

Delta Sig Sweeps To IM Mat Lead

Delta Sigma Phi vaulted into the lead for the fraternity mat title last night, rudely edging former pace setter Chi Phi by one point, 48-42. Last year's champion, Delta Upsilon, remained in the background much in the manner as a panther awaiting his prey. The DU's have a total of 36 points and are in third place.

Delta Sigma Phi picked up two decisions and one fall as heavy-weight Frank Olney pinned Phi Kappa Tau's Walt Mazur. Olney narrowly missed pinning Mazur at the close of the second period; however, he turned the trick after 17 seconds had elapsed in the final stanza.

Paul Hood, also of Delta Sig, decisioned Ralph Straley, Acacia, 2-0 on the strength of a late second period reversal. And Milt Netcher captured a decision in a 155 contest for the Delta Sigma squad when he downed Pi Kappa Phi's Ron Corio, 7-4.

The outstanding bout of the evening occurred in the 165 pound class when Chi Phi's Ernie Young received the nod over Tom Larsen of Sigma Pi, 5-0. Considered by many to be the outstanding grapplers in the 165 division, both Young and Larsen displayed science mixed with mat savvy and speed. However, Young remained in control following a takedown and also picked up a reversal and a point for riding time. Larsen was last year's 155 pound independent champion.

Former 128 champion, Armour Black of Chi Phi collected his second victory of the campaign as he decisioned Pi Kappa Phi's Charlie Wood, 4-0. Black stamped himself as one to reckon with before any titles are passed out this year.

Defending champion Delta Upsilon collected two victories when 155 pound Paul Brown decisioned Willie Kuhns of Chi Phi, 2-0, in an extremely close match and Bob Sitko edged Delta Sigma Phi's Charles Miller, 3-2—another "whisker shaver."

Sigma Pi, currently in fourth place, received a jolt when their 155 and 121 pound contestants both dropped decisions. However, they remained in fourth place on the strength of Frank Della Penna's pin over Chi Phi's Bob Allen in a heavyweight match. Della Penna turned the trick in 3:03 with a half nelson and crotch hold, after trailing Allen 2-0.

George Weinschenk, Sigma Nu, defeated Jim Gordon of Sigma

Pi, 3-0 and Ted Garrett, Pi Kappa Phi, decisioned Ed Klose, Sigma Pi, 3-0.

Sigma Nu's Fuzzy Law decisioned Jack Calderone, Lambda Chi Alpha, 14-10 in a match complete with shoe string tackles and flying reversals.

Harry Leonard, Phi Kappa Tau, pinned Sigma Pi's Brook Moyer in 3:51 with a body press and Ray Okamoto also pinned Bill Duff of Sigma Nu in 2:57. Dan Revie, Sigma Chi, pinned Bill Kerns, Beta Theta Pi, in only 35 seconds with a body press.

IM Handball Nears Finals

Independent entry George Obradovich moved into the finals of the intramural handball singles tournament Wednesday night at Rec Hall. Four fraternity players also moved into the finals of flight action.

Obradovich, League A winner with a record of 4-0, had an easy time disposing of the League B winner, John Burgan, in two consecutive games, 21-4, 21-6. Obradovich will meet the winner of the match between Dan Mullen, League C titleholder, and Bill McCann, League D champ, Wednesday to determine the independent handball champion.

Paul Dierks, Phi Delta Theta, eliminated Arthur Crum, Sigma Nu, 21-11, 21-7; John Williams, Phi Kappa Alpha, took two out of three games from Bill Taber, Sigma Pi, 21-12, 12-21, 21-8; John Albarano, Theta Kappa Phi, trounced Lou Adler, Beta Sigma Rho, 21-3, 21-8; and, in the final contest of the evening, Mike Meckley, Theta Xi, overwhelmed Bill Frengel, Lambda Chi Alpha, 21-5, 21-4.

Marion Says White Sox Will Top AL This Year

TAMPA, Fla., March 24 (AP)—Marty Marion, managing his third major league team in five years, is convinced this is the first time he is opening a season with a bona fide contender.

Not many agree with him when he insists his Chicago White Sox who wound up third last year, 17 games back, will finish ahead of Cleveland and New York this year.

