

### Clubs to Hold Joint Outing

The Penn State Outing Club will hold a combined outing with the Gettysburg College Outing Club this weekend. The Gettysburg group is due to arrive at the University at 5 p.m. tomorrow.

Penn State Outing Club members will meet at 2 p.m. tomorrow at Recreation Hall for further instructions. Members of both clubs will go to the forestry cabin, near Boalsburg, for a dinner to be followed by a scavenger hunt, group singing, and dancing. Slides and movies of the University group's outings will be shown.

A sunrise service at the cabin, breakfast, and a hike to Beaver Dam are planned for Sunday. Rifle and wood chopping contests for both men and women will be held. Non-members may be spectators at the contests.

The group will return to the forestry cabin at 2 p.m. for dinner. A picture of both groups will be taken.

### Chem-Phys Group Hears Constitution

The Chemistry-Physics Student Council Tuesday night discussed a proposed constitution for the council.

Council is planning a coffee hour to be held at 4 p.m. March 24 in Dean Clarence I. Noll's office.

The Chemistry-Physics Open House, to be held April 23 in conjunction with other college open houses, will display the facilities of the College of Chemistry and Physics to high school and college students, teachers, parents, and friends.

### Pollock Council Meeting

Pollock Council will hold a special meeting at 2 p.m. tomorrow in the council room of Nittany 20.

The constitution of the Association of Independent Men will be discussed.

Students in the Pollock area may attend.

### THE STUDENT COUNCIL

Today let us investigate a phenomenon of American college life called the student council. First of all, what is the student council? The answer is simple: the student council is a council of students.

Next, what does the student council do? Again the answer is simple: it meets.

Next, what goes on at the meetings? This question is rather more complicated than the others. Perhaps it can best be answered by reproducing here the minutes of a typical meeting of a typical student council.

Meeting scheduled for 8:30 p.m. at Student Union Building. Call to order 9:51 p.m. by Hunrath Sigafos, presiding. Motion to adjourn made by Louis Bicuspid, freshman representative. Motion ruled out of order by Hunrath Sigafos, presiding. Hunrath Sigafos called "old poop" by Louis Bicuspid, freshman representative. Seconded by Delores Wheatgerm, sophomore representative. Tabled by Hunrath Sigafos, presiding.

Minutes of last meeting read by Zelda Pope-Toledo, secretary. Motion to accept minutes made by Hunrath Sigafos, presiding. Motion defeated.

Treasurer's report not read because Rex Mercredi, treasurer, not present at meeting. Rex Mercredi, treasurer, impeached in absentia.

Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in school cafeteria. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafos, old poop.

Motion made by Booth Fishery, fraternity representative, to permit parking in library. Motion referred to committee.

Motion made by Gladys Algae, junior representative, to allow attendance in pajamas and robes at first hour classes. Motion referred to committee.

Motion made by Elwood Feldspar, athletics representative, to conduct French Conversation classes in English. Motion referred to committee.

Motion made by Esme Plankton, sorority representative, to allow hypnosis during Rush Week. Motion referred to committee.

Motion made by Pierre Clemenceau, foreign exchange student, to conduct German Conversation classes in French. Motion referred to committee.

Motion made by Harriet Critter, ag campus representative, to allow faculty members above the rank of assistant professor to perform marriages. Motion referred to committee.

Observation made by Martha Involute, senior representative, that in her four years on student council every motion referred to committee was never heard of again. Miss Involute was tabled.

Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in Sociology I and II. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafos, presiding crossly.

Refreshments served. Coffee, cake, Philip Morris Cigarettes. The following resolution adopted by acclamation:

"WHEREAS Philip Morris is milder, tastier, more exhilarating, and chock full of rare rich vintage tobaccos; and WHEREAS Philip Morris is contained in the patented Snap-Open pack which is the quickest, simplest, neatest container yet devised for cigarettes; and WHEREAS Philip Morris, the most commendable of smokes in the most admirable of wrappings, is available in both king-size and regular; therefore BE IT RESOLVED that it is the sense of this meeting that Philip Morris is far and away the best cigarette buy on this or any other campus."

Meeting adjourned with many a laugh and cheer at 9:58. Respectfully submitted,

Zelda Pope-Toledo, Secretary
