For Use in HUB**

Records are now available for the listening rooms at the Hetzel Union Building, according to George L. Donovan, director of associated student activities.

To eliminate use of the listening rooms for over-long periods, a one-hour limit has been set, Donovan reported. If at the end of the hour another student has not signed for the room, the student occupant may keep using it, he added.

Members of Phi Mu Alpha, national music honor fraternity, and Dr. Hummel Fishburn, professor of music and music education felt one hour would be long enough, Donovan said.

Correction

The new six weeks course, "The Life of the Service Wife," is not open only to women who plan to be wives of men in the Air Force, as was incorrectly reported in the Daily Collegian Friday.

The course concerns all the military services and will be run through the joint cooperation of the Army, Navy, and Air Force departments.