WRA RESULTS
Bowling
Women's Building over McAlistler Hall.
Tri Delt won league three.

Pitcher Gene Conley is the tallest and heaviest player on the Milwaukee roster. He is 6 feet 8 inches and weighs 225.

HAMILTON STANDARD

Division of United Aircraft Corporation
will be here for

INTERVIEWS TUESDAY, MARCH 29

For 35 years the name Hamilton Standard has symbolized the world's finest aircraft propellers for both piston and turbine engines. Now it stands, too, for the finest in a growing line of jet aircraft equipment such as:

- JET FUEL CONTROLS (electronic and hydro-mechanical)
- JET TURBINE STARTERS (pneumatic and combustion)
- HYDRAULIC PUMPS (variable displacement)
- AIRCRAFT AIR CONDITIONING SYSTEMS

Many Hamilton Standard engineers have won international recognition for their contributions to aeronautical science. The same opportunities await young engineers who join our growing organization today. After a brief training and orientation program at high starting salary, you can advance

steadily in one of our many fields of engineering activity—the one most suited to your desires and talents.

Our modern plant is ideally located at Bradley Field, the main air terminal, only 15 miles from both Hartford, Conn. and Springfield, Mass.

For appointment and additional information see your placement officer.

DIVISION OF UNITED AIRCRAFT CORP.
WINDSOR LOCKS, CONNECTICUT

Among the engineers now building rewarding careers for themselves at Hamilton Standard are

THESE PENN STATE GRADUATES

- George W. Ashman '49
Development Installation Engineer
- Frederick M. Benson '53
Methods Engineer
- Alfonse R. Civitate '42
Project Engineer
- Richard C. Cooke '52
Test Engineer
- George R. Davis '52
Liaison Engineer
- Nevin F. Decker '34
Assistant to Quality Manager
- William E. Diefenderfer '38
Assistant Chief Engineer
- Edwin D. Eaton '33
Chief, Experimental Operations
- William E. Fortmann '47
Project Engineer
- David N. Foner '47
Supervisor, Vibration Analysis
- Norman L. Gray '52
Test Engineer
- William M. Groff '52
Test Engineer
- Donald M. Hackenjos '51
Senior Test Engineer
- Kermit I. Harner '50
Development Installation Engineer

- Kenneth G. Harple '51
Senior Test Engineer
- Tedric A. Harris '53
Test Engineer
- Frederick A. Hicks '49
Senior Test Engineer
- Harold C. Holly '48
Supervisor, Product Services
- Chester Jedziewski '38
Project Engineer
- Charles M. Kearns '36
Engineering Manager
- Stuart L. Lataha '49
Senior Test Engineer
- Erle Martin '29
General Manager
- Calvin D. McCarthy '40
Project Engineer
- Ralph E. McConnell '54
Test Engineer
- Richard K. Mason '52
Test Engineer
- Henry F. Miller '43
Assistant Project Engineer
- Richard P. Mills '52
Service Engineer
- Richard A. Moser '53
Test Engineer
- Thomas E. O'Brien '54
Test Engineer

- Melvin L. Perkins '51
Analytical Engineer
- Oliver J. Peters '42
Assistant Project Engineer
- Robert D. Porter '51
Development Installation Engineer
- Herbert N. Reitz '40
Assistant to the Engineering Manager
- George H. Rowe '49
Senior Analytical Engineer
- Benedict X. Sain '38
Designer
- Stewart F. Sando '48
Designer
- John W. Schanbel '52
Test Engineer
- John H. Scholl '54
Test Engineer
- James S. Sims '46
Designer
- Edmund M. Walacavage '49
Senior Installation Engineer
- George G. Walker '39
Development Engineer
- William H. Walter '51
Senior Test Engineer
- Frederick A. Young '42
Project Engineer

WALK

Into the Penn State Diner. SIT down at one of the spotlessly clean tables. ORDER from the fine selection of good food you'll find on the menu. ENJOY the courteous, efficient service you get from the Penn State Diner waitress. TASTE the delicious food and "lick the platter clean." You're sure to walk out again saying ...

WHAT A MEAL!
