C. N. Y.

HAVE A LITTLE FUN when you smoke. Enjoy yourself. Give yourself the pleasure of a better-tasting Lucky Strike. The enthusiasm often inspired by Luckies' famous better taste is illustrated in the Doodle (right) titled: Alphabet soup for Lucky smoker. So why *stew* over what cigarette to smoke? Luckies' taste is *letter*-perfect. After all, L.S./M.F.T.—Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's *Toasted*"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco

to make it taste even better... cleaner, fresher, smoother. When you light up, enjoy the better-tasting cigarette... Lucky Strike.

"IT'S TOASTED" to taste better!
